The records show that your Missionary preached 55 times, taught ten weeks of Bible and other studies, used thirty-two films or filmstrips. Conducted five Associational wide clinics. Eighteen mission study classes were taught. A record was kept of 442 individual conferences, 42 group conferences, and 41 committee meetings. There were a total of over 3800 bulletins sent out, and over 1500 cards and letters mailed. Your Missionary drove a total of 22,618 miles in the work of the Association. Much thanks should go to Mrs. Colvard for the great help she has given in all the work that has gone on during this year.

I believe that our program here in the Atlantic Association is getting established, not only in the thinking of the people but also in the type of work that is being done. We appreciate every call to service that has come to us, and we will be glad to give ourself in this work as the good Lord will open the way.

We thank you for your support in the undertaking that has been placed in our hands; we will try to be faithful to the task that is ours, and we pray for your help and understanding as we move outward and upward for our Christ.

Respectfully submitted,
GUTHRIE COLVARD

Report of Committee On Hospital

Whereas, it is the feeling on many in this section of our state that there is a very definite need for a Baptist hospital, and

Whereas, much work and planning has gone into this, and

Whereas, New Bern is the place desired for the location of such an institution, and

Whereas, there is a felt need that an amount of $1,000,000.00 be raised to present to the Baptist State Convention of North Carolina that such an institution be established and the first unit (50 beds) of a 100 bed hospital be built:

Therefore: be it resolved that the Atlantic Baptist Association employ a man to formulate plans for obtaining pledges and collecting the money. That such a man be employed for a period of five (5) years with the expenses to come from the money raised.

The following suggestions are made as a part of this resolution:

1. A committee be named by the Association with Mr. Joseph T. Pearson as chairman. The committee to have ten (10) other members with two (2) coming from each county in the Atlantic Association.
2. The committee be instructed to raise an amount of $5,000.00 as a fund to begin this program. That the churches be asked to look with favor upon the work of the committee, and to give as they are able.
3. That it be understood that construction will begin as soon as $600,000.00 in cash is in hand.
4. That reports be made at least each three (3) months through SURF SOUNDS, the bulletin of the Association.

Respectfully submitted,

Guthrie Colvard, *Chairman*, J. C. Bell, Mrs. E. L. Davis, Alexander Pasetti, J. T. Pearson.

Sunday School Report

The Bible teaches, "The entrance of Thy Word giveth light," and that "The scriptures which are able to make thee wise unto salvation . . .;"—hence, the importance of the Bible teaching ministry of the Sunday School.

The Sunday Schools have proven themselves to be a great teaching, evangelistic, enlistment and financial agency of the churches. We rejoice in the growth and service of the Sunday Schools in our association. This year our Atlantic Baptist Association reports 43 Sunday Schools; 8,614 Sunday School enrollment; 0 Standard Sunday Schools; 420 baptisms; 39 Vacation Bible Schools; and an active associational Sunday School organization.

The State Sunday School Department reports a total of 3215 Sunday Schools. The Sunday School enrollment at the close of 1955 was 724,463. The Sunday School Department reported 2700 Vacation Bible Schools in 1955, and 32,500 training awards were earned last year.

State goals which have been set up for the new year are as follows:

Enrollment gain	40,000
Standard Sunday Schools	66
New Schools	75
Churches reporting Training	1,300
No. Training Awards	40,000
Vacation Bible Schools	2,900
Moving up from Class to Dept. School	125
Standard Associations	10

JOHN W. PRIVOTT

Baptist Training Union

In our Annual Associational Meeting last year our Associational Training Union Director challenged us to meet the great need to train people to fill the various places of responsibility in our churches and to throw our influence behind the "M" Night, Associational Tournaments and other T. U. Meetings. We have seen definite advances this year which have been a great blessing not only to those of us in office but also to those who participated in these meetings. We praise God for the blessings received.

While we have seen a marked advance in new T. U. organized in churches previously without; more participation in tournaments; more Study Course Awards given; there are still some churches in our Association without Training Unions. It is the duty of every leader in the church to see that a T. U. is organized, whether they be Pastor, Deacon, W. M. U. President, Brotherhood President, or other leader.

Then the rest of us must remember what Paul said to Timothy in I Tim. 4:14 "Neglect not the gift that is in thee". The same exhortation is pertinent for every Christian today. God gives to each one of us certain talents, or abilities—some have special ability for music, some for public speaking, others for leadership. All the natural abilities possessed by the Christian which may be used in the Master's service may be developed greatly in Training Union. Then will the Training Union render a unique service, not only to individual Christian lives, but also to the church as an institution.

Let us not sit back in self satisfaction at the advances of the past year, instead let us go forward in Christ to even bigger and better goals for the coming year, that we may maintain a Training Union that is truly an organization with the purpose of TRAINING IN BETTER CHURCH MEMBERSHIP.

Respectfully submitted,

H. B. GRAY, JR.,
Associational Training Union Director

Report On Biblical Recorder

The Apostle Paul said to Timothy, his son in Christ, "Give attention to reading." Paul knew, as we know today, that God's people must read to strengthen their faith, to increase their knowledge, to open their vision, to

inspire their minds. Christian literature must forever be dedicated to the furtherance of the Gospel and the whole work of the Lord through His people and His churches. Like some evil flood today, the swelling tide of bad literature has come to deceive all who will buy, read and absorb its insidious poison. Much of it is cunningly dressed in fine covers and attractive print as it bedecks every news stand and lures every heedless person to take and read. To stem this ugly tide, is the sound Christian periodicals, books, and other good literature to meet every age and interest.

Perhaps no body of people in the world has a finer array of wholesome, inspiring literature for all ages than the Baptists. The aim of it is to inform the people, to unify and enlist them in the Lord's work, to indoctrinate them in Baptist truths, to uphold the Bible and its teachings, and to point out the great sweep of Baptist work that claims the finest efforts of all who serve God in these days. Christian literature must be promoted, read, and used by our people in our homes and churches, if the whole program of Christ is to be carried out by Baptists working together. There is no other means by which so many people can be reached so completely, so constantly, so cheaply and so successfully as through the Baptist State paper. The late Dr. George W. Truett said, "It is a tragedy for any Baptist family to fail to receive and read regularly the State Baptist paper."

"The promotion of missions, education, social service and the distribution of sound religious literature" was the main purpose of the Baptist State Convention of North Carolina when it was organized in 1830. Shortly afterward, in 1833, the *Biblical Recorder* was founded to help carry out the high aim and purpose of our Baptist forefathers. For 123 years, the *Recorder* has borne the message of Baptist life and progress in our State.

The *Recorder* has three subscription plans: Single subscription, Church Club Plan, and the Every-Family Plan. In our own Atlantic Association we have a number of churches that have the Every-Family Plan. Out of the 41 churches in our Association, we have 27 that have the Church Club Plan. The total number of subscribers for the whole Association is 1,161 plus Pastors. My prayer is, that our goal for the coming year will be a *Biblical Recorder* in every *Baptist Home* in our Association.

American Bible Society

The one great objective of the American Bible Society is to get the Bible into the hands of men and women around the world. It believes the Bible is the one important book for human-kind—the Book of Life; the Book containing the story of man's sin and of God's salvation from that sin. The Society further believes that for a man to turn from his sin and to God's salvation, he must have the Bible, and that he must have in his own tongue in order that he may understand its message.

This is the work of the American Bible Society. It aids in translation of the Scriptures: it publishes the Scriptures without any note or comment; and then distributes them to every part of the globe. This work is done for cost, and often times for less than cost. Today the Bible is read by millions upon millions of people around the world in more than 1100 languages, and much of the credit can be given to the American Bible Society.

Southern Baptists recognize the value of the work of the Society. This is seen in the fact that we now give more than $100,000 per year to it. It is probable that each church in our association contributed to it last year. If we did, let us continue to support this worthy cause; if we did not, let us begin now by sending some gift which will make possible more copies of the Bible being placed in the hands of the un-saved.

Report On Evangelism

The Christians of any community have but to look at surrounding conditions to feel the need for a broader emphasis on Christian Evangelism. The words

of Dr. R. C. Campbell spoken twenty years ago are as timely this moment, in this and any other community, as when he said them—quote: "Just as waters ebb and flow, so moral and spiritual tides ebb and flow. Pendulums swing from one extreme to another. History shows that when wickedness deepens to a certain point, a reaction sets up, and people seek to climb from the pit of destruction into the arms of God.

"America, as well as other nations, has sunk deeply into the quagmire of iniquity. The black treachery of putrid corruption is evident on all sides. Heartlessness, murder, drunkenness, immorality, shame, sham, low standards, shattered ideals, broken homes, and blighted lives, together with gambling, greed, materialism, heathenism, ingratitude, and covetousness are some of the evidences of a reckless age, with a blood count so high that spiritual paralysis will result unless a revival comes, and comes quickly." End of quote.

If these conditions exist then we need a revival. We need it now and for that reason your Committee on Evangelism brings you the following report.

At the October meeting of the Pastors' Conference it was voted to invite Billy Graham for an evangelistic campaign in 1958. Since Dr. Graham had expressed a desire to hold a meeting in the vicinity of the Marine Bases, and since it was his hope that some Baptist Churches in proximity of the bases would sponsor the campaign, it is the feeling of your committee that the churches of the Atlantic Association should extend the invitation and support the campaign.

Therefore Be it Resolved:

1. That this Association authorize its moderator to appoint a representative committee to study ways and means by which the churches in the association can be moved to a united support of such a campaign, and
2. That the committee be instructed to extend an invitation to Billy Graham and his staff for 1958, and
3. That the Dog Tracks on highway 70 between Morehead City and Cherry Point be secured and prepared for this campaign, if possible.

Baptist Hospital Report

The year 1955 was the best in service our Baptist Hospital has ever had. Our churches gave the largest Mother's Day Offering they have ever made, and the Hospital was able to serve more sick people than ever before. More than 115,000 days of bed-patient care were rendered to almost 15,000 sick people, and more than 100,000 visits were made to the clinics and offices of the medical staff.

Following the completion of the new south wing and the moving of a number of departments into new quarters, much of the original building which was constructed in 1923 had to be renovated. Most of this work has been completed, as is evidenced by the new waiting rooms for visitors and many other changes. Our Hospital is not only larger now, but it has the best facilities and staff to serve our people that it has ever had.

The new x-day department is one example of improvement. Just recently, three new type x-ray machines have been installed at a cost of over $30,000. A small concrete building is now under construction to house a cobalt machine, which is much more safe and much more effective in the treatment of certain types of cancer than any x-ray machines now being used. The cost of this will be $75,000. No other hospital in North Carolina has equipment equal to these new machines. We now have the best x-ray department in the South. The doctor who heads the department is one of the outstanding radiologists in America.

Most other departments have been improved and new departments added. Regular services are being held in the beautiful new Chapel which was opened in June. We now have a fine specialist for testing and advising those who have defective hearing. A highly skilled plastic surgeon is joining our staff this fall. Our Baptist Hospital is trying to stay in the forefront in providing for our people the best there is available in medical service.

The most urgently needed new facilities are a new nurses' home, in order that the nursing school may be enlarged, and additional parking facilities. Anyone who has visited the Hospital recently is probably aware of the serious parking problem, and the nursing school need is equally acute.

Costs in all hospitals have increased steadily and every indication is that they will continue to increase. Such medical service as is provided by our Baptist Hospital cannot be made available without great cost. All who can possibly do so should carry hospital insurance with a reliable company. Those of us who can pay for our medical care must do so. Then we need to give generously through our Mother's Day Offering to help care for those who cannot care for themselves.

Orphanage Report

Past and Present:

A little ten-year-old girl, Mary Presson, from Hertford County, was the first child admitted to the Baptist Orphanage on November 11, 1885. Reaching out his strong arms to receive her was John H. Mills, great-hearted founder and first Superintendent of the institution.

Since that time, more than 6,000 youngsters like Mary Presson have been admitted to these two homes—Mills Home at Thomasville and Kennedy Home at Kinston. In 1955 the two homes served a total of 575 children—398 at Mills Home and 177 at Kennedy Home. In addition to the number receiving institutional care, there were 101 in foster homes and 60 in the homes of their mothers, with both groups receiving financial aid. During the year a total of 736 children were cared for by the Orphanage.

In 1955 there were 58% more applications sent in than in 1950. Thus the need, based on the number of applications, grows greater each year.

Plan of Support:

Last year for the first time the Orphanage received part of its support through the Cooperative Program. About ten per cent of the total income was given through this channel. Most of the Churches continue to place the Orphanage in their budgets or else take the Once-A-Month offering through their Sunday Schools.

Building Program:

During the past year a new Church building and a new parsonage have been completed at Kennedy Home. These are buildings of which every Baptist can be proud. A contract will be let sometime this fall for a new Boys' Cottage and a swimming pool at Kennedy Home. Bear in mind that all of these buildings are erected with special gifts or bequests.

What of the Future?

The future is in the hands of North Carolina Baptists. For 71 years the Orphanage has opened its doors to children in need. Even though the number of orphan children in the homes is not as great as it was 50 years ago, other forces are causing the breakdown of many homes. Today's children needing care are often the products of ill health, broken homes, divorce desertion, and of other circumstances beyond their control. Their need is as great (often greater) than the orphan child. In the future, all Christian forces must mobilize to attack these causes of child neglect and dependency at their source. With your prayers and material support, the Baptist Orphanage of North Carolina will continue its Christ-ordained ministry to the dependent child so long as the need exists.

"We are all blind unless we see
That in the human plan
Nothing is worth the making
If it does not make a man.

Why build the nation glorious
If the child Unbuilded goes?
In vain we build the city
Unless the child also grows."

Brotherhood Report

You will find that 24 churches have reported a total membership in the Brotherhood and Royal Ambassadors in the Atlantic Association of 863. This is a net gain in enrollment of 256 over the number reported last year. In the past year we believe that the work of the Brotherhood and the Royal Ambassadors have been drawn closer together. Two meetings have been conducted to better acquaint the men with the work that is before them in the full support of the Royal Ambassador program. Many of our churches are moving in a fine way in the joint committee program.

Our Brotherhood Ladies' Night was a great success with over 180 people in attendance. A good meeting was appreciated and wonderful fellowship for all was had.

A number of our men are looking forward to attending the first Nation-Wide Conference of Southern Baptist Men in Oklahoma City, September 18-20, 1957. Plans are underway to secure a bus for the trip with a tour of our Home Mission work as a part. We hope to have about 40 men on this trip.

Pray for us as we move into the work of another year.

Woman's Missionary Union Report

The world is so big! And there are so many people. They are not statistics walking around,—they are people! Our minds are unable to retain these statistics after we hear them—much less are we able to visualize all these people. Is it any wonder we find it difficult to care about all of them? But God does care, and if we are to learn what it means to be His children we must find a way to know and love and win the people of the world.

This is the burden and purpose of the women and young people of Atlantic Woman's Missionary Union. And you will never need to worry about the lives of young people whose prayers include concern for the people of the world who are lost. They will care when they know. They must know about the multitudes; they must know about the missionaries laboring today; they must know, too, that God will call some of them to go, and all the rest of us to send them and sustain them and pray for them. This is our united task.

The newly stated aims of W.M.U. emphatically emphasize the spiritual development of the individual member rather than the statistics of the group. We recognize our place on the church team, in coordination with Training Union, Sunday School, and Brotherhood, all of us constituting a worshipping church of praying servants of the Lord, "ready to go, ready to stay, ready to do His will."

During the past year we have labored to deepen the sincere concern for others, in the spirit of Christ. The extent of this deepening is registered primarily in our hearts and minds in becoming more concerned for the lost. To some extent it shows in the "love offerings", which increased over the preceding year from $8,824.87 to $10,191.44. The increase, also, in mission study, enlistment, subscriptions to missionary literature, and in the regular stewardship of possessions are all of them visible parts of the spiritual picture. Of the forty churches, 34 now have a Woman's Missionary Society, and nine of these are fully graded unions.

Reaching the "Ten Point Standard of Excellence" are: National Avenue A-1; Tabernacle A-1; and Morehead City, First Church, which went ahead to the rating of being an "Advanced W. M. S."

The annual meeting of the Atlantic W.M.U. was held in April with the Cherry Point Church. The missionary guest and speaker this year was the beloved Mrs. John Lake, of China; and we were honored to have visit us from the state office Miss Beverly Neilson, field representative and Chairman of the Division of Sunbeam work. We are proud of the attainment by the Girls' Auxiliary of a "Queen Regent" now among our "Queens". The societies fostered 26 Sunbeam Bands, 28 G.A.'s, 20 R.A.'s, and 13 Y.W.A.'s.

The Association may continue to count on the women of the churches to enlist and enlighten and engage our own women and young people in the sublime task to which the Lord has called us.

MRS. WISTAR HAMILTON, *W.M.U. Superintendent*

Social Service—Temperance

In writing to young Timothy, his spiritual son in the ministry, the Apostle Paul rang a warning bell, the sound of which reaches our very day, to give light on local, state, national, and world conditions. He wrote: "This know also, that in the last days perilous times shall come. for men shall be lovers of their own selves, covetous, boasters, proud, blasphemous, disobedient to parents, unthankful, unholy, without natural affection, trucebreakers, false accusers, incontinent, fierce, despirers of those that are good, traitors, heady, highminded, lovers of pleasure more than lovers of God; having a form of godliness, but denying the power thereof: from such turn away." If we are at a loss to understand the reason why our world is on shaky foundation at this hour, we have only to restudy the words which the Holy Spirit led this great preacher to pen for us. We will not be long in seeing that it is because men for the most part have abandoned God.

Our world is not getting any better despite the fact that there are those who would have us to think that it is. This post-millenial view is proved to be erroneous and senseless by the ever—rising social problems which are seeking to push society into moral and spiritual suicide. No sober—thinking man or woman in this day can fail to see the sinister forces of sin working directly and indirectly to wreck the home, the church, and the nation through which God would work to accomplish His redemptive purpose.

Because there is no one like the believer and the church who is expected to be more aware of the social problems that arise out of man being wrongly related to God, and who is charged with the responsibility to do something constructive and Godly about them, we want to suggest and explore several of these areas.

Firts, **there is RACE RELATIONS**

Since the foundation of the world there has been a struggle between the forces of good and evil. God has been working to accomplish the ends for which He created man and Satan has been striving to thwart this divine purpose. As an integral part of this overall struggle is the conflict between the white man and the black man which began even before the Civil War. The negroe on the one hand has sought to lift

himself above the fetters of slavery and prejudice heaped upon him by the white man, while he on the other hand has struggled to keep him down. Now the Supreme Court of our land has seemingly taken its place along side of the "underdog" to champion his cause by ruling that segregation of children in public schools is unconstitutional. With the violence that issued from enforcement of this law in Tennesee and Kentucky, you and I are faced with the question of what we shall do in regard to this action of the highest court of the land.

Your committee sees no other course for us to follow than to accept the decision of the Supreme Court for two reasons. First, because God commands it in Romans 13: 1-4. Second, because the Constitution of our beloved state calls for such: "Every citizen of this state owes paramount allegiance to the constitution of the United States and that no law or ordinace of the state in contravention or subversion thereof can have any binding force."

Your committee also earnestly exhorts every believer to do the following things that peace might be the ensuing relationship between the white and negroe of our fair land: (1). have the attitude of greatful obedience to God as revealed in Jesus Christ; (2). be marked with the attitude of inward sincerity and outward truthfulness; (3). accept without reservation the dignity and worth of the individual; (4). practice without restraint whatsoever the attitude of good will toward members of the human family; and (5). demonstrate the attitude of moral earnestness toward the human problems in our social order.

Second, **there is GAMBLING**

Gambling is no longer a problem that has to do with remote sections of state and nation. It is raising its vicious head in our own midst. Your committee feels that the following forms of gambling are most prevalent in our nation today.

1. **Horse racing** which always turns our attention to Louisville, Ky., in particular, where the Kentucky Derby is held. Some 25,000,000 people attend the races every year, spending approximately $1,600,000 dollars on the horses.

2. **Slot Machines** which are illegal in most states. These one-arm bandits lift about four billion dollars a year from the 14 million people who play them.

3. **The Numbers Racket** which is patronized annually by 15 million people who spend an estimated one billion dollars to play the numbers.

4. **Rafflings** and **Bingo** which your committee belives to be perhaps the most outstanding practices of gambling in our section of the state. We have no figures to show the profits from rafflings and bingo which are being run by schools, churches (Roman Catholic mostly) and civic groups. However, we feel that while the revenue would be small as seen over against the other forms of gambling, the figures would be staggering.

Because gambling is unquestionably wrong, we strongly urge that believers and churches take the following action: (1). restudy the subject of gambling in the light of the Bible; (2). speak out against rafflings no matter who sponsors them; (3). take no part in anything that has the slightest tinge or suggestion of gambling; (4). give proper instruction to our children about the evils and the results of gambling.

Third, **there is STRONG DRINK**

Drinking of alcholic beverage is no longer a matter to be smiled at or snubbed. The National Safety Council says: "in 1953—18 out of every 100 drivers involved in fatal accidents were driving under influence of alcohol; 1954—20 out of every 100 fatal accidents on the road were caused by alcohol; 1955—22 out of every 100 such accidents has alcohol behind them." The National W. C. T. U. Research Counsel Bulletin reports that in 1954 our government received $2,742,000,000 in liquor

tax. $860,000,000 of this went to State and local governments, leaving the government $1,982,000,000. J. Edgar Hoover reports that in this same year, 1954, the Crime Bill of our nation was $20 billion dollars, 13% of which, or $2,600,000,000 was caused by the drinking of alcohol. This means that the liquor—caused criminals cost our government $718 million dollars. From the F. B. I. Crime Report we learn that in 1954 there were 1,950,000 arrests due to liquor. Dr. Seldon D. Bacon of the Department of Sociology of Yale University says that 2¼ % of the whole population of our nation are alcoholics, with 6¼ % of the male population between 20 and 65 years of age definitely alcoholics. Public Affairs Pamphlet, No. 118, states that 65 million Americans drink alcoholic beverages in some form. Also that there is one female alcoholic for every 6 male alcoholics in the United States.

If alcoholism is Public Enemy No. 4, as the National Committee of Alcoholism has affirmed, then professing Christians need to take definite steps of counteraction. Your committee feels that you can help by: (1). working to lead the State Legislature to call for a state—wide liquor referendum in which the citizens can express their protest against the sale of alcoholic beverages in our state; (2). back in a prayerful and financial way the work of the Church Allied League, whose business it is to champion the cause of the church against the sale of alcoholic beverages; (3) seek ever to lead church members to a dedication to total abstinence; (4). refuse to patronize wherever possible business places which sell alcholic beverages in any form; and (5). pray and counsel with people who drink, seeking to lead them to a saving knowledge of the Lord Jesus Christ, Who alone can break the fetters of sin and set them free.

Your committee feels that we can do something about these and other social problems if we have a desire to do so with God's help. To say that nothing can be done about racial tension, the drink problem, and the gambling menace, etc., is to say that sin is stronger than our God. We know that this is not true. Why not, then, every one of us rededicate ourselves afresh and anew to the truth of God, permitting the Holy Spirit to work through us, that men might be redeemed from sin's penalty and power, and thus be at peace with themselves, others, and God!

Respectfully submitted,
K. Alvin Pitt, *Chairman*

Report On North Carolina Baptist Homes for the Aging

Our Baptist Homes for the Aging are in their sixth, and greatest, year of operation.

Construction of the Administration and Dormitory Building began in February. It should be completed by the end of the year, and ready for occupancy by February 1, 1957.

North Carolina Baptists have good reason to be proud of this new building, which, when completed and equipped, will add one-half million dollars to the total value of the Homes. What is more encouraging, there is reason to believe that the total cost of the new building will be paid for by the time it is occupied, if our people of 3,200 Baptist churches will respond with a generous Special Day offering on the third Sunday of February, 1957.

The added facilities of the new building will make it possible to care for 100 residents—20 at Resthaven, 36 at Albemarle Home, and 44 in the new building. Of this number, less than 10 will be part-time helpers. Moreover, a greater ministry to our aging residents will be possible because of the extra facilities in the new building. Among these will be ample space for craft shop, sun parlors, library, infirmary, and other additional features. In fact, the new building was planned and is being constructed to provide a well rounded program with the most up-to-date facilities.

The Special Day offering this year, to date, is $88,400.03, including personal and corporation gifts. This amount will be increased by churches late in reporting their gifts. It is encouraging to know that the number of churches

responding increases each year. It is noted that the Atlantic Association (churches) as of September 15 had donated $894.48 to the Homes, this being $140 short of the 1955 donations.

Rest Haven and the Albemarle Home have been filled to capacity. When a vacancy occurs, which is rare, there is always a waiting list.

Effort was made in Winston-Salem during June and July to raise $100,000 for the new building. In addition to the money raised, the response on the part of a large number of splendid business men to help with the campaign was most inspiring. The aroused interest in the program of the Homes will bring increasing results for years to come.

There has been a larger number of building memorial gifts. They ranged from $300 to $3,000—$300 to furnish, $1,000 to endow, and $3,000 to pay cost of constructing a room.

The trustee, Mr. Don G. Matthews of Hamilton, gave, in addition to $3,000 to construct a room in the new building, $1,378 to pay cost of excavating a lake on the grounds of the new building.

Your Homes are putting forth their best efforts to render a ministry of security, comfort, congeniality, and Christian love to our residents.

North Carolina Baptists should keep in mind that their special offering and the share of the Nine Year Program received by the Homes help to make this ministry possible to all who come to the Homes, and, especially, to a large number who could not come but for such help.

There are some rooms left to be memorialized. Also, a limited number of cottages may be built on the Parw Road site.

The Psalmist in (Psalm 71:9) "Cast me not off in the time of old age; forsake me not when my strength faileth".

Executive Committee Report

The Executive Committee held four meetings plus two meetings of the General Executive Committee during the year. The matters attended to by the Committee were: the organization as set forth in the constitution of the Association, review of requests for aid on pastor's salary by four churches, reviewing plans as set forth by the Missionary with regards to the Schools of Missions.

Matters that have come before us but will be presented in other reports are, changes in the constitution, and matters pertaining to the New Bern hospital and our Baptist work.

Two churches are under the watchcare of the Association, and we recommend that they be received into the full-fellowship of our group. They are the Midville Church of Jacksonville and the Temple Church of New Bern. There are two other churches that have applied for membership, and we would move their being received. They are Bethel Chapel of near Jacksonville and the Parkview Church of Morehead City.

Respectfully submitted,

Music Report

This report is for the purpose of familiarizing the people of the Atlantic Association with the program outlined for the associations by our State Music Department.

The Music Department was officially organized April 1 of this year with Rev. Joseph Stroud as State Music Secretary. The Music Department will work through the Associational officers just as the Sunday School and Training Union depend on the associations to promote the work in the respective departments.

At an Associational planning meeting in Greenville, October 25, we received an outline of the work proposed for the associations for the coming year. This is a brief outline of the work:

PROJECT NO. I. A Music Committee in each association, composed of the following: Associational Music Director, a Pastor-adviser, the Associational Missionary and Moderator, a Chairman of Graded Choirs, a Chairman of Instrumental Activities, a Chairman of Training, a Chairman of Publicity and Promotion, and a Chairman of Congregational Activities.

PROJECT No. II. An Associational School of Music—This school will have class work similar to the Study Courses for the Sunday School and Training Union. The award system will be on a similar basis. All people fifteen years-up will be eligible for credit. There will be a choir rehearsal each night, with a final program the last night.

PROJECT No. III. The Choir Festival. This will be similar to the Hymn Festival, previously sponsored by the Training Union, with the exception that anthems will be used as well as hymns. You will hear more about this around the first of the year.

PROJECT No. IV. Statewide Music Conferences—This year, there will be Music Conferences at each of our State Assemblies. During the past years, we have only had one at Caswell. These conferences are informative, educational, and inspirational. I would urge you to begin thinking of these now and plan to send your directors, choir members, accompanists, and music committee members this coming year.

I submit this report to you hoping you will, in accepting it, pledge your full support in the advancement of our new department, organized for the purpose of helping every church have the kind of music that will truly "let the people praise Thee, O God; let all the people praise Thee".

Respectfully,

Miss Ellen Sprinkle

Report On Christian Education

In general, the Baptist program of Christian education includes the teaching ministry of the Christian home, the local church with its varied programs, the Baptist schools and colleges supported by the Conventions within the various states, and our Southwide seminaries.

Among the major developments of the 1955-56 academic year for Southern Baptist educational institutions are: increased enrollments in the colleges, growing financial support, accelerated building construction, increasing attention to the question of admission of Negroes, encouragment resulting from annoucement of the Ford Foundation grants, and a pressing shortage of qualified faculty replacements and additions.

For the purpose of our immediate consideration, it should be noted that the impact of the present tidal wave of youth is resulting in ever-growing needs for expansion in all areas of Christian education. The presence of these children in greater numbers in our homes constitutes a new opportunity and a challenge for Christian parents. It is not surprising that practically all our local Baptist churches are expanding their teaching facilities to meet these growing demands upon them. Southern Baptists are now anticipating the expansion of seminary facilities to provide for one or more additional seminaries for the training of the 5,885 students enrolled during the past year as well as the thousands of others seeking admission. In our Baptist colleges in the Southern Baptist Convention territory there were enrolled more than 55,000 young people during the last college year.

Here in North Carolina in our seven Baptist colleges—namely, Wake Forest, Meredith, Mars Hill, Garner-Webb, Campbell, Wingate and Chowan—we had a total enrollment of 5,921 students, and already more than this number have been accepted for the coming college year. Recognizing the ever-growing need for additional schools and colleges for the training of Baptist youth, our leaders in eastern North Carolina are

expressing deep concern for a more effective Baptist witness through the establishment of one or more new colleges.

Each of the seven colleges now in operation is engaged in expanding its plant facilities in both housing and class rooms to meet the ever-growing needs. Great foundations and corporations are manifesting unusual interest not only in these Baptist colleges but in all other church-related colleges in the land. Our North Carolina Baptist colleges are not being overlooked because of their own efforts and the efforts of our Baptist State Convention to provide and support better colleges.

North Carolina is second only to Texas in the number of students enrolled in her Baptist colleges. It is reliably predicted that within a brief period of twelve to fifteen years the present college population of 50,000 in North Carolina will be doubled, which means that instead of 18,000 Baptist young people in college in our state, as at present, we shall have 35-to 40,000. It would be absurd to expect our people through their churches to support a program adequate to meet the needs of such a host of Baptist youth, but at least our Baptist people must not be willing to slacken their efforts to keep step with other Protestant denominations in providing a well-trained Christian leadership for the world.

Of the 750 students enrolled as ministerial and mission volunteers in our North Carolina Baptist colleges, 450 are training for the ministry. In addition to this 12% of the student enrollment there are hundreds of others training to become ministers of music, directors of religious education and church secretaries. It is likely that at least 20% of the students enrolled in our seven Baptist colleges are preparing themselves for some full-time church vocation. In addition, a majority of the young women graduating from Meredith College are prepared to become teachers in the public schools of North Carolina, and a large number of the graduates of Wake Forest enter the teaching profesion. When we add to this number those are being trained in such professions as medicine, law and business, we realize that graduates of our Baptist colleges are carrying the Christian witness of our denomination not only through our churches but through the many chanels of our modern society.

Every effort is being made to operate good, accredited colleges at the lowest possible cost, that the door of educational opportunity may remain open for all our young people. It is not likely that the support from our churches through the Cooperative Program will ever be equal to that which the state provides for its educational institutions, but whatever support we have from the churches will be supplemented from every other resource possible, to the end that the charges to the students may be kept at a minimum.

It is timely always to remind our Baptist people that these colleges are supported and operated primarily for the training of Baptist young people, and that we can best express our interest in them, first, by encouraging the young people in our churches graduating for high school to enroll in one of these seven Baptist colleges and, in the second place, by continuing to provide financial support through our present Nine-year Program of Advance.

Memorials

Once again we come to the hour when we pause to pay respect to our brothers and sisters who have been transplanted from their frail, and often suffering bodies of flesh, to a home not made with human hands and where there is no more sorrow or suffering.

While these loved ones were very dear to us as they walked and served among us, we rejoice that we do not sorrow as those who have no hope. Although we no longer see them in the flesh, we are ever conscious that they not only live on among us as the influence of their lives shine brightly from many faces, but we have the assurance that their spheres of service have been multiplied many times "Over There". "In the Morning" we shall see them again when we, too, add our voices to the refrain of the redeemed throng of the blest.

Report On State Missions

STATE MISSIONS is the missionary effort on the part of North Carolina Baptists to reach the unsaved for Christ and teach, enlist, and train the saved in giving, living, and serving through the churches and throughout the world.

(1) There are 4,300,000 people in the State. About 2,000,000 of these above the age of eight years are affiliated with some kind of church. 1,900,000 of these above the age of eight years are unchurched. If 25% of the affiliated church members are unsaved, then 62½% of the peoule of North Carolina above the age of eight years are lost. North Carolina, therefore, is far from being half Christian.

(2) We have over 800,000 Baptist church members in North Carolina. Perhaps 40% of these are enlisted and are being taught and trained in Christian giving, living, and serving. This means that 60% of our church constituency is not dedicated in the Christian profession. In this undeveloped area, the churches have their primary challenge.

(3) The above interpretation of the purpose and challenge of State Missions demand a varied program of mission activity.

A. *Our people need to be taught and trained.* Therefore, four of the most significant phases of our State Missions work are promoted through the Sunday School, Training Union, Rural Church and Music Departments. Already over 2,000 Vacation Bible Schools have been reported for 1956—giving $42,000 to World Missions. The goal of $2800 will be reached. Over 7,360 of our Baptist people attended Training Union Weeks at Caswell, Fruitland and Ridgecrest this summer. Perhaps this is a record for any state. Many rural churches have been enlisted in our Baptist program of Stewardship and organizational life. Many quarter and half-time churches have been led to activate full-time programs of service. Over 1200 leaders in the fields of Music and Sunday School attended the assemblies this summer. The programs were promoted and directed by the leadership of these two departments.

B. *Over 60% of the people* in North Carolina are lost—and need a Savior. State Missions provides a Department of Evangelism that seeks to inspire pastors and churches to evangelize their communities; also to plan for and promote united evangelistic efforts on a State and Associational-wide scale. Since the organization of this Department, Baptisms have averaged 8,000 a year more. North Carolina Baptist churches, last year, baptized more people than any other state except Texas.

C. *A growing population demands new and stronger churches.* State Missions provides a necessary and significant ministry through aid on some church buildings and purchase of sites for new churches and some one hundred or more salaries for pastors. These supports enable new churches to move forward in a building program and other churches to strengthen their programs and enable the pastors to give more of their time in developing stewardship churches. During the past year, approximately $150,000 was invested in this work. Six out of every ten Baptist churches in North Carolina have been assisted in one or more ways through this ministry.

D. *A more highly developed and intelligent congregation demands a better trained pastor.* Pastors' Schools are promoted through State Missions to meet this growing demand. Last year about 160 pastors received better training at Fruitland and about 35 at Caswell. Refresher courses are offered from time to time at Mars Hill for the benefit of all pastors and their wives—trained or untrained. This summer we reached approximately 400 during the week of Christian Study and Fellowship.

E. *The colored races in our midst* constitute a large percentage of our population. State Missions seeks to minister in a limited degree to the Negroes and Indians. We should do more—not because the Catholics are winning them, but because we should. Ours is the major denomination in North Carolina and, therefore, they are largely our responsibility.

F. Other areas of need constantly challenge the resources of State Missions, namely:

(a) *The Allied Church League.* This organization is doing a tremendous job in helping to produce a sober and sane citizenship in North Carolina.

(b) *The Silent People.* Three thousand of them beckon for our care, love, and concern.

(c) *The Assemblies—Fruitland and Caswell.* Our people greatly need the fellowship, inspiration and training they offer. Perhaps 12,000 attended these assemblies this summer. The organizations of the Women's Missionary Union had 2,150 women and young people to attend State and Associational W.M.U. Camps this summer. They serve all phases of our Baptist work.

(d) *Other Ministries* : Summer Student Work—Student Aid—Ministry Through Service Institutions—Baptist History—and Separation of Church and State.

G. *The Department of Church Planning.* This department serves many churches through counsel and guidance in planning for beautiful and adequate churches and educational buildings.

H. *Brotherhood and Royal Ambassador Work* will become departments of State Missions in 1957. Here will be an unlimited ministry through men and boys.

I. *Our Church and Denominational leaders of tomorrow need to be taught and trained in cooperation and loyalty now.* State Missions promotes a Baptist Student program among 20,000 sons and daughters from our Baptist homes who are attending the many colleges or universities, business and medical schools of our State. These young men and women constitute a great potential leadership for all areas of tomorrow's world. The churches will need the strength and service of *that leadership.* Baptist Student Centers near the campuses of our State colleges and other schools are a must. This year the Convention purchased a beautiful site for a student center at the University of North Carolina where we have 1,700 Baptist students.

J. *What are the Sources of Support whereby State Missions can function effectively and fruitfully in all these phases of work?* Here they are:

(1)	Cooperative Program (If goals are met)	$270,000
(2)	Sunday School Board	21,000
(3)	Home Mission Board	4,000
(4)	W. M. U. Week of Prayer (goal)	75,000
(5)	Miscellaneous Income	7,000
		377,000
(6)	Offering through the Sunday Schools and churches October 28, 1956 (goal)	123,000
		$500,000

The Total State Missions budget needs are $500,000. The goal for State Missions Day on October 28 was $123,000. Remember, this day for Missionary Baptist churches in North Carolina is the oldest of our Mission emphases. It has constantly undergirded our total World Missions program. If this goal is reached by our people, your 24 ministries of State Missions will have their 1956 needs met and the long standing overdraft on State Missions could be met in December and we could begin the year 1957 with a clean slate.

K. Therefore, will you as an individual and your Sunday School and church do your part so that the first part of *The Great Commission* might be obeyed—and that these rich ministries might be continued to the extent that next year North Carolina and the world might have many more Christians and be more Christian.

Home Missions Report

In 1954 the Home Mission Board closed a special Five-Year Crusade in Home Missions. So amazing were the results that it became evident that more definite goals were needed for the years ahead. The four-year Conquest for Christ was planned to begin in 1955 and to be concluded in 1958. The emphases for the four-year Conquest for Christ are as follows: 1955, Evangelism and Conservation; 1956, Church Extension and Revitalization; 1957, Reaching the minority groups, and underprivileged; 1958, Promotion of rural work, city missions, and missionary education.

To promote the 1956 emphasis, the Southern Baptist Convention authorized the Home Mission Board to borrow $3,000,000 for church loans. This fund has been set up by the Board and loans are available to churches not more than seven years old.

The past year closed a special emphasis for the Four-Year Conquest for Christ. The workers for the Home Mission Board have increased from 954 regular and 370 student missionaries, to 1105 regular and 388 student missionaries.

Some of the results as reported by missionaries of the Board are as follows: 52,724 professions of faith; 478 new churches constituted; 725 missions started; 54,831 added to churches. During last year Southern Baptists have baptized an average of 1142 persons per day; have added 1485 per day by letter; have given approximately $6,500,000 per week for the Lord's work; and have constituted an average of nine new churches per week.

1956 has been a year of unprecedented growth and achievement. The Home Mission Board cooperated with State Mission Boards in emphasizing church extension. Through the concerted efforts of all concerned it is the hope that by the close of of 1956 that a minimum of 666 inactive churches could be revitalized and that 2,000 new churches could be constituted during the year.

The Home Mission Board works toward evangelizing all foreign language groups within our convention territory which consists of 37 nationalities; such as 2,000,000 Spanish speaking people; 700,000 French, etc. The Board also works in Cuba, Panama Canal Zone, and Alaska. In all of its territory there are 109 million people, 54 million of whom are unchurched. In Cuba and the Canal Zone there is one missionary for every 45,000 people and one church for every 75,000 people.

Statistics reveal that "the cities of Florida, the west coast, and the Great Lakes area are increasing in population at the rate of 14,000 per day, which is enough to require at least 3 new Baptist churches every day in these areas alone to take care of Baptist possibilities." The churches from which the moving multitudes are going are being replenished by new converts and new residents in the old communities. In new areas there is great demand for new churches. There should be a church in reach of every individual in our territory.

We do not need to ask where to start; We have already begun. Southern Baptists have never known such progress in the building of new churches, in the establishing of mission stations, and in the promotion of new churches as today's record shows. The momentum needs to be stepped up. The Lord has revealed to us His plan. Will we be faithful in carrying it out? If so, now is the time.

C. M. Hicks

Foreign Mission Report

"What happens to missions around the world depends directly upon what happens to missions in the local church," Elmer S. West, Jr., secretary for Missionary Personnel, told the Foreign Mission Board at its April meeting. "When concern for missions is cultivated, information is shared, prayers are offered up to God . . . lives will be dedicated, money laid on the altar and, as a direct result, in some far-away place the gospel will be heard and another life will find Christ. Missions is every Christian's business."

It is estimated that it will take 125 missionary appointments each year for eight more years to reach the advanced program goal of 1750 missionaries. The Board has 1058 active Missionaries as of June 1, 1956.

Our greatest need is still personnel. There is a need for missionary preachers, nurses, doctors, technicians, and teachers.

The total income of the Foreign Mission Board during 1955 was $11,287,-775. 72. Of that , $5,311,630.83 came from the Cooperative Program. Receipts from the Lottie Moon Offering, May 1, 1955, to May 1, 1956, totaled $4,628,691.03.

Report of the Place and Preacher Committee

The Committee notes that the Constitution makes no mention of the custom which now prevails of meeting for two days, or of having two annual sermons, one sermon each day, or of having only day sessions, or holding the sessions each year in two different churches. On the supposition, however, that these customs are the desire of the churches an messengers and that this pattern will be followed in the 1957 seventy-fourth annual meeting of the Association, your committee on "Place and Preacher" recommends for your consideration:

That the next annual meeting be held on Thursday and Friday before the first Lord's Day in November: Thursday, October 31st, and Friday, November 1st, 1957;

That the first day's session (Thursday) be held with the First Baptist Church in Swansboro;

That the second day's session (Friday) be held with the Grant's Creek Baptist Church, Route 1, from Maysville;

That the Doctrinal Sermon, to be preached the first day, be preached by Brother Daniel Jolly, pastor of the Newport Church; alternate, Brother John Privott, pastor of the Atlantic Church;

That the Missionary Sermon, to be preached the second day, be preached by Brother Laurie J. Atkinson, pastor of the Swansboro Church; alternate Brother J. M. Flowers, pastor of the First Church of Havelock.

Carlton P. Rose, J. C. Ridoutt, Wistar Hamilton, *Chairman*

Resolution Committee Report

Whereas, The Atlantic Baptist Association in its seventy-third session wishes to express the appreciation of its messengers, churches and visitors to the Atlantic Baptist Church and the Richlands Baptist Church for their cordial hospitality in entertaining the Association during these two days of its meeting.

Whereas, The Association recognizes the faithful year of work by its Moderator, Clerk and Treasurer, together with the several committees which have met throughout the year, traveling at their expense to attend to the business with which we had entrusted them.

Be it Resolved:

1. That we pause to thank God for the capable and wise leadership of our Associational Missionary, Reverend Guthrie Colvard.

2. That we give expression of appreciation to our Moderator, Clerk, Treasurer, and Director of Music for their efficient service.

Be It Further Resolved:

1. That we express our gratitude to God for the faithfulness, interest, sympathy, cooperation, loyalty, dedication, wise and faithful leadership of Reverend H. B. Hines as a pastor in our association for the past 18 years with the Vandemere and Bayboro Baptist Churches. We recognize that his

retirement on December 31, 1956 comes as an appropriate climax to these years of labor for the Master.

2. That we further resolve to assert our loyalty to the program of our Christ in the year ahead and wisely pray for the leadership of God's spirit.

Respectfully submitted,

Report On the Cooperative Program

Few people—good Baptist people—seem to realize what is done through the Cooperative Program. To begin with, every individual Baptist who gives through the Cooperative Program or the Cooperative Plan, shares in everything that Baptists are doing at home and abroad. I like to think of Baptists thus sharing as partners with God in the great world-wide undertaking—the redemption of man. Those who give through this Plan share in the support of more than 1000 missionaries in Foreign Fields, over 1,000 missionaries in the Home Fields and some 100 missionaries in the various parts of North Carolina through state missions. Those who give through this plan are sharing in the purchasing of lots for new churches, in all departments of the State Mission program with its twenty-three activities, helping to provide an education for thousands of young men and young women in our seven colleges, the thousands of students in our seminaries. Those who give also share in the ministry of our Baptist Hospitals, our Children's Home, caring for over 700 children at Mills Home and at Kennedy Home and caring for those who have come to the Homes for the Aging.

In the 9 months of this year, in our own Atlantic Association, these figures present to us a picture of how we are sharing with God in our missionary endeavors. As you visualize this picture, ask yourself the question, "Are we doing all we could be doing, or are we getting careless?"

Undesignated Cooperative Program gifts	$29,853.33
Designations to Raleigh	11,666.54
Designations sent direct to agency	6,130.06
Total for 9 months (January-September) 1956	$47,649.93

It is not only our privilege to share through the Cooperative Program, but it is also our responsibility; for we are debtors to God and to lost souls everywhere.

Respectfully submitted,

Alexander Pasetti

GUTHRIE COLVARD

The record of four years of growth of the Atlantic Baptist Association, as shown by the annual minutes, only partially tells the story of the splendid work done by Guthrie Colvard and his talented family as they lived and worked in our Association.

As Associational Missionary, Brother Colvard was indeed "The Man On The Go", responding to every call and opportunity to further the Kingdom of our Lord and Christ as preacher, teacher, organizer, leader of evangelistic crusades, study courses, Sunday School enlargement campaigns and many other activities. The Spiritual needs of the neglected sections of our Association received his most careful and prayerful consideration as he gave the best he had in helping to establish Sunday Schools, Training Unions, Missionary Societies and Churches. He was always alert in helping to secure good pastors and often supplied the pulpits when pastors were absent.

The 1957 minutes of our Association are dedicated jointly to him and J. T. Pearson.

J. T. PEARSON

Words are inadequate to fully express the deep emotion and passion of mind and soul that J. T. Pearson has put into the Baptist Hospital Campaign as he has sacrificed personal gain, personal pleasure and even comforts of home life for many months. He has truly given his best to the Cause of a Baptist Hospital in our Association.

As the movement grows and materializes into reality, all Eastern North Carolina must arise to pay tribute to one who, amid many discouragements, trials and personal sacrifices, would not give up. Many have lent helping hands but to Joe Pearson belongs the honor of steering the campaign through stormy skies and shallow waters when the Cause seemed almost hopeless.

The Atlantic Baptist Association dedicates the 1957 Minutes to the honor of J. T. Pearson and Guthrie Colvard.

RECORD OF PROCEEDINGS
SPECIAL SESSION OF THE
ATLANTIC BAPTIST ASSOCIATION

HELD WITH

First Baptist Church, New Bern, N. C.

Monday, July 8, 1957

The Association was called to order at 10 AM EST by The Moderator, Dr. John H. Bunn. Reverend Guthrie Colvard, Associational Missionary, led in the singing of "All Hail The Power of Jesus Name" and "The Church's One Foundation". Reverend D. E. Hill led in Scripture reading and Prayer. At beginning of meeting there were 141 messengers enrolled and 8 visitors present. A motion was made and seconded that 141 messengers enrolled and those who would enroll later would constitute the membership of the Association for business. Motion carried. Dr. Bunn, Moderator, made a statement that this called meeting was for the purpose of considering Hospital Committee report and other matters of business as time would permit. Reverend Colvard, Associational Missionary, recognized new pastors who have come into the Association since the last regular meeting in November. They are:

Robert N. Floyd, Sealevel Baptist Mission; John Nance, Bayboro-Vandemere; D. M. Clemmons, Richlands; Paul S. Odum, Piney Grove (Onslow); W. W. Rhymes, Smyrna-Harkers Island Mission; James C. Buchanan, Jr., Marshallberg (was not present).

Two deaths were reported: Mrs. Tamar Lewis, Marshallberg; Dr. G. E. Cooke, Morehead City, N. C.

Mr. J. T. Pearson, Chairman of Atlantic Baptist Association Hospital Committee, gave the following report:

At the annual meeting of the Atlantic Baptist Association meeting with the Atlantic Baptist Church of Atlantic, North Carolina on Nevember 1, 1956 a committee was appointed, with Mr. Joseph T. Pearson as chairman. This committee was to be known as the Atlantic Baptist Association Hospital Committee. The function of this committee was to be that of raising money to be presented to the North Carolina Baptist State Convenion, with the understanding that said convention construct a hospital in New Bern, North Carolina. To operate said hospital as the Eastern North Carolina Baptist Hospital. The sum of money that was to be raised was designated as $1,000,000.00, with $600,000.00 being the initial amount.

The Committee was to employ a man to lead in the fund raising program, and the Association was to be kept informed with regards to the progress of the work. The Committee has been at work, and Rivers Associates Inc. of New York City, with Mr. J. C. Rivers leading the work, has been employed to direct the fund raising campaign.

A few matters not covered by the action of the Association last November have come to the attention of the Committee, and the Atlanic Baptist Association has been called in Special Session to consider these important matters.

Associational Cabinet Report

The Associational Cabinet has held five meetings since the last regular meeting of the Association. The following was accomplished during these meetings. The Cabinet was organized into committees in accordance with the Constitution. The projected program for the Association was presented by the Associational Missionary and approved. Requests for aid on Pastor's salary by three Churches and two Missions were reviewed and approved. Application to State Mission Board for purchase of lot in Neuse Forest was approved. Lot has since been purchased and turned over to the Association. Revisions of the Constitution were discussed. Reports from Hospital Committee were heard. A plan for a "Church Builder's Foundation" was discussed. Cabinet recommends that plan be presented at fall meeting of Association. A music program for Association was presented by Mrs. Ellen Piner. Rev. Guthrie Colvard, Associational Missionary, presented his resignation in order to accept work as Director of Promotion for the Gaston Baptist Association. Missionary Planning Committee was instructed to proceed as quickly as possible in securing another Missionary. Committee was appointed to work up report and designate a person to present Hospital plan to State Baptist Convention. Rev. John W. Privott, Atlantic, to be recommended at fall meeting of Association to fill the unexpired term of Rev. W. T. Roberson on the General Board. This due to the fact that Rev. Roberson has moved from The Atlantic Association. Application from Aurora Baptist Church and South Creek Baptist Church requesting they be accepted into the Atlantic Baptist Association were received. These churches are withdrawing from the South Roanoke Baptist Association and requesting acceptance into the Atlantic due to geographical location. The applications were received less than thirty days from date of Associational meeting, therefore it is recommended these two Churches be received under the Watch Care of the Atlantic Baptist Association for one year and then into full Fellowship.

Respectfully Submitted,

Dr. John H. Bunn, *Moderator*
Carlton P. Rose, *Clerk*

Associational Missionary Report and Resignation

It was with a deep sense of the leadership of the Holy Spirit that I came to the Atlantic Baptist Association the early part of 1953, and I have been conscious of His leadership during these almost five years that it has been my privilege to work in the field of promotion as Missionary in the Atlantic.

Today I have the assurance that the same spirit that led me here is now leading me to accept the work as Director of Promotion for the Gaston Baptist Association of North Carolina. The Gaston has 67 churches with a combined membership of 27,788 and is in a growing industrial region where there is a great need of expanding the Baptist cause for our Lord Jesus Christ.

I am asking that you accept my resignation effective the 15th of October, with the provision that we move around the 10th to the 15th of the month.

I would like to give you a summary of the work that I have done that could be recorded during these years: Sermons preached 549, Personal conferences 1695, Group conferences 400, Study courses 42, Mission studies (three hours) 27, Visuals used 141, Conversions recorded 89, Church members received in

services conducted 131, Miles driven in the work 112,498, personal driving during this time 26,187, Total driving mileage 138,685.

Some growth in the Association is shown in the reports of 1952 and 1956,

Report On Evangelism

Brethren and sisters of the Atlantic Baptist Association, you elected me to serve as your Associational Chairman of Evangelism for this past year and again this year. When I was first asked to fill this office, I was absolutely ignorant of the duties involved. Nor did I know until I corresponded with Brother Julian Hopkins, our State Secretary of Evangelism. He informed me that the main burden of my responsibility is to lead the Association in planning for and projecting Simultaneous Crusades. At his suggestion I began to get plans underway whereby we might have a Crusade in the spring of 1958. Brothers John Bunn, Sr., Guthrie Colvard, and George McCotter met with me at my invitation to help formulate the initial plans. After a careful study of the Associational Calendar, we concluded that the best dates for the Crusade would be April 20-27. Then we turned our attention to the matter of the Steering Committee which is essential to any fruitful Simultaneous Campaign. We asked the following people to serve as chairman on this committee: Brother Marcus Edwards, New Bern, Publicity; Rev. Alec Thompson, New Bern, Radio and T.V.; Rev. L. J. Atkinson, Swansboro, Fellowship; Rev. Daniel Jolly, Newport, Extension; Rev. John Privott, Atlantic, Census; Brother Warren Beck, Morehead City, Rally; Brother John McDaniel, New Bern, Prayer; Mrs. Ellen Piner, Beaufort, Music; Rev. James Buchanan, Marshallberg, Visitation; Mrs. Ben Warren, Oriental, Attendance; and Brother B. J. May, Beaufort, Treasurer.

On December 2, 1957, Brother Hopkins is planning to meet with the Steering Committee, when they meet jointly with the Pastor's Conference in the First Baptist Church of New Bern. We are also hoping that Brother Horace Easom, our State Brotherhood Secretary, will be able to meet with us then to discuss bringing in during the Crusade some Brotherhood laymen from over the state who are interested in helping with the visitation. Should they come the only cost to the churches whom they help would be room and board. We would be asked not to consider a love offering for them.

In order that we might have advertisement on the Crusade that would be uniform throughout the Association, the Steering Committee will work that out for all the participating churches. That would call for each one to pay a proportionate amount to the Crusade Treasurer to help defray expenses. We do not feel that this should run much over, if any, what is usually spent for revival advertisement.

On the basis of this report, your Chairman of Evangelism is making the following recommendations: That the report as given be adopted and that the Chairman and Steering Committee be given a free hand in working out other details which might arise before the date of the Crusade.

Report of Historian

Soon after the beginning of the Associational year I wrote to each church in the Association requesting a short history of the church. The idea was to combine the individual church histories with a short history of the Association into a bound volume. Up to this time only eight churches have responded to this request. This number did not justify further action on the project.

If each church would furnish this information, it would be of considerable interest and value to many people in the Association. I would suggest that

the historian for the coming year follow up this project with an effort to enlist the cooperation of at least three-fourths of the churches, and then edit available information concerning the Association into manuscript form for further instruction at the next meeting of the Association.

Respectfully,
U. E. Swann, *Historian*

Music Report

The work of the music ministry in our Association is becoming more encouraging each day. The slate of officers for the Association has been selected and plans are being made for a rewarding year.

Only one church from our Association was represented at our Choir Festival in the Spring, and the same church was represented at our State Music Camp at the North Carolina Baptist Assembly at Southport.

We had a good response to our first Associational Music Conference that was held, October 15, at the Cherry Point Baptist Church. Approximately seventy-five were in attendance, representing ten of our churches.

Plans are now being made for a Christmas Carol Sing for the entire Association. This Carol Sing will be for all church members, as well as choir members.

The date, January 27-31, has been set for our Associational School of Music. We shall be assisted in that School by Mr. Joseph Stroud, our State Music Secretary. This school is for every pastor and church member.

Encourage all your people to attend these events. They are for your benefit, and we hope will be a blessing to each person attending.

Report On State Missions

I. STATE MISSIONS is the missionary effort on the part of North Carolina Baptists to reach the unsaved for Christ and teach, enlist, and train the saved in giving, living, and serving through the churches and throughout the world.

(1) There are 4,300,000 people in the State. About 2,000,000 of these above the age of eight years are affiliated with some kind of church. Of these 1,900,000 above the age of eight years are unchurched. If 25 per cent of the affiliated church members are unsaved, then 62½ per cent of the people of North Carolina above the age of eight years are lost. North Carolina, therefore, is far from being half Christian.

(2) We have over 830,000 Baptist church members in North Carolina. Perhaps 40 per cent of these are enlisted and are being taught and trained in Christian giving, living, and serving. This means that 60 per cent of our church constituency is not dedicated in the Christian profession. In this undeveloped area, the churches have their primary challenge.

(3) The above interpretation of the purpose and challenge of State Missions demands a varied program of mission activity.

A. *Our people need to be taught and trained.* Therefore, many of the significant phases of our State Missions' work are promoted through the Sunday School, Training Union, Brotherhood, Royal Ambassadors, Church Development, and Music Departments. Over 2,800 Vacation Bible Schools will be reported for 1957—giving $50,000 to World Missions. Over 7,000 of our Baptist people attended Training Union weeks at Caswell, Fruitland, and Ridgecrest this summer. Perhaps this is a record attendance. The R. A. camps were full. Many rural churches have been enlisted in our Baptist program of stewardship and organizational life. Many quarter and half-time churches have been led to activate full-time programs of service. Over 1300 leaders in the fields of Music and Sunday School attended the assemblies this summer. The programs were promoted and directed by the leadership of these two departments.

B. *Over 60 per cent of the people in North Carolina* are lost—and need a Savior. State Missions provides a Department of Evangelism that seeks to inspire pastors and churches to evangelize their communities; also to plan for and promote united evangelistic efforts on a state and associational-wide scale. Since the organization of this Department, baptisms have averaged

8,000 more a year. North Carolina Baptist churches, last year, baptized more people than any other state except Texas.

C. *A growing population demands new and stronger churches.* State Missions provides a necessary and significant ministry through aid on some church buildings and the purchase of sites for new churches and some one hundred or more salaries for pastors. These supports enable new churches to move forward in a building program and other churches to strengthen their progams and enable the pastors to give more of their time in developing stewardship churches. During the past year, approximately $150,000 was invested in this work. Six out of every ten Baptist churches in North Carolina have been assisted in one or more ways through this ministry.

D. *A more highly developed and intelligent congregation demands a better trained pastor.* Pastors' Schools are promoted through State Missions to meet this growing demand. Last year about 180 pastors received better training at Fruitland. Refresher courses were offered at Mars Hill and Wingate Colleges this summer for the benefit of all pastors and their wives—trained or untrained. This summer we reached approximately 500 during the Weeks of Christian Study and Fellowship.

E. *The colored races in our midst* constitute a large percentage of our population. State Missions seeks to minister through a new Department of Work with Negroes and Indians. We should do more—not because the Catholics are winning them, but because we should. Ours is the major denomination in North Carolina and, therefore, they are largely our responsibility. Our main emphasis is helping to train their leadership.

F. Other areas of need constantly challenge the resources of State Missions, namely:

(a) *The Allied Church League.* This organization is doing a tremendous job in helping to produce a sober and sane citizenship in North Carolina.

(b) *The Silent People.* Three thousand of them backon for our care, love, and concern.

(c) *The Camp and Assembly at Fruitland and Caswell.* Our people greatly need the fellowship, inspiration, and training they offer. Perhaps 12,000 attended these assemblies this summer. The organizations of the Woman's Missionary Union had over 2,000 women, men, and young people to attend state and associational W. M. U. camps and mission weeks this summer. They serve all phases of our Baptist work.

(d) Other ministries: Summer Student Work—Student Aid—Ministry Through Service Institutions—Baptist History—and Separation of Church and State.

G. *The Department of Church Planning.* This department serves many churches through counsel and guidance in planning for beautiful and adequate churches and educational buildings.

H. *Brotherhood and Royal Ambassador Work* are now departments of State Missions. Here we have an unlimited ministry through men and boys.

I. *Our church and denominational leaders of tomorrow need to be taught and trained in co-operation and loyalty now.* State Missions promotes a Baptist Student program among 20,000 sons and daughters from our Baptist homes who are attending the many colleges or universities, business and medical schools of our State. These young men and women constitute a great potential leadership for all areas of tomorrow's world. The churches will need the strength and service of *that leadership.* Baptist Student Centers near the campuses of our State colleges and other schools are a must. This year the Convention purchased a beautiful site for a student center at the University of North Carolina where we have 1,800 Baptist students.

J. *What are the sources of support whereby State Missions can function effectively and fruitfully in all these phases of work?* Here they are:

(1)	Cooperative Program (if goals are met)	$300,000 (hoped for)
(2)	Sunday School Board	29,000
(3)	Home Mission Board	29,000
(4)	Woman's Missionary Union Week of Prayer and Sunday School Offerings in the Churches (goal)	200,000
(5)	Miscellaneous Income	7,000
		$540,000

(6) If we meet the requests on church lots for 1957, the budget would require $560,000.

K. Therefore, will you as an individual and your Sunday School and church do your part so that the first part of *The Great Commission* might be obeyed—and that these rich ministries might be continued to the extent that next year North Carolina and the world might have many more Christians and be more Christian.

Report of Home Mission Board

We have within the bounds of the territory served by the Home Mission Board fourteen million people from forty-two language groups, 96% of whom are unevangelized. There are 15,000 communities without a Baptist church of any kind, and 24,000,000 people out of reach of any Baptist church which might serve them. It is said that there are a total of 60,000,000 non-church-connected people in our nation; that 70% of the industrial North and the ever-expanding West are not connected with any church. It is also said that in a twenty-block area of some of our large cities in the North and West that there are 10,000 unevangelized people. A survey in one county in the West revealed 42,000 boys and girls not in anyone's Sunday School.

That is not all of the picture. We live in a land where alcoholism is a major problem. It is today the nation's *number four* health problem, and every day we are voting in new peddling centers for the poison of human lives, and as we do it, many preachers and churches are saying nothing at all; rather, they are fiddling while Rome burns. During 1955 Americans consumed 2,167,000 gallons of beer, one-third of the world's total consumption. The FBI reports that 60% of all arrests for the first six months of 1956 were alcohol-related. There were 137,608 more alcoholic beverage outlets than the combined total of churches, synagogues and temples. In a recent survey among teen agers in ninety communities it was revealed that 56% of those who drank got their first drink at home. And the average American spends three times as much for alcoholic beverages as for religious causes.

How great are the spiritual needs of our people! We must ask the question: "How long, O Lord, how long before American will forsake her wicked ways and turn back to God?" Again we must ask: "How long, O Lord, how long will America stand if she does not turn back to God and that right soon?" Could it be that "Sputnik" is a reminder that there is real danger ahead and a reminder of the need of repentance and a seeking of the Lord? Could the threat of war be the foreboding of an evil day unless there is a sincere change in the hearts of our people? Or could it be that before an enemy can overcome us from without, we will have dissipated within our nation beyond the point of 'no return'?

Many of these questions we cannot answer, but this we can say: America had best make good use of her time not only to prepare for defense in case of an enemy attack, but also to clean up, straighten up, and get right with her God. It is only right, then, that one asks: What are you Southern Baptists doing to prepare America spiritually and morally in this crucial hour?"

Working along with the local churches, the associations, and the state conventions is the Home Mission Board, with its approximately 1200 missionaries. In 1956 these missionaries reported almost 40,000 professions of faith.

The Home Mission Board has set some goals for itself in order to make its work more effective. We briefly mention a few of these: *Evangelism*—the HMB will devote its resources to the promotion of the evangelistic crusade of 1959 and will seek to lead every church in the Convention in an evangelistic ministry; *Church Extension*—The workers of the HMB will co-operate in the promotion of the 30,000 Program, by which it is anticipated that the Convention will begin 30,000 new churches and mission stations by 1964; *Minority Groups*—the Board will seek to add annually 10% to the number of its missionary personnel serving the Language Groups, Indians, Negroes, Good Will Centers, Rescue Homes and Outposts; *City Missions*—the Board will seek to add six new cities annually to those participating in the City Mission Program, thus reaching a total of 90 by 1964; *Personnel and Financial Support*—it is anticipated that the Board will have a minimum of 2,000 missionaries in the field by 1964 and will be appointing 400 missionaries annually by that date.

There are five suggestions which we could make to this association in connection with this report:

(1) That we urge our people to subscribe to and read the Home Missions magazine.

(2) That we make use of the filmstrips and sound films plus the other materials provided by the HMB for missionary education.

(3) That every church in the association begin thinking in terms of a school of missions in the fall of 1959.

(4) That every church plan to study the series of books being prepared by the HMB for use next year. The title of this series is: "Christ, the Church, and Race."

(5) That we counsel with our young people about serving as missionaries in our homeland as they feel God's call to special service.

Foreign Mission Report

I am asked to make a report on Foreign Missions and I know of no Scripture more appropriate to use than the last words of our Saviour to His disciples, when He said: "Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost: Teaching them to observe all things whatsoever I have commanded you: and, lo, I am with you alway, even unto the end of the world."

By the term Foreign Missions is suggested the work of world-wide kingdom building and through this agency Southern Baptists are working in seventeen countries.

The enemies of Jesus gave Him a name, a disgraceful name, as they supposed, "Friend of Sinners". He did not reject the name, but gloried in it. We have been given a name, "Missionary Baptists." We have not rejected the name; shall we not keep on proving that we are well named and glorify the name by our liberality and zeal in making disciples of all nations?

109 years ago the Foreign Mission Board was organized. During these years, the Foreign Mission Board has seen troublous times. There were wars and rumors of wars in many parts of the world. In our fear and uncertainty we turn to our risen, enthroned Lord, who still lives and rules and guides in the affairs of men and nations. Chief among the more difficult problems, in our Foreign Mission Board, confronting us is our African Mission who are desperately in need of Missionary Recruits.

This year marks the one hundred and fiftieth anniversary of the arrival of Robert Morrison as the first Missionary in China. He labored long and hard before he won his first convert. From that small seed has grown a great harvest. In the intervening years thousands of missionaries have sown the Gospel of Christ widely in China. The result is that there are

hundreds of thousands of Christians there today. Persecution and oppression have only acted as a refining fire upon the faithful remnant. Communist authorities have found that Christianity cannot be eradicated by administrative orders. Bayonets can no more produce good morals in China then they can in the United States. The church cannot be destroyed by violence. The gates of hell do not prevail against it. We may be sure that Christ is building His church in China.

Shall we lengthen the cords or withdraw? Roman Catholics are on the march; some evidence of it may be observed in our own association; other evidence is seen in Japan, where Catholics have responded so quickly to the call for missionaries. Communism is on the march. The certainty of Communistic aggression is conspicuous. Materialism is growing, even in the ranks of church people. This is no time to retreat.

Let Southern Baptists become aroused to the world needs and to our responsibilities, and respond in the true attitude of Biblical Stewardship; and our Lord will give us great joy in the fruit of our labors.

Report of Hospital Committee

As of October 28, 1957 we have the amount of $225,594.02 pledged toward our goal of $600,000.00 for the construction of a Baptist Hospital to be located in New Bern, N. C.

There has been turned in a total of 2507 pledge cards of the 12,350 cards that were distributed. Of these cards turned in there are 1325 pledges, 652 non-pledges and 530 call-backs. Out of 20% of the pledge cards which have been turned in for all reasons, we have 37½% of the $600,000.00 we set out to raise.

It will definitely take much longer to reach our goal than we originally anticipated. However, we think you will agree that the percentage of pledge cards turned in as compared to the amount of money pledged will show that our undertaking is very possible and should give us reason for great optimism.

In order to determine the reason for the slowness of our money raising effort we had the campaign procedures as conducted by Rivers Associates of New York City, looked into by competent authority on Fund Raising procedure. We were advised that the methods of Rivers Associates Inc. were in line with the best known and used methods today.

After Rivers Associates departed on September 30, 1957, Mr. Oscar Gabbert was employed at a salary of $100.00 per week for a period of six weeks in order to continue the campaign. The $600.00 in salary is being paid by six business men of New Bern and is not being taken from any of the monies raised.

Mr. Gabbert has had wide experience in money raising campaigns and Chamber of Commerce work and we indeed feel fortunate in being able to secure his services at this time. He has made New Bern his home and is vitally interested in this campaign from a civic and area standpoint.

While we feel that our undertaking is very possible, it will definitely take a lot of dedicated effort and devotion to the task at hand in order to bring about a successful conclusion.

It is therefore recommended that:

Inasmuch as this task is our greatest undertaking and,

Inasmuch as the healing ministry is a definite part of the work entrusted to us by our Lord and,

Inasmuch as we have this opportunity to render such a great service to the people of this area now and for many generations to come and,

Inasmuch as the completion of this project could mean so much to the cause of our Christ in Eastern North Carolina, be it resolved that the Atlantic

Baptist Association and the churches that make up the association dedicate their effort to this most worthy task and make it our No. 1 project until success is assured.

A committee has been appointed by the Associational Cabinet to present our undertaking to the State Baptist Convention when it convenes on November 19, 1957. This was necessary in view of the fact that much planning must be done concerning our presentation.

It is recommended that there be a called meeting of the Associational Cabinet and Hospital Committee as soon as possible after the meeting of the State Convention in order to plan for the future course to be taken.

Report On the Cooperative Program

Many of the older members of our churches can remember when Baptist churches had no systematic plan for contributing to missionary objects. Representatives of mission boards, colleges, orphanages, seminaries and hospitals visited the churches and presented their cause and asked the people to contribute. We remember also, that the results were that some phases of our Lord's work was supported bountifully while others suffered tremendously for lack of funds to go upon which, of course, brought us face to face with great problems.

Baptists everywhere, seeing this terrible situation began praying about, studying and searching for a plan which would correct this unbalanced and unfair type of program.

In 1925, the Lord gave Southern Baptists a plan "The Cooperative Program" which has proven to be the LIFE LINE to all Baptist causes. It is through the Cooperative Program, that each of us can share in all phases of World Missions; which, as represented in our Baptist work, include everything we are commanded by our Lord to do. It distributes to each cause or agency according to its importance and its relative need. It gives every Baptist and every church an opportunity to have some part, each week, in the whole program of our Master. From a few thousand dollars in 1925 given through the Cooperative Program, the funds have grown each year until during the first nine months and nine days of this year there were 11 million dollars sent to the treasurer's office of the Southern Baptist Convention, in Nashville, for South-wide causes alone. saying nothing of the amounts sent by churches to the various State Boards.

Our Association gave through the Cooperative Program last year $41,617.06 and designated $41,010.79, making a total of $81,627.85. We have given this year through the Cooperative Program $42,820.70 and designated $46,430.46 making a total of $89,251.16, which is $7,623.41 more than we gave last year. We have given for all purposes $477,291.28. $388,040.12 of this, we used in our own churches, only $89,251.16 for missions. Truly this is out of line with our expression of a real heartfelt Christian love for a lost world.

This, of course, is not our best, and we will improve only as we open our eyes and see the millions of our brothers and sisters still groping in darkness becaue we have failed to send to them the Gospel of our Lord that they hear, and see the light of a new day.

Your committee recommends that each church make this a matter of sincere prayer.

Sunday School Report

Jesus established the Church. He commissioned it in Matthew 28:19-20 which in part says, Teach them to observe all things, whatsoever I have commanded. A properly functioning Sunday School guarantees that the Bible will be taught. Effective Bible study leads naturally to intensive effort toward reaching people, winning them to Christ and into Christian service.

This year, our Atlantic Baptist Association reports 45 Sunday Schools, 9141 Sunday School enrolment, an increase of 522 over last year. No Standard Sunday Schools, 406 baptisms, 40 Vacation Bible Schools and an active Sunday School organization.

The State Sunday School Department reports a total of 3266 Sunday Schools. The Sunday School enrolment at the close of 1956, was 736,635. There were 2,764 Vacation Bible Schools reported during 1956. Thirty-five thousand, nine hundred training awards were earned in 1,192 churches last year. The state goals for 1957-58 are as follows:

"Ye are witnesses"

People—An enrolment gain of 30,000

Children—3,000 Vacation Bible Schools

Training—50,000 awards in 1,400 churches

Enlargement—150 churches moving from class to department schools

Efficiency—75 Standard Sunday Schools and 10 Standard Associations

Missions—100 new Sunday Schools

JOHN W. PRIVOTT

Training Union Report

This has not been the year of growth that we had hoped for and as you look at the record as reported in minutes this should inspire us to get out and work harder. The time gets shorter every day that affords us the opportunity to witness and win lost souls for Christ. It is through the Training Union that we better prepare ourselves for this important task for Jesus. For myself it is inspiring to be in Training Union and hear the Doctrines of the Bible discussed along with ways of winning the lost to Christ.

This last year we had more study course awards than ever before in the Atlantic Association and more people attending the Summer assemblies than in previous years. This will help our churches much with better informed workers. Paul asked Timothy to bring along his books that he may study and keep himself informed. So ought we to avail ourselves of the information at our assemblies. This year for the first time we had a Group Training School with both Sunday School and Training Union courses offered. This was in the Jones-Onslow Group and enthusiastically received so that other group schools should be forthcoming.

Let me set forth some of the goals of our work for the next year. An increase of churches with Training Unions and the number of churches requesting awards for Study courses. There are some this year we feel which had courses that did not get awards because they did not request them. We should increase our enrollment in the Training Union and promote as well as increase our attendance at "M" night on Dec. 2nd. It is hoped that we can have a Youth Night in our Association this year and have at least 100 in attendance.

Looking forward to a year of advancement in the Lord's work through the Training Unions of our Churches.

HARRY W. CRUMP

Report of the Place and Preacher Committee

Your committee recommends that the first day's session be held at the Newport Baptist Church at Newport, North Carolina, October 30, 1958.

Report On The Biblical Recorder

"Baptists work together in a great spiritual democracy. But no democracy can live unless its people keep informed and inspired by the right kind of reading. Good reading brings knowledge, and knowledge brings understanding, and out of understanding comes the power to live wisely."

Southern Baptists have today, for every age, spiritual interest and need a system of Christian literature that is excelled by no other group. Our own *Biblical Recorder* is marked by this superior quality. However, the value of our state paper is limited in direct proportion to the number of readers. Realizing this, our *Biblical Recorder* has been placed within the reach (geographically and economically) of every Baptist home or mail-box.

The *Recorder* has three subscription plans: Single subscription is $2.50 a year. Club plan, with 4 or more subscriptions, $2.00 a year. The Every Family Plan, with one subscription to each resident family or home in the church, is only $1.50 a year.

In the Atlantic Association there are 1033 subscriptions within the Club and Every Family Plans, but there are only 10 churches that include the *Recorder* in the church budget. Of the 42 churches in the Association, 28 have the Church Club Plan. The total number of subscriptions in the whole Association is 1,178 excluding pastors, or about 13% of the total membership of the association, or about 22% of the resident membership.

Our earnest desire is that every pastor, associational worker, Sunday School superintendents, teachers and officers, W.M.U., Training Union and Brotherhood members and others do everything possible to promote our paper in our churches, and that we be in constant prayer for the faithful witness of our *Biblical Recorder*.

American Bible Society Report

Of all the principles which must guide the American Bible Society, none is more important than that the Scriptures must be in the living language of all the people around the world.

The Society believes that for a man to turn from his sin and to God's salvation, he must have the Bible, and that he must have it in his own tongue in order that he may understand its message and purpose.

During 1956 the American Bible Society—distributed at home and abroad 15,170,058 Scriptures, this circulation being in 193 languages and more than

60 countries; supplied over 13,000 Bibles and other Scriptures to Hungarian refugees that came to America; sent out to the blind 64,832 embossed volumes and talking book records.

Today the Bible is read by millions upon millions of people around the world and has now been translated into 1109 languages or dialects.

The Revised Standard Version of the Bible, our newest version has sold at the rate of one million copies a year since its publication in September 1952. Nineteen denominations, with a total church membership of 27,000,000 are using the revised text in all, or virtually all, of their educational literature

The educational material of 13 denominations has the Revised Standard Version in parallel column with the King James Version, or use it for some age groups. In addition, 10,000 copies of the Revised Standard Version have been installed in church lecterns, and the demand is still growing. For this work, much of the credit can be given to the American Bible Society. These achievements, by the American Bible Society, would never have been reached if it had not been part of the purpose of God. The Bible is His book for the world. The making of it, the translating of it, the spreading of it abroad before the eyes of men are part of His plan whereby men are being redeemed. The Bible is for man not by the will of man but by the will of God. And it is God who calls us to labor that they, with us, may be "made perfect".

It is very probable that each church in our Association contributed to the society last year. If we did let us continue to support this Christian cause; if we did not, let us begin now by sending some gift which will make possible more copies of the Bible being placed in the hands of the unsaved.

May God richly bless our efforts for greater circulation and wider use of His word.

Report To The Atlantic Association of The Baptist Children's Homes of North Carolina

One of the most touching incidents in the life of our Lord was when He took little children in His arms of love and protection and said, "Suffer the little children to come unto me and forbid them not, for of such is the Kingdom of Heaven."

Emulating the example of our Lord, North Carolina Baptists have extended arms of love and security to thousands of children in years past, and still deem this work to be one of the most important we have undertaken. However, like many other projects we have undertaken, we should face the fact that our arms of love and security are woefully shortened due to our failure to realize the extreme urgency of the task. Let us note some embarrassing truths:

FIRST: We were able to admit to our care only one-fifth of the children for whom application was made. There were a total of 813 applications. Of this number only 169 children could be admitted to SOME PHASE of our program. Certainly all the other 644 were in need, or their applications would not have been signed by our good Baptist Pastors.

SECOND: Last year we served only 751 children (and this was an increase of 15 over the year before). Of these, 126 were suppported in Foster Boarding Homes. Instead of serving 751 children, we should serve approximately double this number. Plans are on foot at the present time to expand the Foster Home Program as rapidly as funds and other facilities will permit in order to serve more needy children.

THIRD: We may be given the privilege of caring for fifteen or twenty children who are now in the Indian Orphanage at Pembroke. This Home is located in the Burnt Swamp Association. Since this association has not been able to adequately support this Home, considerable sentiment has developed among North Carolina Baptists to admit it as a part of our over all plan.

If this sentiment becomes a reality, it will entail an additional $50,000 cash outlay for facilities at Pembroke, and an additional operating budget of $20,000 per year.

HOW ARE WE TO FINANCE OUR HOMES?

Plan No. 1 is a combination of the once-a-month offering and the Cooperative Program. Through this, the Homes receive a fixed amount.

Plan number 2 is the Thanksgiving Offering. Every dollar received from this offering goes to the Children's Homes. This plan provides a quick and effective way to give the necessary dollars for the much needed expansion.

Let us, therefore, not be satisfied with simply "marking time", but in the urgency of our needs for our over all Missions and Benevolence causes, let us not forget the "little ones" who are now our responsibilities in our children's homes and in Foster Homes provided by North Carolina Baptists.

Brotherhood Report

In the past associational year we the men have enjoyed many rich experiences. Namely:

1. Meeting of the state Brotherhood in Winston-Salem which many of us attended.
2. Mass meeting of men and pastors at Swansboro at which time a challenge and great message was brought by Dr. Julian Hopkins, State Secretary of Evangelism.
3. Regional Brotherhood meeting at Rocky Mount with Dr. George W. Schroder the guest speaker.
4. Some of us had the privilege of attending the first national conference of Southern Baptist laymen in Oklahoma City.
5. We held our annual ladies night in New Bern with approximately three hundred in attendance, at which time the Brotherhood officers were elected to serve this coming year.
6. The greatest of all events of the year was the Royal Ambassadors becoming the sole responsibility of the Brotherhood. This is truly a challenge, to lead the boys of our churches.

We are truly looking forward to the greatest year ever experienced in our Association. Our goal for the year will be to have fifteen hundred men in Brotherhood work for our Master that we might dress and keep the gardens of our Master in the Atlantic Association.

> "And the Lord God took the man and put him in the Garden of Eden to dress and keep it." Genesis 2:15.

Woman's Missionary Union Report

"Laborers to-gether with God" is the watchword for Woman's Missionary Union, the women and young people of the Atlantic Association trying to labor for the on-going of Christ's kingdom here in the Association and to the ends of the earth.

The fundamentals of Mission Study, Prayer, Community Missions and Stewardship phepare Woman's Missionary Union for fuller service. Mission Study brings a more comprehensive picture of Foreign, Home and State missions, thus making us aware of the needs of the whole wide world. Prayer—individual, family and united, brings spiritual growth. Community Mis-

sions—teaches us to love our neighbor regardles sof color or creed, so giving to them the greatest possession in life, Jesus Christ. Stewardship—means giving of personality, time, talents and possessions. As we have worked month by month this year to incorporate these fundamentals in our organization, results can be seen.

Increased interest in Mission Study and reading of mission books. Planned Community Missions in many organizotions. Observance of special weeks of Prayer. Use of the prayer calendar. Larger Love Offerings. These show our concern for the lost. Thirty-nine churches now have a missionary society. Five of these are full graded.

Three societies made application for recognition for, "Aims of Advancement". Richlands—"Approved". Beaufort and Morehead City—"Advanced".

The annual meeting was held in the beautiful new Swansboro church with the largest registration we have ever had. The Missionary guest and speaker was Mrs. Gordon of the Philippines. Mrs. Wacaster, Field Representative from the State Office, was also present. The Society fostered: 24 Sunbeam Bands, 25 G.A.'s, and 13 Y.W.A.'s.

"Behold I have set before thee an Open Door". The women and young peple will endeavor to enter the door, to enlist all the churches to have at least one Missionary organization.

Social Service—Temperance

Southern Baptists have through the years preached with faithful devotion the gospel of personal regeneration, but we have not been so zealous for social justice. It is true that our concern for the welfare of the individual and of human society should never become a substitute for repentance and personal devotion to Christ. In the teaching of Jesus, we find that personal regeneration is the root from which social righteousness is the fruit. The one does not exist without the other. The One Who said: "Ye must be born again" (John 3:7) also said: "Let your light so shine before men, that they may see your good works, and glorify your Father which is in heaven." (Matthew 5:16). May we as born-again Children of God "let our lights shine" in all of life. In this report we will deal with four areas where our "lights should shine". These areas are: Crime, Beverage Alcohol, the Home, and Race Relations.

CRIME: 1956 was the worst year on record for crime. Crime in the United States has increased almost four times as fast as population since 1950. Last year (1956), for the first time, it passed the 2.5 million mark, according to Uniform Crime Reports for the United States, as released by the Federal Bureau of Investigation. The crime trend in the United States presents a dark picture. FBI Director J. Edgar Hoover said that a significant factor in this upsurge of crime is the fact that arrests of people under 18

increased 17.3 per cent. In 1956 almost 46 per cent of arrests for major crimes in urban areas were of individuals under 18 years of age. There was a major crime committed every 12.3 seconds. A total of 6.970 Americans were murdered. Direct property loss from robberies, burglaries, and theft totaled $440 million. Something must be done to stop this crime wave. We—schools, courts, homes, and churches—must all work together to meet the needs of the people around us.

BEVERAGE ALCOHOL: Beverage alcohol continues to be a burden to the community, a threat to the individual and a challenge to the Church. The brewers are spending millions of dollars each year to deceive the people into accepting and consuming their poisonous and ungodly products. Some brewers are advertising "teen-age" beer with low alcoholic content for our children. They make a carton of "Blue Ribbon" as handy as a carton of Coke at the local food store for the housewife. Thus, we cannot afford to be silent, indifferent or complacent about this matter.

One of the most widespread illnesses in the average American community is Alcoholism. In the State of North Carolina there are 60,000 Alcoholics. These need help. They need a power greater than themselves. They need divine love. The cost of alcohol is high—too high. In the past year we have gained some and lost a little in the warfare with Beverage Alcohol. We gained in (1) the "Legislative Liquor Scandal" and (2) in the request for a Congressional ban on liquor service aboard aircraft by a group of pilots and stewardesses, citing incidents in which at least 23 airlines in the last two years were seriously endangered by drunken passengers. We lose when Jones County (in this Association) voted for ABC stores on October 19, 1957. What should be our next move? We encourage each church to keep the people informed. We need an organized program of alcohol education. We urge each church to support the Allied Church League in its fight against the sale and use of beverage alcohol. We appeal to each Christian to let's coordinate our efforts in our conflict with this evil.

THE HOME: J. Edgar Hoover believes that one of the causes of juvenile crime is the broken home. Although the divorce rate has declined still too many homes wind up on the rocks of divorce. There was a time when our Children's Homes were for children with one or both parents dead, that is no longer true. Today many of the children in our Baptist Homes are from broken homes. We need to save these homes. They can be saved. The family period of worship is a good safeguard against divorce. Those who participate in family worship receive a spiritual cleansing, making each one more forgiving and tolerant. Worshiping together as a family will keep families together. We challenge our churches to build homes.

RACE RELATIONS: The problems we face in the racial controversy are many and difficult. There is no easy answer. Differences of opinion exist, to be sure, but this does not mean a Christian solution cannot be reached. With race riots in Chicago and Nashville, Little Rock and Levitttown, it is a known fact that the answer is not to be found in the court room or at the point of a gun. The answer to the race problem will be found in the hearts of changed people who look at their neighbor from their knees.

CONCLUSION: We recommend that as members of the churches of the Atlantic Association we continue to preach personal regeneration but that we also become zealous for social justice as we "let our lights shine" for the good of men and the glory of God.

Report N. C. Baptist Homes for Aging

This, the seventh year of operation of the Baptist Homes for the Aging, has been the greatest year of expansion, thanks to our Lord for His continued favor, and the North Carolina Baptists for their increased support.

The new Administration and Residential Building was opened June 13. All rooms are now occupied, except four in the infirmary, which are reserved for residents who will need them.

The new building increased facilities to 112 residents, counting residents at Resthaven and the Albemarle Home. It also added half a million dollars to the value of the assets of the Homes for the Aging.

Another forward step was taken in July when the General Board voted unanimously to accept the offer of Don G. Matthews, Sr., Hamilton, N. C., to give $50,000 and land on which to build a Home for the Aging in eastern Carolina. This fourth Home will probably add space for approximately forty additional residents, thus bringing the total capacity of all the Homes to 150 residents.

Two wills have been probated in Forsyth County in which the Homes were remembered with sizeable gifts when received. Word has come of other wills in which the Homes will share.

A total of about eighty-five thousand ($85,000) dollars has been received from the February Special Day Offering. This represents an average gift of ten (10¢) cents per Baptist—850,000 in number.

The challenge facing the Homes for the Aging at present is to finish paying for the new building, although the Baptist State Convention authorized that the Homes might borrow up to one hundred, seventy-five thousand ($175,000) dollars to finish paying for the construction and equipping the new building on Reynolds Park Road. Actually, it was not necessary to borrow but one hundred thousand ($100,000) dollars. Surely, with all North Carolina Baptists responding with a generous Special Day Offering on the third Sunday of February, 1958, and with continued gifts coming in from other sources as they have in the past, this balance of one hundred thousand ($100,000) dollars, should be paid within the year. Accordingly, if every pastor and superintendent of the Sunday School will urge the members of each church to respond to this worthy cause, the Baptist Homes for the Aging would be free of debt by the end of the year, 1958.

The residents, and all connected with the Homes for the Aging, are deeply grateful for the support received in the past, and join with the Baptists of our state in thanking God for His favor and blessings year by year.

The state of health of the residents has been remarkably good, considering their ages of 65 to 97 years.

Respectfully submitted,

Mrs. L. J. Norris

Report On Colleges and Seminaries

What may be the capacity attendance possible for the five seminaries has not yet been exactly stated. Last year the attendance totals were: Golden Gate, Berkeley, California 348; Southeastern, Wake Forest 681; New Orleans 910; Southern Seminary, Louisville 1323; and Southwestern 2411—a total of 5,673 men and women students in the seminaries. An additional 7,099 were enrolled in the Seminary Extension Department, a service planned and operated jointly by the five seminaries. A sixth seminary is soon to be located at Kansas City, Missouri. We of eastern North Carolina are appreciatively conscious of the Southeastern Seminary and already realizing the blessing of student pastors for an increasing number of churches.

In our seven North Carolina colleges "we face the question of how many students can be accepted." The report of last October was that 5,897 had enrolled, a gain of 15 per cent in the one year, and almost double the 8 per cent increase in the State-supported institutions.

There seems to be no lack of students who prefer to prepare themselves for their life's work under the kind of auspices we provide, even at somewhat greater expense because, of course, Baptist schools are provided by Baptist money and not by the forced support of tax money. The unanmious plea of all seven of our colleges is: give us more means with which to carry on the

increasing and glorious task of preparing the youth of today for the service of the Lord Jesus Christ tomorrow.

With every appeal, especially at the time of the annual Father's Day offering for Christian Education, come also the most emphatic pledges to a continuing educational program "in which Christ is the center." These schools remind us that if "we want hospitals, children's homes, new churches, and more mission fields we must have pastors and lay leaders who are trained for such service." This is the service our Baptist colleges are giving; they stand in "the gap between the youthful volunteer and the many fields of Christian service." Our own schools provided education opportunity last year for 26 per cent of the total of students in instiutions of higher learning in the whole state.

We have been in the business of training Christian leaders in North Carolina for 123 years. Through our schools we have the opportunity and the obligation to give part of ourselves into the Kingdom of God tomorrow. Our schools have the opportunity and the obligation to carry on this most Christian task at the highest possible level. Both obligations will continue to be met, without apology to anybody, on "a new plateau" of devotion to the one and only Lord. There is no other basis or justification for the peculiar brand of colleges which are supported by the gifts and prayers of a devoted people. There is no other basis which can unify our loyalty to the purpose of their existence.

WISTAR HAMILTON

Resolutions

We, your Committee on Resolutions, feel that it is the unanimous feeling of this Association that we should take this method of expressing our appreciation.

FIRST: To the two host churches for their wonderful hospitality. We have been comfortably housed and bountifully fed.

SECOND: To the retiring Moderator, who has not only conducted the Assembly of this body in a capable and fair manner, but also for his labors during the year between the Associations. These labors have taken much of his valuable time.

THIRD: To Dr. and Mrs. Thompson for their contribution to the Association in song and instrumental music.

FOURTH: To Brother Joe Pearson for his untiring and sacrificial labors for the Eastern Carolina Hospital project. We pledge to him our loyal and enthusiastic support until this project becomes a reality.

And to all others who have contributed both information and inspiration to make us feel God's presence and power with us for future work in His name. We are now more than determined to carry out The Great Commission to the best of our ability.

Respectfully submitted,

IN DEDICATION

The 1958 Minutes of the Atlantic Baptist Association are dedicated to Dr. John H. Bunn.

Dr. John H. Bunn served as pastor of the First Baptist Church of Morehead City from 1941 to 1958. Under his leadership, and blessed by the Holy Spirit, the church grew rapidly in membership, and gifts for all purposes increased proportionately.

Dr. Bunn served as Moderator of the Atlantic Baptist Association for two terms in 1956 and 1957. He was Clerk of the Association from 1941 through 1952. During this same period, he also served as Treasurer. He preached the Annual Sermon in 1944 and 1951. He was President of the Pastors Conference and served on various committees and in other places of responsibility during these years.

Dr. Bunn's father served the Lord as a minister, and his son, Dr. John T. Bunn is now serving as a pastor in North Carolina.

Dr. Bunn possesses a wonderful Christian spirit, and served his Lord and his denomination well during the seventeen years of labor in our midst. These minutes are dedicated, therefore, to Dr. John H. Bunn.

CONSTITUTION OF ATLANTIC BAPTIST ASSOCIATION

PREAMBLE

We the messengers of the Missionary Baptist Churches of the area known generally as the "Atlantic Baptist Association", do hereby propose to establish and maintain the order and rules of a district Association in conformity to the following Plan:

NAME

ARTICLE 1. This Association shall be called "The Atlantic Baptist Association."

MEMBERSHIP

ARTICLE 2. The Association shall be composed of all churches which are now members and any other Baptist Church which may thereafter be admitted as herein provided.

ARTICLE 3. Each church of the Association shall elect annually, or for any special sessions, messengers to the meeting of the Association. Such messengers must be duly certified in the church letter to the Association and appointed on the following ratio: Three messengers, in addition to the pastor, for each church not exceeding fifty members and one additional member for each increase of twenty-five or major fraction thereof; provided that no church shall have more than ten messengers. All ordained Baptist ministers who are members of churches composing this body, officers of the Association, the Associational Missionary and such messengers of the preceding session as were appointed to perform specific duties shall by virtue of their duties, be messengers of the session.

ARTICLE 4. Churches from another Association of Missionary Baptist Churches, or newly organized missionary Baptist churches may petition by letter for membership in this association. The letter of petition shall be submitted to the Missionary Planning Committee (see Article II, B) not later than fifteen days preceding the annual session. Upon recommendation of the Missionary Planning Committee, the church may be received by a two-thirds vote of the messengers present.

ARTICLE 5. Any church may be granted a letter of dismission to unite with another Association by presenting a written request of same at the annual meeting of the association. The Association may withdraw fellowship from any church which fails to cooperate over a period of time in fulfilling the purposes of the Association.

PURPOSE

ARTICLE 6. The prime purpose of the Association shall be to counsel together for the enlargement and strengthening of God's Kingdom and promoting unity and growth among the churches composing it, and by cooperating with the Baptist State Convention of North Carolina and the Southern Baptist Convention and their agencies in the work of Missions, Christian Education, and Social Service.

MEETINGS

ARTICLE 7. The annual session of the Association shall convene on Thursday before the first Lord's Day in November, subject to the change of the Executive Committee of the Association if conditions demand. The Executive Committee shall have the authority to call special sessions of the Association if needs may warrant.

OFFICERS

ARTICLE 8. The officers of the Association shall be a Moderator, a Vice-Moderator, a Clerk, and a Treasurer; all of whom shall be elected annually by the Association. They shall assume their duties at the close of the session at which they are elected and shall serve throughout the

ensuing year: closing with the adjournment of the next regular session. The elective term of the moderator shall be limited to two consecutive years.

Other officers to be elected are a Historian, Chairman Evangelism, Chairman Stewardship, Chairman Missions Committee, and Music Director, who shall be presented to the Association by the Nominating Committee. Their report shall not preclude nominations from the floor.

The Sunday School Superintendent, Training Union Director, and Brotherhood President shall be elected prior to the beginning of the Associational Year (October 1) by the Executive Committee.

The Associational Missionary is elected for an indefinite term, and the office will be filled by the Executive Committee upon recommendation of the Missionary Planning Committee.

ARTICLE 9. The duties of the officers of the Association.

A. It shall be the duty of the Moderator, in addition to presiding at the meeting of the Association, to be responsible for the appointment of a Committee on Enrollment; to fill by appointment all vacancies that occur between sessions on all committees and in all offices of the Association, unless otherwise stated in the constitution; to appoint any other committees he deems advisable and to exercise all the prerogatives of a presiding officer according to the principles of established parliamentary usage. THE ATLANTIC BAPTIST ASSOCIATION
held with
First Baptist Church, Havelock, N. C.
December 10, 1957

1. Moderator Rev. Alec F. Thompson called the Special Session of The Atlantic Baptist Association to order at 10 o'clock A. M. December 10, 1957.
2. Rev. J. M. Flowers led in singing "O Come Let Us Adore Him".
3. Rev. J. R. Owens led in devotional of Scripture reading and Prayer.
4. The Moderator called for the organization of the Special Session of The Atlantic Baptist Association. The Clerk made the following motion: that the presently enrolled messengers and those who may be entitled to register during this Special Session constitute the Association for the transaction of business for which this Special Session is called. The motion was seconded and passed by vote of the messengers assembled.
5. Rev. John W. Privott made an announcement to the effect that the Missionary Planning Committee is striving to secure an Associational Missionary.
6. Mr. J. T. Pearson, Chairman of Hospital Committee, presented the following report:

Report of Hospital Committee

I. **THE HOSPITAL CAMPAIGN THUS FAR.** The Campaign is pretty much at a standstill at this time except for an occasional pledge and the collecting of monies. There are at least two main reasons for the slowing down of the campaign. **First,** the slight business recession which began about the time our campaign was begun. Because of this, some people are waiting to see just what will happen to the campaign. **Second,** a spirit of apathy which has permitted many people to sit idly by and let somebody else do the work. We find that while many people are desirous of having a hospital, a great many of them are not willing to work for it. Even those who have done the best jobs admit that they have not done their best in it. While the above facts are true, it is also true that at the present approximately 42% of the goal of $600,000.00 has been pledged, and this from approximately 22-23% of the total number of cards given out at the beginning of the Campaign. (This 22-23% of the cards represents pledges, non-pledges, and call backs; hence, not all of the cards turned back have been good pledges.) This is enough within itself to encourage and convince us that the Campaign is altogether within the realm of possibility.

II. **THE PRESENTATION OF THE CAMPAIGN TO THE N. C. STATE BAPTIST CONVENTION.** It will be remembered that we began the Campaign to raise money for a hospital with the hope in mind that the State Convention would soon be willing to come in and take over the project, operating a Baptist Hospital here in Eastern North Carolina. To make the presentation of the matter to the Convention a special committee was appointed.

As this committee began thinking of how best to make the presentation to the Convention, it seemed best for the committee to contact the Committee of Twenty-Five concerning its plans. (It will be re-

membered that the Committee of Twenty-Five was appointed at the 1956 session of the Convention immediately after the matter of a Baptist Hospital in Eastern N. C. was presented. This committee was appointed to make a study over a two year period of (1) the present institutions—such as hospitals and children's homes, and (2) the need for new institutions. While our project was not the sole reason for this committee being appointed, it was certainly a contributing factor.)

As a result of our contact with the Committee of Twenty-Five, a sub-committee of the larger committee (the Social Service Committee) came to New Bern to hear our case in its entirety. This committee made no commitments to us, but did invite us to go before the Committee of Twenty-Five in Raleigh on Monday afternoon prior to the Convention.

The Committee of Twenty-Five heard our case in full. No commitment was made because this committee was scheduled to make only a progress report this year, taking another year to complete their study and then making a full report with recommendations next year. However, the Committee of Twenty-Five did instruct the Sub-Committee on Social Service to investigate our proposition and needs with the idea of making a report and recommendation before the meeting of the Convention in 1958. This at least assures us that some definite consideration is being given our project, and we can hope for a favorable action by the Committees and the Convention. It should be said that the committee from the Association did not go before the Convention itself, but only appeared before the above mentioned committees. It should also be said that the State Convention did not take any action on our project. Actually, the Convention was not asked to take any action; there was no vote "yes" or "no". No vote was asked for, and it should in no wise be said that the Convention ignored us or turned us down, because it isn't so. Rather, we learned that there is considerable sentiment for our project on the part of many in the Convention. Putting what we have heard together we are encouraged to recommend to you that we continue the Campaign for another year, and go back to the Convention next fall.

One prominent pastor in Eastern N. C. said that he felt that now we are in the most favorable position ever with our Campaign so far as the Convention is concerned. He also strongly urged that we continue with our efforts. (This pastor is a member of the Committee of Twenty-Five.)

Frankly speaking, it seems that no one within the framework of the Convention's official body is going to keep us from having a hospital here; rather, many of them think it would be fine. On the other hand, the Convention is not going to provide every necessity for it and build it. This seems to be the sum of it all—**if we want a hospital, we have got to raise the money and build it** . . . at least, the $600,000.-00 to start it.

III. **THE CAMPAIGN IN THE FUTURE.** The future of the Campaign is strictly up to us. It is for us Baptists to do it, or the project falls through. We cannot expect some other group in our area to come in and carry the ball for us. Today it is "do or die"! What shall we do?

There seems to be three alternatives before us: **First,** give up the idea and forget about the hospital business in Eastern North Carolina. If we do this, we must remember that there will be some un-wanted results, such as a greater apathy than ever on the part of Baptists in this section . . . and God knows that there is too much already. There will also be a back-setting of Baptist work for some years to come . . . we won't have the heart to try any other worthy task. Also, we will be given a black eye by the other peoples of the area in which we live, as well as by the State Convention. These are things we cannot afford!

Second, we can negotiate with some other group to take over the project and carry it on.

Third, we can carry the project on to completion ourselves, and we can do it! What will it require to do it? It is certain that **lip service** won't do it, for if it would, we would already have had more than enough pledged. We had just as well realize today that this project, to be successfully completed, is one which will require our doing rather than our talking . . . our sacrificing some of our money and pet ambitions in order to give something for this cause. Nothing less than the dedicated efforts of the entire Atlantic Baptist Association can do it. Therefore, bear in mind now that the decision is yours—to go on or to drop it. Do not vote to carry on this program unless you mean business . . . unless you are willing to get into the grind of a good, hard fight, and then be willing to stick by the stuff until it is completed.

If the Association sees fit to continue this Campaign, we recommend that we call a Missionary with the express purpose of helping promote the Hospital Campaign throughout the Association and the surrounding area. His work will really be one with a dual role, but his major emphasis will be on the hospital for some time to come.

IV. **KAFER HOSPITAL.** In July 1957, in the called session of the Association, we voted to take over Kafer Hospital, buying the equipment and stock, and operating it as a "Baptist Hospital". The agreed price for the equipment and stock was approximately $45,000.-00, and the rental price on the building was to be set from $1,000.00-$1,200.00 per month. This arrangement was set up with the thought in mind that the Campaign to raise the $600,000.00 would be successful. At this point we cannot say that the Campaign has been successful, with only about 42% of the goal being reached. Actually the cash on hand in the bank from the pledges is less than one-fourth the amount needed to purchase for cash the equipment and stock of Kafer Hospital.

Shall we proceed to take over Kafer Hospital as of January 1, 1958? That is our decision today, too. What shall it be? We pray that we may do what we should do.

V. **REFUNDING OF MONEY.** Since almost the beginning of the Campaign, the question has been bobbing up, "Will our money be refunded if the Campaign is a failure? Will I lose what I put into it?" It behooves us today to make some statement as to what we will do if this fails, if for no other reason than to kill the excuse that some people have worn out. But if we would commit ourselves by saying that we would repay all money paid in to the Campaign, it would establish our effort on firmer ground. Baptists have not yet defaulted on a debt they owed, and we will not go contrary to that in this project.

J. T. Pearson, Chairman

7. Motion made that Association re-affirm its decision to raise $600,000.-00 for the purpose of building a Baptist Hospital within the Atlantic Baptist Association. Motion was seconded. After considerable discussion the vote was called for. Motion carried.
8. Motion was made that the Moderator name five additional members to the Hospital Committee. The motion was seconded and passed by vote of the messengers.
9. The following additional members of the Hospital Committee were appointed by Moderator Rev. Alec F. Thompson:

Dr. A. E. Thompson, Maysville, Memorial_____Box 4007, Maysville
Mrs. C. H. Dixon, National Ave._____New Bern
H. M. Holly, Havelock, First_____Box 316, Havelock
Clayton Fulcher, Sr., Atlantic_____Atlantic
Rev. David Morris, Midville_____Box 138, Tarawa Terrace

10. Motion was made that Association re-consider action taken at Special Session of Association in July 1957 concerning Kafer Hospital. Motion was seconded. After a number of persons spoke concerning the motion the vote was taken. Motion carried.

11. Several statements were made against purchasing Kafer Hospital.

12. The possibility of purchasing the equipment from Kafer Hospital, if it were to close, and storing until needed in new hospital was raised at this point.

13. The idea of subsidizing Kafer Hospital was talked about somewhat.

14. C. D. Conner, M. D., a Methodist layman of Havelock, at the invitation of the Moderator, made some remarks in favor of a Baptist Hospital in New Bern. Dr. Conner stated his investigations had revealed that Kafer Hospital was going into the red about $5,000.00 per year. This would indicate what would be required in the way of a subsidy if this idea were pursued further.

15. Motion was made that the Hospital Committee meet with Mrs. Kafer and discuss the possibility of subsidizing the Hospital for one year. If in the discretion of the Committee we should not take over the Hospital that the Committee be instructed to notify Mrs. Kafer that the Association will not be able to assume operation January 1, 1958 as planned. If it is deemed wise to susidize Kafer Hospital not any of the money raised for the Campaign can be used for operation of Kafer. Motion was seconded. Considerable discussion ensued after which the motion was voted on. Motion carried.

16. Considerable discussion was had whether the Association should go on record guaranteeing refund of money to donors if Campaign were called off.

17. Motion was made that the Association guarantee re-fund of all money to the donors if for any reason the Hospital Campaign should be discontinued. Motion was seconded. A short discussion followed after which the vote was taken. Motion carried.

18. Motion was made that the Asosciation go on record charging the Missionary Planning Committee with the responsibility of securing an Associational Missionary who would be given the special task of promoting the Hospital Campaign. Motion was seconded. Vote was taken. Motion carried.

19. Motion was made that a person be appointed to give a report of this meeting to the various newspapers in the area. Motion seconded. Carried.

20. Motion was made that the Moderator be designated to give report of meeting to papers. Seconded. Carried.

21. Motion was made that meeting adjourn. Seconded.

22. Rev. J. M. Flowers led in singing "Faith Is The Victory".

23. Meeting adjourned with prayer by Dr. John H. Bunn at 12:30 o'clock P. M.

PROCEEDINGS
of
SPECIAL SESSION OF THE ATLANTIC BAPTIST ASSOCIATION
held with
First Baptist Church, Havelock, N. C.
December 30, 1957

1. Moderator, Reverend Alec F. Thompson called the Special Session of the Atlantic Baptist Association to order at 7:30 o'clock P. M., December 30, 1957.
2. Reverend J. M. Flowers, pastor of host church, led in the singing of "Faith of Our Fathers".
3. Reverend James Buchanan, Jr., brought a devotional of scripture reading from John 1:1-12 and prayer.
4. The Associational clerk made the following motion: that the presently enrolled messengers and those who may be entitled to register during this Special Session constitute the Association for the transaction of business for which the Special Session is called. Motion was seconded and passed by vote of messengers present.
5. Clerk called the church roll. For a list of churches present see list at end of proceedings.
6. Moderator made following statement as to purpose of Special Session: At our special Associational meeting on December 10, 1957, we were instructed to notify Mrs. Kafer that the Atlantic Baptist Association would subsidize Kafer Memorial Hospital with up to $500.00 per month in order to keep same open until we could complete our Fund drive and build a new Baptist Hospital.

   This offer was not acceptable to Mrs. Kafer, but she did offer to sell the hospital equipment and stock to the Association and that same could be paid for at the rate of $500.00 per month and the building could be leased according to the terms of our previous resolution.

   A joint meeting of the cabinet, pastors and hospital committee was held on December 23, 1957 at the First Baptist Church, Havelock, at which time it was decided to have Mrs. Kafer put in legal form just what she was willing to do so that same could be put to you for acceptance, rejection or modification.
7. Mr. J. T. Pearson gave the following report from the Hospital Committee:

   It would be foolhardy for anyone to embark on a course without first taking a serious look at same and considering all of its various aspects and ramifications.

   To begin with, this course is one of no return and no sound business man from a purely business standpoint would touch it with a ten foot pole.

   We have made a public statement to the effect that "should the campaign fail, the Atlantic Baptist Association would refund the money donated. So if we enter into this contract without first having assurance of a successful campaign we will have no avenue of retreat.

   We would have no alternative but to refund the money raised and this would mean that we would have to refund all of the money spent for campaign expenses as well as the money spent for the Kafer Hospital equipment and stock.

There are many people who say that if the Baptist take over and operate Kafer Hospital as a Baptist institution that all will be well and the hospital will stay practically full at all times. This is only supposition and not factual.

The money pledged and raised are for the construction of a new hospital and the Kafer Memorial hospital equipment and stock were to be used in the new hospital. Speaking again purely from a business standpoint we should not purchase the equipment and stock until success is assured one way or the other.

We do not have the right to act in any way except as would be in accord with sound business and the highest degree of christian integrity.

It will indeed be a sad thing if Kafer Memorial hospital closes and to be sure there will be some unkind things said about us from some quarters without considering the facts. This be as it may—our responsibility is to do that which is proper and right to the best of our ability.

On the other hand there are many people who feel that if we do not take over and operate Kafer Memorial hospital as a Baptist hospital, our campaign will be a dead duck and there is reason to believe that this could be true. But then they are saying that we should do this before the people have expressed their concern—the giving kind —to the extent that we are able to do so.

What this attitude really expresses is, if we take over and operate Kafer hospital only then will the people become concerned.

By this time you are probably asking yourselves—but what about Faith?—To this I would say that if we have real working faith and there really isn't any other kind of faith. For faith without works is dead and if it is dead it just isn't faith. And then I am afraid that we mistake desire and wishful thinking for faith.

But if we have Real Faith—the working kind—all will be well and I am sure God will give us the victory.

This campaign will have to have something very tangible if it is to succeed, and I can not become convinced that this tangible thing is going to be had except through sacrificial giving and earnest and devoted effort and that, in the spirit of our Christ.

You will remember that the Lord said—"seek and ye shall find—knock and it shall be opened unto you". But friends we have to seek before we can expect to find and we have to knock before it is opened unto us.

Also, I do not think that we seek and knock in a puny way and have success but I believe the seeking and the knocking has to be with vigor and devotion. I believe it means seek until you find and knock until it is opened unto you.

We could say the people have not responded and therefore they are not worthy of this great service which we desire to render. (And make no mistake about it my friends, there would be a lot of Baptists in the group) but if we adopted this attitude we would not be exemplifying the spirit of our Christ who, while we were yet sinners and alienated from Him, died on the cruel cross of Calvary for our sins.

No, my friends, we would not want to adopt any spirit except that of our Lord and if we shall seek to abide in this spirit and rededicate ourselves to the task before us with devotion and sacrifice, it can be done and we can construct a hospital to His glory and to serve mankind. We can perpetuate the work of His kingdom through His healing ministry in Eastern N. C.

There are ways that this can be done and I shall set forth only one that I believe is the best way.

We have a membership in our association of about 7000.

Of these 7,000 members there are about 30% who support the church with their means.

Of these 30%—or 2100, if we could get them to pledge on an average of $1.00 per week for three years, this would amount to $52.00 per year or $156.00 for the three year period and you multiply $156.00 by 2100 and you will get $327,600.00. This sounds very easy doesn't it? But make no mistake about it—it's not.

We gave last year for all purposes $550,000.00. Last year we gave to the co-operative program $41,600.00, and I could name one church that gave about one-third of this amount. Now, it doesn't sound quite so easy does it. But we can do it if we will—all it will take is the will.

And if we will, then there will be many gifts coming from others outside of the association.

But I am persuaded that the other gifts will not be forthcoming until WE have ours on the dotted line.

I believe we should follow through with the recommendations of the Hospital Committee at the regular meeting of the Association in November concerning a Missionary and to make the hospital Fund Drive his No. 1 task. He could organize this fund raising in the churches and collect the money each week and turn it over to the Hospital Fund secretary for deposit.

After we get the people of our churches to make their pledges, then each church could solicit their community and adjacent areas. Then we could say the Baptists have done this—now will you do your part.

In all that I have said, it has not been my purpose to tell you that this will be easy. On the contrary, I wish to impress you with the fact that it will not be easy and we will succeed to the EXACT degree of our devotion and perseverance.

If we are not willing to travel this hard road then turn back now and go no further.

The glory for us will not be in the completed and operating hospital, but will be in traveling this road and many generations to come will be greatly blessed if we choose to travel it.

We need to get the vision of Isaiah as he saw God high and lifted up and as he beheld the glory of God, he said, woe is me for I am a man of unclean lips and I live among a people of unclean lips. And then one of the angels took a live coal off the fire with tongs and touched Isaiah's lips and cleansed him. And then God said, "who shall I send and who will go for us?" and Isaiah answered, "here am I, Lord, send me".

Each of us shall have to be willing to say, Lord, here am I, send me—and then without reservation, be willing to go until the job is completed.

8. Moderator read the following summary of the proposed agreement between Mrs. Kafer and the Atlantic Baptist Association. (The complete agreement will be found at the end of the Proceedings for this special session).

Summary of the Terms of the Agreement Between Mrs. Helen Kafer, Owner and Operator of Kafer Memorial Hospital, and the Atlantic Baptist Association

1. The purchase of the stock. The price of the stock is to be determined by actual physical inventory by representatives of Mrs. Kafer and the Association. The price would be on actual cost, with no profit added. The estimated cost of the stock will be $10,000-$12,000.00.

2. The leasing of the property. We will lease the area and the buildings known as No. 508 Broad Street for a period of one year with

the privilege to renew said lease from year to year until the hospital proposed to be constructed is completed and ready for occupancy.

The rent is to be $1,200.00 per month, payable at the end of each calendar month during the term of the lease.

3. The purchase of the equipment. We will buy all the hospital equipment, machinery, appliances and furnishings now owned by and used in the operation of Kafer Memorial Hospital.

The price of equipment is $33,000.00.

This excludes the deep therapy machine owned and installed by the Scottish Rite bodies and which is now leased to Kafer Memorial Hospital.

4. Privilege of selling a small parcel of land. Mrs. Kafer asks the privilege to sell, if she sees fit during the term of the lease, a small strip of the above property which joins the property of the Gulf Oil Company. This part of the property is now in shrubbery and flowers and the sale of it would in no wise affect the parking area of the hospital or any other phase of the hospital life.

5. The title to all the equipment, machinery, appliances, and furnishings shall remain in Mrs. Kafer's name until all is fully paid for.

6. Payment for the stock and equipment. The minimum rate of $500.00 per month, the first payment due on Jan. 31, 1958, and a like sum due on the last day of each calendar month thereafter until payment is made in full.

For the first six months, there will be no interest charged. During the second six months, the interest will be 3%, and the interest on the unpaid balance after Jan. 1, 1959, will be 6%.

We have the privilege of paying off the unpaid balance in full at any time we desire.

7. The maintenance of the building. Mrs. Kafer shall maintain the roof, walls, and other outside portions and any other structural defects or requirements.

We are to maintain the inside decorations and other inside maintenance, not structural.

Mrs. Kafer agrees to paint the outside woodwork of the hospital by Sept. 1, if the terms of the lease are carried out.

9. Several messengers asked questions about administration, etc. Questions were answered by Mr. J. T. Pearson.

10. A number of messengers made statements for and against taking over Kafer Hospital.

11. Vice-Moderator, Reverend John Privott was called to take the chair in lieu of the Moderator, Reverend Alec Thompson.

12. Vice-Moderator recognized Reverend Alec Thompson who spoke in favor of taking over Kafer Hospital and continuing campaign for new hospital.

13. Vice-Moderator relinquished the chair to the Moderator.

14. Rev. L. J. Atkinson after speaking in favor of taking over the hospital asked that we observe a period of prayer.

15. Moderator called for a period of prayer.

16. Motion made by Rev. Morris that the Association accept the recommendation of the Hospital Committee in that we take over Kafer Hospital under terms as given in agreement and also take action on ammendment to agreement concerning property. Seconded.

17. Dr. A. E. Thompson made statement pledging his support of Hospital Program.

18. Several messengers spoke in favor of motion.

19. Vote called for. Motion carried.

20. Motion made that Associational Cabinet select a Board of Directors for Hospital until next Associational Meeting. Seconded.
21. Amendment to above motion made as follows: Also that Hospital Committee be asked to serve as a promotional committee for the Hospital until annual meeting of association. Seconded.
22. Vote taken. Amendment carried. Motion carried.
23. Announcement was made that Rev. John Privott had accepted a call to become Associational Missionary as of February 1, 1958.
24. Collection to be taken at door as messengers go out.
25. Meeting adjourned with prayer by Rev. L. J. Atkinson at 10:00 o'clock P. M.

Report of the Associational Cabinet

The Cabinet has had a busy year so far as the meetings it has had and the number of decisions it has had to make. This report is given with the realization that many things have gone undone, but with a prayer that our work has been of value to the work of the Atlantic Association and the Kingdom of God throughout the world.

The followning decisions were made by the Cabinet its eight meetings during the year, and we present them as the report:

Requests were approved for State Aid on pastor's salary for six churches and missions within the association. It is of interest that the requests from this association to the State Board are among the largest requests within the State Convention. Also one request for aid on purchase of a lot was approved.

Two special sessions of the Association were called for the purpose of deciding what course to take in the hospital program which we had begun, and in particular what to do about the operation of Kafer Memorial Hospital as a Baptist hospital until a new plant can be constructed.

The recommendation was made to the Association in special session on December 30 that the Rev. John Privott, pastor of the Atlantic Baptist Church, be called to serve as Associational Missionary.

Trustees of the Hospital were appointed, as instructed by the Association, one from each Baptist Church in New Bern, and one from Craven, Pamlico, Jones and Onslow counties, and two from Carteret County.

The need for an Operating Fund for our hospital was accepted from the Hospital Committee and presented to the churches with a plan as to the amount they should give.

Plans for the Mother's Day Offering for charity work in the Baptist hospitals was presented to the churches with the request that they double their offering of last year, sending half to Winston-Salem and the other half to our own hospital in New Bern.

A new constitution was approved, and will be presented to this body for approval or disapproval.

The following resignations were accepted—

Irwin Davis as a Trustee of the Association; to serve the remainder of his term, the Cabinet appointed Clayton Fulcher, Jr.

Rev. A. E. Thompson as Associational Sunday School Superintendent.

Rev. K. Alvin Pitt as Chairman of the Missionary Planning Committee and a member of the Hospital Committee.
Mrs. A. H. Hatsell as a member of the Hospital Committee.
Joe Pearson as Chairman of the Hospital Committee.

October 7 and 8 were designated as the dates for the Evangelistic Conference of the Association.

Cabinet and Hospital Committee in joint meeting agreed on a plan to present to the churches of the Association for each church to canvass its membership and community for pledges to the Hospital Building Fund.

The Sea Level Baptist Church was granted watchcare privileges of the Association until the next annual meeting of the Association at which time a request will be made for full membership.

The Simultaneous Revival for March 15-29, 1959 was approved and a motion was made urging all churches to participate.

A committee was appointed to study ways and means of strengthening the work of the Association. A report of this committee's work will be heard during this session of the Association.

Approval was given to the idea of asking each church to put $1.00 per resident member in its budget for the Operating Fund of the Eastern North Carolina Baptist Hospital.

Approval was given for bi-monthly printing of "Surf Sounds" rather than monthly, this change being necessary because of the increase in costs.

Approval of plans for a Sunday School Enlargement Campaign in the Association next November 1-6 (1959) was given.

Approval of a clinic on the Forward Program of Church Finance to be July 6-7, 1959 was given.

Report of Constitution Committee

Your Committee, appointed at the 1957 session of the Association to study the constitution of the Association and submit to the 1958 session any revisions that seem necessary or advisable, submits, in mimeograph form, a re-written constitution for your consideration. We have endeavored to retain the workable parts of the old constitution and have added some new Sections and Articles to cover the enlarged program and work of the Association. Copies are being distributed to the messengers present that you may read it in its entirety.

At the appointed time, in the afternoon session, it will be formerly presented for discussion and final action.

Credit is hereby given to our Missionary, Rev. John W. Privott, for most of the work of organizing and editing this proposed constitution.

Respectfully submitted,
U. E. SWANN, Chairman.

Moderator's Address
October 30, 1958

The Atlantic Baptist Association, meeting today in its seventy-fifth annual session, is now composed of 44 churches and three missions. These churches are located in a large geographical area which includes four entire counties and parts of two other counties. These churches reported in 1957 a resident membership of 7,388 and a non-resident membership of 1,892, or a total membership of 9,280. These several thousand Baptists live in the midst of some 180,000 other persons in the six above-mentioned counties.

When a group is as small in number as we are in this large area and among so many people, there is the tendency to think of what we are

Not and what we have **Not,** and to ask 'What can we do, the few among so many?' Frankly, many of us have said so much and for so long that we are "just a bunch of poor down-easterners" that we have come to believe it ourselves and to act accordingly. We feel that we are too poor to do what we really ought to do, and that we cannot do what others do; and therefore, the Lord must make an exception for us, and even some times provide someone to help us. This is an unfortunate attitude, for the potential within our number is great and the needs within our area are tremendous. Further, it is certainly unfortunate because it is certainly true that we are able to do what we want to do, and we live on as good a level as most other people do. For instance, the cars parked outside today are of fairly recent vintage, if they are not the models of this year or last, and many of them are far from being Model T's in size.

With the potential we Baptists have within our ranks and with the opportunities around throughout the Association, we should be and could be "giants in the land" to be used of God. If our hands, our minds and our hearts were really dedicated and worked in unity as they should for him, only God knows what we could accomplish. But lo, oftentimes our hands and our minds and our hearts do not work together. Consequently, we fail to see many victories won and we waste many opportunities. Do we not see some opportunities go by the wayside simply because we are prone to talk without translating our talk into action, that ism "we talk-um much but do-um little".

What are some of our needs? What could strengthen our work, to make more effective in this Association as we continue to claim Christ as our King and march under His banner?

First, we need vision which fathers the Mission spirit. This is true on the level of the local church where so often the need becomes a part of the landscape and we no longer see it as something to which we must give ourselves. It is true, too, that we get so absorbed with our own plans on a local level we forget everything except what goes on within the walls of our church and within the membership of our churches.

On the level of the Association, this vision is needed to help see our sacred responsibilities to the great host of people around us who are without the Gospel of Christ. If this vision were ours, it could be that some new churches would be started within a few months. Further, if this vision were ours, there would not be so much concern about who gets the credit, nor what we will get in return, but rather, a willingness to give and serve for the ones for whom He died. Would it not also be that such vision would draw all of us within the Association into a much closer and more responsible relationship? And my, how that is needed for our Association is too much like 40-odd isolated stations with a few interested in this one, but not much concerned about any of the others.

To me this is missions, when we at home or elsewhere see a need and do something to meet it. If there are no missions here, there will not be much yonder. Actually, whether we want to admit it or not, we do not have much mission-interest about us. Our name through the years has been "missionary Baptists", but of late we have been spoken of more often as "Southern Baptists", with no reference being made to the fact that we are "missionary", and this could be a good thing.

For instance, take a look at our record. It is not good in terms of dollars given or persons going. Today Southern Baptists have 1200 missionaries under appointment. Since our total membership is nine million, that means that it requires 7500 of us to produce and to support one missionary. This Association cannot brag much, either. So far as I know, not one person has gone from one of our churches into foreign mission service. We gave to the Cooperative Program in 1957 $42,820.70. or an average of only $4.60 per person for the year, or a mere one and one-third cent a day for world missions. It is painful to remember that in the last few years we have received (as churches) in aid from the State Mission Board almost $70,000.00, and in return we have contributed directly to State Missions only something more than $14,000.00. How long, O Lord, how long before the people will rise up and get busy?

Secondly, we must, if we expect to rise to the opportunities around us, lead our people into an understanding and an acceptance of stewardship of their lives and their wealth. It should be said that we are not so poor financially as we are poor spiritually. Our financial troubles are not really financial problems, but spiritual problems with financial consequences. Many of our problems could be cured if we would faithfully accept God's teachings on stewardship of life and wealth.

I believe that God has never been able to use a people not good stewards of His blessings to them, and I believe that He can never use any people who are not faithful in stewardship today. Failure in stewardship limits the vision, squelches the best desires of the spirit, and cools the love of Christians for one another and for the things of God. Today, to be our maximum for God, we must forget our penny-pinching, and maybe some of us would need to stop sending a part of our tithe to the Tom, Dick and Harry evangelist who makes an appeal over radio and T. V. We must remember that the church is the body of Christ, and our tithes and offering should be given through it. At the same time, we should insist that our churches support in a worthy manner the mission causes of our denomination.

Thirdly, we should enter whole-heartedly into the work of raising the necessary money for the Building Fund of the Eastern North Carolina Baptist Hospital. This is an opportunity for us to perform an excellent ministry to human-kind, both physically and spiritually. Failure here can possibly adversely affect the progress of the work in the Association for some time to come, but on the other hand, success here can mean more to the Baptist cause and a good witness of Jesus Christ than any other dozen projects we might undertake. There is no reason for any thought of failure in this great project; it can be done—if we are willing to do it!

Fourthly, we need so greatly more and stronger lay leadership in the work of the Association. Pastors are fine and do a pretty good job as a usual thing, but it is not good when the work is lacking in strong leadership by laymen and laywomen. Notice how few lay leaders we have taking part in these sessions today and tomorrow. With earnest prayer and diligent effort, we should seek to enlist leaders from our churches to take their places in the work of the Association.

Fifthly, we should adopt the report of the committee appointed by the Cabinet some time ago to study ways and means of strengthening the work of the Association. The committee's recommendations will require some work, but can mean much to raise the level of the level of our Associational life.

Biblical Recorder Atlantic Baptist Association Report for 1958

Democracy has long depended on informed, enlightened people for progress. Our Baptist Churches are the best examples of democracy in the world. Therefore, in order to maintain our progress, Baptist people must use every means at our command to stay informed and ready for intelligent discussion. We should know what our fellow-Baptists are doing in the fields of missions, evangelism, education, Bible teaching, and Christian training for Kingdom building around the world. We must know if we are to keep on growing; information about Kingdom building brings greater inspiration and action in our great and glorious cause.

In 1830, when the North Carolina Baptist State Convention was organized, its main purpose, according to the Constitution, was "the promotion of missions, education, social service, and the distribution of sound religious literature." We can surely see the wisdom of that idea. In 1833 the BIBLICAL RECORDER was founded, and for 125 years it has been going into the homes of our people as a journal of Baptist life in North Carolina.

It has a noble heritage to preserve, and a high mission to fulfill. Those who have come from other parts of the nation and the world to help carry on our work have found the BIBLICAL RECORDER to be as good as the best in the Baptist cause.

The Lord has surely blessed our Baptist work in a marvelous way. How can Baptist hope to keep up with our wonderful work for the Lord, and stay informed about it, unless they take and read this journal on Baptist work every week? This is a fast moving world now. The Baptist work is on the move in ever widening circles across the world.

The BIBLICAL RECORDER, serving North Carolina since 1833, is one publication which covers the entire field of co-operative efforts, and without it a successful promotion of all our work would be well-nigh impossible; it serves every cause dear to the hearts of our Baptist people here in North Carolina. It informs our people, indoctrinates, enlists, inspires, and unifies our people for the Lord's work.

While I was preparing this report I took a copy of the BIBLICAL RECORDER and noted the contents again, and I have been reading it since I was able to read the English language, and I noted these things: the general work of our Baptist State Convention, many items on the work of our Southern Baptist Convention, and quite often a fine item on our Baptist World Alliance: I noticed pictures of local Baptist Churches, and fine articles about them—heroic congregations, Sunday School work, and the Sunday School lesson every week about the middle of the journal, Training Union, and the fine work in that Department, Brotherhood, and what wonderful things are going on in that Department, W.M.S. and the wonderful things that great Department is doing. The total program of the local church is presented by departments, and our organized efforts to reach the uttermost parts of the earth with the Gospel, are all well presented.

You want it all right, and I know it. You have not considered before now what I am about to tell you; you can get it for as little as twelve and oue half cents per month. That is by the EVERY-FAMILY PLAN. I mean by that—send it to every family in your church congregation. I am proud of Richlands Baptist Church; the church has done just that . . . sending it to every family in the church congregation. By that plan you get it for $1.50 per year. If you do not like that plan, try the club plan, 4 or more. That will cost you seventeen cents per month or $2.00 per year.

If you do not care to co-operate, and you want to do it by your self, you may do so by getting it right by yourself for $2.50 per year.

In every case the BIBLICAL RECORDER comes to your address regardless of the plan you choose.

It is in the budget of eleven churches on every family plan.

Respectfully submitted,

D. M. CLEMMONS

Evangelism Report

As I come before you with the Evangelism report for this past year, I do so realizing that not as much has been accomplished through the office that I have held as could have been if I had really applied myself as I should have. To me, evangelism is the very heart of the entire program of the local church, the Association, and all the phases of Southern Baptist work. It is a job that cannot be looked at, prayed about, and worked on two or three weeks or months out of the year. It calls for our best the year around. Surely as we look at our records of souls reached for Christ this past year, we cannot fail to see that we have really just been playing at the job. God help us this church year in which we are to settle down to the task of reaching men for the Master, which is the major task of the believer and the church.

Since I do not have a record of the gains and losses of the churches in our association for 1957-1958, I can only include two things in my report. First, the Simultaneous Revival which was held April 20-27. Twenty-six churches participated, with a total of 307 additions realized: 232 by baptism, 53 by letter, and 22 by statement. Second, the Evangelistic Conference which was held October 7-8. While the attendance upon the sessions was small, everybody who attended agreed that the messages of Dr. J. W. Storer, Dr. J. D. Gray, and Dr. Claude Bowen were informative and challenging. All expressed the hope that another such conference will be held in 1959.

It is the sincere desire and prayer of your outgoing chairman of Evangelism that this association will participate in the great Simultaneous Crusade in 1959. The dates for our group are March 15-29.

Respectfully submitted,

K. ALVIN PITT

In Memoriam

O Death where is thy vaunted sting?
O Grave where is thy chain?
Our sleeping friends have life and wing,
Their spirits in heaven's train.

Go shame yourself both grave and death,
And haunt us nevermore;
Our Christ we'll praise with every breath,
He's settled up the score.

No longer do we fear the end
Of life's bright path and way;
For only to his will we bend,
Death's toll we'll never pay.

The transition is just the yield
Of God's great harvest grain;
Christ's death and resurrection's wield,
We'll join the glad refrain.

No more shall we life's ending dread,
Nor mourn o'ermuch its fate;
But welcome heaven's port instead,
E'er come it soon or late.

So friends who've gone on now before,
We'll join you there some day;
May we soon learn great heaven's lore,
Till then we'll work and pray.

American Bible Society

Southern Baptist plans for the Baptist Jubilee Advance, 1959-1964, remind us that

In every missionary advance
the Bible goes forward first!

The Bible is a "must" in missions and evangelism. If the people of the world are to know Jesus Christ, the one hope of men and nations, they must have the Bible. It is the one basic source of knowledge of Him. The Bible is the missionary's' chief tool; he uses it in all his work. The Bible itself is a missionary. It can go where the human missionary cannot go. It can stay when he must leave—and keep on speaking to a person's heart.

Every man must have the Bible in his own language, but in most countries the people cannot afford even the cost of printing the Scriptures.

The **American Bible Society** helps to **translate** the Bible, **publishes** without note or comment and **distributes** without profit, usually below cost, for worldwide mission work. For the Blind, it supplies Scriptures, at a small fraction of cost, in raised-letter systems and on Talking Book records. The Bible Society is an active partner of Southern Baptists and serves every form of Southern Baptist mission work at home and abroad.

During 1957 the American Bible Society—

—donated more than one million Scripture volumes for distribution by Chaplains to our Armed Forces, as a vital link between the home churches and the men in service.

—introduced the Finger Phono, a new feather-weight plastic phonograph, operated by one finger. These are being supplied, with Scripture recordings in the languages needed, in areas where very few people can read. They are now in use among the Navaho Indians in the U.S.A. and in various parts of Africa and Asia.

In India, the Bible Societies are undertaking to provide in the next 5 years, a New Testament for every Christian who can read and a Gospel for every non-Christian who can read; this will require 90 million Scripture volumes in 5 years for India alone!

Southern Baptists Support the Work

Because the Bible Society serves mission work—and because Southern Baptist missionaries depend on the Society for Scriptures they need for distribution to their people—Southern Baptist churches give to the American Bible Society.

In 1957, Southern Baptist churches gave $118,815 to the American Bible Society—but still stood in second place, exceeded by Methodist gifts of $136,499.

The help of every Southern Baptist church is needed. Has your church given this year? Here are suggestions, based on what many churches are doing:

Every church can give at least these amounts each year:

Country and village churches—$10 to $25.
Churches in small cities—$25 to $100.
Larger churches—$100 to $200.
Great city churches—$200 to $500 or more.

Please send gifts to your Baptist state office marked "for the American Bible Society".

Atlantic Baptist Association Sunday School Report 1958

D. M. Clemmons, Nominee For Associational S. S. Supt.

In John 10:10 we read: "I am come that they might have life, and that they might have it more abundantly".

This report is in three parts.

First, I want to say a few words about the passage of Scripture.

Leading the lost people from death in sin and trespasses to life in Christ is certainly somebody's responsibility; in John 20:21 we read these words, "As the Father hath sent me even so send I you". Jesus was surely talking to His followers. You and I are followers of Jesus, therefore, He is saying to us "As the Father hath sent me even so send I you".

Winning the lost to Christ is our first assignment as Christians. The Sunday School is in the front ranks in soul winning. It is the one department in our churches that majors on soul winning by teaching God's word. When you win a lost soul to faith in Christ, you have kept His word; you have lead a soul dead in trespasses and sin to life. He said "I have come that they might have life". Who are "THEY?" He is talking about lost people.

Now, there is another phrase in the passage I want you to note: "That they might have life and have it more abundantly". When you have won one to Christ that one has taken the first step in the Christian life. There is **more life** for the Christian. Here it is: when you find that **inactive**

Christian, enlist him for the Lord's work and get him started, you have extended your own life of faith in Christ, you have helped to extend it in as many as the recruited worker shall touch, and you have extended your life. We need more workers in the Sunday School Department. We need more who are willing to share your life with others for Christ's sake. The abundant life will be real when you share it.

Second, what we did last year.

The last annual report showed in our association 45 Sunday Schools with 9,141 people enrolled; 40 V. B. Schools; 406 people made their profession of faith in Christ and were baptized.

This year, we have 45 Sunday Schools in our association; 42 Vacation Bible Schools with 4,392 enrolled; 603 baptisms; 9,408 enrolled in our Sunday Schools; no Standard Sunday Schools in our association.

Third, is a plea for increases:

1. Increase enrollment 10%.
2. Average attendance 15%.
3. More departments.
4. New units in all departments now working.
5. Promote visitation.
6. Start new Sunday Schools where possible.
7. Hold Vacation Bible School in every church.
8. Set higher goals for study course awards. This year just passed we had only 552 awards to be given.
9. Every church observe "Preparation Week" in September.
10. Every church observe January Bible Study Week.

This work is so good that I want everybody to share in it.

Respectfully submitted,

D. M. CLEMMONS

Report of Historian

For two years I have been trying to get a short history of every church in our Association. So far I have gotten results from only ten of the 44 churches.

From historical notes collected by the late M. Leslie Davis, old minutes and other sources, I submit a "Short History Sketch of Atlantic Baptist Association" and activities of other associations that previously included churches now included in the Atlantic.

Respectfully submitted,

U. E. SWANN, Historian

SHORT HISTORY SKETCH OF ATLANTIC BAPTIST ASSOCIATION

(Most of the data and information in this paper were taken from notes and memoranda collected by the late M. L. Davis, long time Moderator of the Neuse-Atlantic and Atlantic Associations.)

The first Baptist Association organized in America was formed in 1707 in Philadelphia and called by that city's name. In 1751 the Charleston (S. C.) Association was formed. The Charleston Association was composed of nineteen churches, ten of which were in North Carolina. The Third Baptist Association in America (some say this was the fourth) was organized at Sandy Creek Church in North Carolina in 1758. One of the churches in this association, New River Church, was in Onslow County. So far as I have been able to ascertain, this association, known as North Carolina Association, seems to have been the first Baptist association embracing any territory now included in the Atlantic Association.

The Kehukee Association was formed in 1759 and shortly afterwards our churches were members of this association. It appears that our territory was continued in the Kehukee Association until 1794. In 1794

the Neuse Association was organized by a group of churches coming from the Kehukee. In this general period several churches had been organized, but the memberships were small in number and weak in finances. As deplorably small as the salaries of some of our pastors may be today, a comparison with salaries in 1885 and preceeding years, may be amusing. In 1885 the total amount of salaries to all pastors in the association was $2975.00. Newbern was the big city church, paying the big salary of $800.00. Beaufort and Morehead City each paid its pastor $125.00 for the year's work. The total amount contributed for missions by thirty churches was $1049.55. The average salary paid to pastors was $131.00.

The beginning of Baptist work in our section of North Carolina was in a very small way, but by heroic work on the part of a few, the seeds were being sown for a much greater work today. In 1886 the old Atlantic Association (territory from Goldsboro to eastern Carteret County) gave for benevolences as follows: Foreign Missions $112.90; Home Missions $75.64; Ministerial Education $19.50; Sunday School Board $40.03. For the Orphanage, four churches gave a total of $37.39. Making up this amount was Beaufort $11.86; Falling Creek $5.85; Kinston $18.43 and Mount Calvary $3.25. In the report of Union Association for the year 1854 we find the following:

Raised by the Executive Committtee	$ 988.60
Received from Committee of Finance	106.95
Collection on the Sabbath	28.40
	$1123.95
Paid for missionary labor	26.60

An interesting paragraph, in a paper concerning old churches of the Atlantic Association, written by Mr. Davis, and included in the Minutes of the 1946 session, is as follows: "The oldest church in the Atlantic Association is the famous old First Church of New Bern, organized in 1809. Through all these years this church has had a unique place in the ongoing of the Baptist work in North Carolina. It has had possibly more famous preachers as pastors than any other church in North Carolina. Samuel Waite, one of the founders, and first president of Wake Forest College; Thomas Meredith, first editor of our Baptist paper (first known as The Interpreter), and for over 12'5 years, 'The Biblical Recorder', and also one of the earliest advocates of college training for women, for whom Meredith College was named, was one of its pastors." Other prominent pastors who served the New Bern church, mentioned by Mr. Davis, were: William Hooper, John Armstrong, Theo. Whitfield, C. A. Jenkins, H. W. Battle, S. J. Porter, H. C. Moore and others.

In 1805 nineteen churches left the Neuse to form The Cape Fear Association, leaving the Neuse with only seventeen weak churches. These soon merged with churches of the Goshen Association to form the Union Association. In 1865 the name "Union" was changed to "Eastern." It appears that there was a revival of interest about this time and some progress made until the Eastern Baptist Association became a comparatively strong body.

No record has been found giving the date when the first Sunday School was organized in the territory now known as the Atlantic Association. In 1844, the Union Association was formed by the merger of the Neuse and Goshen. At this meeting a resolution urging every pastor to see that Sabbath Schools be organized in all the churches was accepted. At the 1845 meeting a similar resolution was entered in the minutes. At the 1853 meeting, a discouraging report was made by the committee on Sunday School work, but added: "Yet we will make one more effort and ask each member of the Association, when they have returned home to their churches, to raise Five Dollars, as soon as you conveniently can, and buy a Sunday School library and call the children together, and go to work so that when your church returns you to the next association, you may have the glorious news to tell, that the Lord has blessed your efforts".

In 1884 the Eastern Association, in a meeting held in Pollocksville, dismissed twenty churches for the purpose of forming a new association. These twenty churches were located in the territory extending from Goldsboro to eastern Carteret County. The new association was organized at a meeting, held in LaGrange, under the name of The Atlantic Baptist Association. In 1899, the Atlantic having grown until it was believed that another division would be advisable, the division was made. Churches in the eastern part of this territory retained the name of Atlantic and the western churches organized under the name of The Neuse Baptist Association. This division soon proved to be unwise for each group was too weak to function properly as an association. In 1907 these associations reunited under the name of The Neuse-Atlantic Association. The reunited body, with strong leadership, developed rapidly so that in 1929 it was again felt that it would be wise, and greater progress could be made in winning this large territory for the Kingdom of God through two associations. The division was made. The western group again taking the name "Neuse" and the eastern group, "Atlantic". Since 1929 there has been no change by division or name.

Of the earliest Baptist churches in North Carolina, the following were located in what is now the Atlantic Association: Swift Creek, about twelve miles west from Newbern, was organized in 1742; Trent in Jones County was organized 1757; Newport in Carteret County, 1778; Hadnot's Creek, about 1788, and North River in 1794. The last three were in Carteret County. All of these churches have ceased to exist except the three in Carteret County. These Carteret County churches have hardly enough members to maintain their organizations. All of these older churches affiliated with the Primitive Baptists. When the original Neuse Association was organized by churches coming from the Kehukee Association, its leadership was "missionary' 'in attitude and work. Although the name has been changed from time to time and the territory has also changed, first by division, then by merger and again by division, the present Atlantic Association, has continually increased its missionary spirit and the Lord has blessed us greatly. Today we do not so often hear the old cry that "The Atlantic Association is the greatest missionary territory in North Carolina".

The Atlantic Association has been blessed by many able pastors and lay leaders and also by many whose educational and training qualifications were limited, but who have been truly filled with the Holy Spirit and have given their best as they felt the Lord was leading them. There are yet some spots still lacking in missionary enthusiasm. It is evident to all, except those directly concerned, that where there is lack of missionary vision and activity, there is a lack of progress in kingdom development. The Association's record of progress for the past several years, has been gratifying, and in some respects, notable. It is our hope that our churches may continue to attract and bring into the Association the best possible pastors to lead us on to greater efforts to reach and win the large number of unsaved people living within our territory.

Second in importance to the winning of souls for Christ, perhaps is the ambitious, and we believe Spirit led movement now being promoted to provide a great Baptist Hospital. It is believed that God has given us the vision and faith to take the lead in the great work and ministry of healing to bless, not only the territory of the Atlantic Association, but to all Eastern North Carolina.

Annual Training Union Report

As a result of Training Union studies this year on the theme "Our Baptist Heritage', we believe that more of our people are conscious of the rich heritage bequested to us by our Baptist forefathers. We must never forget the price which was paid for our religious liberty. We must pass it along to posterity untarnished and undiminished.

There are 44 churches and three missions in our association. According to the reports which have been mailed to me, plus the reports printed in our Associational Minute Book, the following churches do not have a Training Union: Aurora, Bethel Chapel, Dover, Pelletier, Piney Grove (Jones), Pollocksville, Vandemere and South Creek. If any of these churches have a Training Union, they should send a quarterly report of their work to the Associational Training Union Director.

According to the church letters to the association, we now have 2,624 members enrolled in Training Union. Twenty-four of our churches requested 941 awards for the study of Training Union books during the past year, ending September 30. I am sure that many other churches conducted study courses, but did not receive awards because they did not send in their requests.

During the past year four Associational Training Union meetings were conducted. On "M" Night there were 375 people present from 23 churches.

Our theme for 1959 is "Thou Art The Christ". Our aim is "to help us to acknowledge more fully the lordship of Christ in every area of our lives".

The following goals are proposed for the fiscal year 1959:

1. New Training Unions ---------- 3
2. Increase in Training Union enrollment ---------- 15%
3. 20% Increase in Study Course Awards. Total ---------- 1,139
4. Standard Training Unions ---------- 5
5. "M" Night Attendance, First Baptist Church, Morehead City ---------- 500
6. Churches Requesting Study Course Awards ---------- 100%

Your Training Union Department recommends the following activities:

1. That each church establish a Calendar of Training Union Work, using the Themes For Emphasis as listed in the Training Union Calendar for 1959 as a guide, and follow it month by month.
2. That each church be represented on "M" Night, November 28.
3. That each church conduct a crusade to increase attendance at the Midweek Prayer Service.
4. That each church conduct a crusade to enlist each church member in daily Bible reading and prayer, following the Training Union Daily Bible Readers' Course.
5. That each church observe, and report, Youth Week.
6. That each church observe, and report, Christian Home Week.
7. That each church conduct a Personal Soul-Winning Study Course, February 15-20, 1959, to co-operate with the Simultaneous Revivals. Suggested books are:
   (1) JUNIORS: "Jesus Saves", by Hattie Bell Allen.
   (2) INTERMEDIATES: "Intermediate Fishers", by Frank E. Burkhalter.
   (3) YOUNG PEOPLE: "Winning Others To Christ", by Roland Q. Leavell, or "Personal Soul-Winning", by Leonard Sanderson.
   (4) ADULTS: "Personal Soul-Winning", by Leonard Sanderson.
8. That each church observe "Baptist Heritage Week", studying the following books on Baptist History:
   (1) JUNIORS: "Fighters For Freedom", by Margaret Williams.
   (2) INTERMEDIATES: "Baptist Milestones", by Loulie Latimer Owens.
   (3) YOUNG PEOPLE: "Through Trial To Triumph", by Hugh Wamble.
   (4) ADULTS: "Our Baptist Story", by Pope A. Duncan.
9. That each Training Union Director fill out the Request-For-Awards Blanks personally and personally mail them to Dr. James P. Morgan, State Training Union Secretary, 301 Hillsboro Street, Raleigh, North Carolina.

10. That each church send more of their Training Union members to Caswell and Ridgecrest during Training Union weeks.
11. That each church conduct a Training Class For New Members after each revival, using as a textbook either "Your Life And Your Church", by James L. Sullivan, or, "The Church Member's Handbook", by Joe T. Odle.
This class should be taught by the pastor, and should meet during the Training Union hour.

It has been a joy to serve you during the past year and I look forward with great anticipation to our mutual labors in the new year.

Respectfully submitted,
JAMES C. BUCHANAN,
Associational Training Union Director.

Report of Committee To Study Ways and Means To Strengthen the Work of the Association

In view of the fact that we were asked to study ways and means to strengthen the work of the Asosciation, we recommend:

1. That committees really function. For example, with cooperation of pastors and churches. The Christian Education Committee could encourage having college presidents as speakers in our churches. They could also put into the hands of our high school seniors materials relating to Baptist colleges. The Stewardship committee could emphasize Christian stewardship of Time, Talent, Money. This would increase our interest, and our offerings, for Hospitals, Children's Homes and Homes for the Aging. The Missions Planning Committee could create mission interest and information by a Survey. What has been done and what could be done in a given location. Emphasize mission concern by encouraging our youth for Mission Service. Plan State Mission nights in the Groups. Tentative dates: August 24th, 25th, 26th.

2. Have a Preacher's School. Studying Doctrines, Homeletics, Bible and Baptist Program. Probably in February as plans can be completed.

3. Other committes having emphasis every other month.

Respectfully submitted,
REV. L. J. ATKINSON

Report North Carolina Homes for the Aging

The Homes For The Aging are now in their eighth year of operation. Resthaven opened March 16, 1951; the Albemarle Home, December 7, 1953; and the Administration Building, Winston-Salem, June 13, 1957. The three Homes have facilities for 119—counting residents and personnel. The average number of residents will exceed 100.

Efforts were launched in June to raise $100,000 to match a gift of Mr. Don G. Matthews, Sr., of $50,000 and land on which to build a fourth Home For The Aging to be located at Hamilton, in Martin County. It is expected that the campaign will be successfully completed this year, and the construction of the new Home will then begin. This Home will provide facilities for approximately 40 residents, giving a total capacity for all three Homes of 150 persons.

The Homes have had a good year financially. The auditors' report for the year ending September 30, 1957 showed that the income was $268,-924.58. When the new Administration Building was ready for occupancy, $103,000 was borrowed to finish paying for construction and equipment. All of this has been repaid except $20,000. Funds received from the

Special Day Offering and the Cooperative Program have helped to meet the current cost of operation. The Homes have also reeceived help from individual and corporation gifts. The largest individual gift for the year was $40,000.

A large number of the residents have been aided financially. Less than ten per cent of the residents have given to the Homes assets sufficient to pay their cost of keep for life. Thirteen residents have paid the monthly rate, which is less than the actual cost to the Homes. Most of the residents are paying one-third to one-half of their cost of keep. This means, therefore, that the difference in cost is taken from funds received from denominational channels and special gifts by individuals and corporations.

Our program of ministering to the aging presents a great challenge to the 850,000 Baptists of our state. We think, first, of the ever-increasing number of aging friends needing larger dormitory facilities; and, secondly, of doubling the capacity of our infirmary in the Administration Building. It now accommodates 15 patients, but we should have space for at least 30. It is estimated that elderly people will become invalids at the rate of ten per cent annually. There have been times when we did not have sufficient room for those who needed to be in the infirmary. Our aging friends must look to our Baptist constituency to meet these pressing needs.

With gratitude to all who have made our present Homes possible—churches, individuals and corporations—and with confidence that the Baptists of North Carolina will continue to care for these "old soldiers" of Christ in a deserving manner, we look to the future with great hope.

The Rev. Charles P. Burchette, Jr., began working with the Baptist Homes For The Aging in May, and is living at the Albemarle Baptist Home. He will devote his efforts to the field of promotion and public relations, and will be ready to answer invitations to speak at churches and other group meetings as the opportunities and invitations are extended to him. Please feel free to contact him any time he may be of service to your group or your church.

During the twelve months ending July 15, 1958, the churches of Atlantic Baptist Association contributed a total of $869.89 to the Homes For The Aging. These gifts ranged from the smallest contribution of $3.05 from one of our missions, to the largest gift of $269.56 from one of our larger churches. The cry of these elderly friends is the same as that of David, "Cast me not off in the time of old age." **Psalm 71:9.** Let us not forget them when we are preparing our church budgets, as, sooner or later, we shall surely join their ranks!

Respectfully submitted,
DR. J. C. BELL, Chairman
Committee on Homes For the Aging.

Report of the Hospital Committee

The idea of a Baptist Hospital in the Atlantic Baptist Association began at least five or six years ago in the minds of some laymen in the City of New Bern. This idea lay dormant until the early fall of 1955 when it became apparent that the Kafer Memorial Hospital would close in the near future for financial reasons. After several meetings and much discussion, the proposal of the Association appointing a Hospital Committee and undertaking to raise funds to finance a hospital ministry was presented to the Association in its annual meeting in 1956 with the Atlantic Church.

In response to this proposal, the Association appointed a Hospital Committee composed of pastors, laymen and laywomen of the Association. Along with the appointing of the committee, the following resolutions were passed—(in summary)

That a man be employed to organize and lead in fund-raising campaign.

That the churches of the Association be asked to raise $5,000.00 with which to begin this campaign.

That ultimate goal be $1,000,000.00 with which to build one hundred hospital plant; this in turn would be presented to the State Convention.

That $600,000.00 be on hand before construction begin.

(Refer to 1956 Minutes of Atlantic Asso.)

The Hospital Committee came to the conclusion after a few meetings that the wisest course for us to follow was to engage the services of a professional fund-raising company. Acting upon recommendations received, the Committee secured the services of J. C. Rivers and Associates of New York City in the campaign to raise $600,000.00. The money to get the campaign underway was subscribed by the churches of the Association, some of the New Bern doctors, and other interested individuals.

In a called session of the Association, meeting at the First Baptist Church, New Bern, on July 8, 1957, there were three major items on the agenda. One was the presentation of J. C. Rivers and Associates, who were present and ready to begin work for the fund-raising campaign. Second, the offer of a thirty (30) acres in the Country Club section of New Bern, a gift of George Allen of New Bern and the Cape Fear Wood Corporation of Wilmington, as a building site was presented, and the offer was accepted. (Refer to Association Minutes, 1957, p. 8). Third, the terms whereby Kafer Memorial Hospital property and facilities could be rented as of January 1, 1958 were presented and accepted. The terms were as follows:

"First, that we the Atlantic Baptist Association, instruct our Hospital Committee to purchase as of January 1, 1958, all of the hospital equipment and furnishings of the Kafer Memorial Hospital as set forth in the inventory lists now in the hands of the Committee for the sum of $33,000.00.

"The Committee is also instructed to purchase the inventory of the said hospital as of January 1, 1958 at actual cost which should be from $12,000.00 to $14,000.00.

"The above will be paid for out of funds from the Hospital Fund Drive.

"**Second**, that we the Atlantic Baptist Association instruct our Hospital Committee to execute a lease in proper form with Mrs. Helen Kafer . . . such lease to be executed for a period of one year from January 1, 1958, with the provision in the lease to renew from year to year until the proposed Baptist Hospital is constructed. . . .

"The rent is to be on the basis of not less than $1,000.00 nor more than $1,200.00 per month. The exact amount to be the subject of agreement at the time the lease is executed."

(Minutes, Atlantic Baptist Association, 1957, p. 8)

It will be remembered that the Association voted in a called session on December 30, at the First Baptist Church, Havelock, to execute the above mentioned lease. The rental price was fixed at $1,200.00 per month. This provided that payments be made with no interest from January 1, 1958 until July 1, 1958. From July 1 until January 1, 1959, interest is being charged at the rate of three per cent. After January 1, 1959, the interest will be six per cent on the unpaid balance. Payments have been made since January 1 until now at the rate of $500.00 per month, this money coming from the Building Fund as above directed. The Building Fund money not needed to make payments has been deposited on interest in the banks of New Bern. The amount now on hand is shown in the report of the Building Fund.

The rent each month has been paid from the Operating Fund of hospital.

Several weeks were spent by the fund-raising company preparing materials and instructing workers. The actual fund-raising campaign was begun in late August. On October 1, which was the expiration date of the contract with the fund-raising company, a total of approximately

$225,000.00 in cash and pledges had been raised. At the time the State Convention met in November, this total had been raised to a little more than $240,000.00

It is to be admitted by everyone, if we have not already done so, that the campaign conducted by the professional group was not an overwhelming success. On the other hand, there is no reason to keep on dragging the matter over the fire repeatedly. Such tactics only discourage and frustrate everyone connected with our hospital ministry. With one accord we all should admit that we together asked for this method of raising funds and that we all were disappointed in the results. Then, we should quit pointing fingers and rehashing the issue as if to excuse ourselves, and be big enough to profit from the past as we work toward the future.

This report, in one sense of the word, is not a bad report, but in other ways it is not anything about which to brag. I am thoroughly convinced that the total could be much higher than this if we Baptists had wanted it to be. Though we have said that we Baptists must raise the money if it is raised, we Baptists have not really given ourselves to the task. For example, during the first nine and one-half months of 1958, three efforts were made to raise money within the Association. First, in February the plan was presented for each church to canvass its entire community; this

was accepted by the pastors who agreed to lead in this in their communities. Second, in June a group of more than 100 persons were invited to a dinner meeting in New Bern, at which time the idea of these persons, leaders in their communities, taking the initiative in fund-raising in their communities was presented. Third, the pastors of the Association were asked in their Conference in September to endorse the idea of the "$50.00 Club". The plan here was for each pastor to give $50.00 himself and then solicit as many of his people as he could to do likewise.

What about the results of these three efforts at fund-raising? From the community-canvassing, approximately $17,500.00 was realized, but this came from only five churches—the four in New Bern and the Beaufort Church. From the second effort, not even $1.00 was realized so far as the hospital office knows. From the third effort, the Building Fund total has been raised by $350.00, which means that only seven people responded to the $50.00 Club.

It is easy to see that the reason the Building Fund is no further than it is, is that we have not cared enough to do much about it. There has been hardly any sacrifice in this effort, and until there is, we will not go much farther than we are now. We have talked long and loud about what we could do, but we have not produced in proportion to our words. When will we begin to do?

It is evident to some of us who are close to the hospital ministry that we must begin construction of the new building at the earliest possible date in order to be able to keep what we have and advance further in the work we have envisioned. Yet, it is obvious that we can do nothing about building with the amount we have now in cash and pledges. With a sincere prayer we prayed that the amendment to the Hill-Burton Act would pass which amendment would permit churches and other groups to borrow funds from the Hill-Burton Fund for such purpose as hospital construction. Soon after the passage of this amendment, an engagement was made with the Medical Care Commission of North Carolina for representatives to go and present our cause, and in turn learn the things we must do to be able to secure such a loan. We (Mr. Parker Morton, Mr. George McCotter and myself) were told that the program was a strict loan program and that the government intended to handle it as such from the beginning to the end. We were also told that if we expected to spend $1,000,000.00 on a new plant that could possibly borrow up to two-thirds of the total amount; however, the chairman of the Medical Care Commission advised that we ask for not more than $600,000.00. This would mean that we would have to have on hand in cash and negotiable pledges the amount of $400,000.00. Further, we were told that we must be 'investigated' by the Medical Care Commission as to our assets and liabilities, to determine if we are a 'good risk' for such a loan.

If we could make such a loan, the payments would be $26,500.00 per year. This amount would have to be assumed by the churches of the Association, and not by the hospital itself. This payment would constitute a heavy load, but not an impossible one, for the churches. However, it will take a different spirit to what we have now.

This avenue of borrowing money for the purpose of getting our hospital building program underway at an early date sounds good. However, there is at least one big hitch to this—namely, the remainder of this $400,000.00. If we feel that we could pay the annual payment on the loan, the question which must be answered first is: "From whence will come the part of the $400,000.00 we are lacking now?" This could be raised, if we were willing to work at it. So far there seems to be no real desire to work at it. Three examples have already been given which point out our lack of desire. We still can do it if we want to do it!

At this point it should be said that we cannot even think in terms of having plans drawn for the new building until we have $400,000.00 in cash and pledges on hand, and have been given some reasonable assurance by the N. C. Medical Care Commission that we can qualify for a loan. This is said to make it definite in your minds that we are yet a long way from

being ready to begin construction of the new building which is not only hoped for, but is absolutely essential to the future of our hospital ministry.

As we think about the future of our hospital ministry, we should also remind ourselves that we cannot expect the people of New Bern and the surrounding area, especially the doctors, to continue to wait on us while we piddle and play about this program. If we don't give definite proof that we are going to do something and that right soon, we could be left holding the bag by ourselves. This is not just a 'whistle in the dark'; it is an honest attempt to be realistic. Patients and doctors alike can be and will be attracted to the institution which offers the best in service and facilities. We simply must take notice of the attitudes of at least some of the leaders in New Bern about this. These attitudes are expressed thus:

"We do not know what to expect in regards to the Baptist Hospital because all we see is inactivity and apathy on the part of the Baptists."

"Who is going to lead the hospital campaign, since it seems that the Baptists have about quit?"

"If no positive effort of leadership is put forth soon, the doctors of New Bern may put all their efforts and interests in another hospital in the area."

The opportunity is ours, and we have put our hands to the plow. The task to be done is not an impossible one, but it is one which will take the best in us. The time is overdue; we do not need any more testimonies about what we can do. Now we need action . . . the kind which will manifest itself in the bringing in of gifts for the Building Fund of the Hospital. If we are not willing to act and give now and continue to give, with a spirit of sacrifice about us, it may already be late for us to close shop and get out. Unless we are more willing in the future than in the past, it could be well to get out before we get more involved.

The following recommendations are presented for your consideration and appropriate action:

1. We recommend that the Atlantic Association renew the lease with Mrs. Helen S. Kafer on the present hospital property for the year 1959.
2. We recommend that not less than $30,000.00 of the Building Fund money which is deposited in the banks of New Bern, and all of it if is possible and practical, be applied to the indebtedness of $40,722.34 which is owed Mrs. Kafer on the equipment and stock which were purchased from her.
3. We recommend that the Building Committee of the Board of Trustees select and secure a suitable lot on which to build the new hospital plant, and clear this lot and erect on it an appropriate sign designating the lot as the site for the new hospital. The expenses incurred would come from the Building Fund.
4. We recommend that the Trustees study the pledges, making a further investigation of promises of real estate, building materials, and bank accounts for the Hospital Building Fund, and accept them in the name of the Hospital for the purposes specified.
5. We recommend that in the light of the need of publicity for the entire hospital program, and especially the building program, that the missionary be furnished bi-monthly progress reports which will be published in the "Surf Sounds".
6. We recommend that inasmuch as this hospital program was Baptist-born-and-bred that we Baptists awaken to the fact that its success or failure depends primarily upon us, and that we pledge ourselves to God and to one another to take a keener interest and more active part in the hospital program this year.

Annual Report of the Board of Trustees, Eastern North Carolina Baptist Hospital, New Bern, North Carolina

HOSPITAL HISTORY

In the summer of 1957 the Atlantic Baptist Association initiated a campaign for the purpose of securing funds to build a hospital. The response to that drive has been a splendid, heart-warming experience.

In the first phase of the Building Fund Drive $240,000 of a $600,000 goal was pledged. This amount came from 22 per cent of the cards distributed, and was reached in five months!

Atlantic Baptist Association assumed operation of Kafer Memorial Hospital in New Bern on January 1, 1958, with 33 patients. From then to this date cash and pledges have continued to be received. Total cash and pledges are approximately $265,000. For this we are humbly grateful.

THE LADIES' AUXILIARY

In May, 1958, the Ladies' Auxiliary was organized through the sponsorship of the Woman's Missionary Union of the four Baptist churches of New Bern. The officers are Mrs. V. J. Chance, of First Baptist Church, President; Mrs. John Privott, of National Avenue Baptist Church, Vice-President; Mrs. Charles Hill, of Temple Baptist Church, Secretary; and Mrs. Sam Futrell, of Tabernacle Baptist Church, Treasurer.

The work of the Ladies' Auxiliary is organized into various committees. Ladies of all of the churches in our Association, plus those of other denominations, have been invited to become active or associate members.

This organization has a two-fold purpose: 1. Service, and 2. Public Relations. It is not a fund-raising organization. The ladies distribute books, magazines and refreshments to patients.

We are indeed grateful for the co-operation of the ladies throughout our Association, and welcome their continued support.

SOME GRACIOUS GIFTS

Your Board of Trustees wish to thank all of the churches for their gifts of linens and other housekeeping supplies. These gifts are too numerous to mention individually, but we do not know what we would have done without them. We urgently request your continued support in this manner.

OUR HOSPITAL ADMINISTRATOR

Mr. Parker Morton, our Administrator, began his work with the hospital on Monday, February 24. Born and reared in Kellum, near Jacksonville, he received his formal training in Wake Forest College and Rex Hospital. He is 30 years old, single, and a Baptist.

For the past three years he served as Assistant Administrator of the Cape Fear Valley Hospital of Fayetteville. During a part of that time, he served as Acting Administrator, while one was being sought. He came highly recommended by all those with whom he had worked, and has performed an outstanding service during the months he has been associated with our hospital. It was after much prayer for God's guidance that we employed him, and he has proven himself to be a dedicated servant of the sick.

THE DEEP THERAPY MACHINE

Soon after we assumed operation of the hospital, a contract was signed by the Secretary of the Scottish Rite Bodies and the Chairman of your Trustees which made possible its continued use. This machine performs a dual role. The deep therapy treatment is administered to patients suffering from malignancy. Superficial treatment is given for warts, ringworms, bursitis, and many other non-malignant conditions. Dr. William Bell, radiologist, administers this treatment and is in charge of this department.

SPECIAL SERVICES

For treatment of diseases of the skin a clinic is conducted each Wednesday afternoon from 1:00 to 5:30. Dr. Terry Withers, dermatologist, of Kinston, is in charge of this department. He is seen by appointments, which are made at the Information Desk in the hospital.

Dr. Walter Hunt, orthopedic surgeon, of Raleigh, holds an orthopedic clinic every second month. He is seen by referral of your physician.

NEW EQUIPMENT ACQUIRED

It has been our goal to constantly improve the care of patients. Reactions from the patients have been most gratifying indeed. We constantly receive letters from former patients, expressing their appreciation for the services performd by the medical staff and nursing personnel.

In pursuance of that goal we have purchased an oxygen tent, a flame photometer for laboratory use in blood analysis, a dermatone for skin grafting, a complete new set of furnishings for the children's ward, two new typewriters, an office desk, a suction machine for use with surgical patients, an electric cast cutter, three new electric fans, twelve dozen sheets and bedspreads, and $500.00 worth of miscellaneous instruments. These are the major purchases. There are others.

BUILDING REPAINTED

Recently the work of painting the building, inside and outside, was completed. We paid for painting the inside. Mrs. Helen Kafer bore the expense of painting the exterior of the building.

CHAPLAINCY INSTITUTED

The main reason why we Baptists are engaged in the hospital ministry is to minister not only to those ill of body, but also to perform a service to those possessed of the deeper ills of the soul. Therefore, soon after we began operating the hospital, a chaplaincy was instituted. It is a service of love, performed by various pastors and our Associational Missionary. Each Sunday morning the Rev. John Privott, our Associational Missionary, conducts a devotional service over the public address system in the hospital. Each day during the week a different pastor serves as chaplain. Though this plan has met with the enthusiastic response of the patients, we have felt that the proper relationship could not be established between minister and patient, with a different minister serving each day. Therefore, we are at this time in the process of changing to a plan whereby a minister will serve for an entire week, intead of one day. The Sunday morning devotional period will be continued as originally begun. To help us to implement this new service plan, Dr. Richard K. Young, Chaplain of North Carolina Baptist Hospital, of Winston-Salem, and Director of its Department of Pastoral Care, will visit our Association on November 3, and conduct a seminar on The Volunteer Chaplaincy. This will be in connection with the Pastors' Conference in Aurora Baptist Church.

COMMITTEE VISITS US

Sometime ago there was a request from our Association to the State Convention for assistance in our hospital ministry. Therefore, a subcommittee of the Committee Of Twenty-Five visited us twice during the past year. They came as a result of our request to the State Convention. Our hospital is the only institution they visited, other than those owned and operated by the Convention. They did not make any commitments, and we do not know what the result of their visits will be when they make their report to the Convention.

Missionary Report

This is the Seventy-Fifth annual session of the Atlantic Baptist Association. This Association has a notable and rich heritage, a history of labor and sacrifice.

There are some great names written upon the pages of her history. Many family names which meant much to the work of the Lord in this area are extinct. Some of the family names continue in the area and in the work of the Association.

Written upon the pages of history of the Atlantic Association are accounts of great undertakings and achievements. History is being made of the great undertaking now underway.

The spirit of cooperation was prevalent among the people of olden days. The desire of mutual love and devotion was to be seen in many places and among many of the brethren.

Changes must come where there is life. With the coming of changes and a clear observation of the history of Atlantic Baptist Association, one is made ever so aware of the fact that land and properties can be passed on to descendents but faith is a personal matter that every generation must experience for itself. It would seem to cause us to suffer loss. We believe that there are many evidences pointing to a recovery of experimental Christianity which is moving our people onward and upward.

To the end that we use our resources in an effective manner. We have the following proposed program for Emphasis in Association work:

1. Missions
2. Christian Education
3. Evangelism
4. Social Service

Respectfully submitted,
JOHN PRIVOTT

Brotherhood Report

The men of the Atlantic Baptist Association have experienced many inspirational periods this year. There has been an increase in membership and an increase in Church Brotherhoods by four giving us a total of 29 Brotherhoods. Some of the highlights of our year were:

1. Attending State Brotherhood Convention at the State Fair Arena in Raleigh
2. Men's Rally at Havelock First with 300 men in attendance
3. Regional meeting in Wilson
4. Our Ladies Night in New Bern

These along with all of the Churches having regular monthly Brotherhood meetings. We feel this year has been one of the most outstanding years in our work because of the renewed interest of our men in the whole program of our Church and of our Denomination and of the Great Commission. Many of our Brotherhoods have sent men to other Churches in

witnessing to the lost. We are expecting more of our men to start witnessing both at home and away from home.

As a personal word, I would like to thank each pastor and each church and each layman for the fine spirit of unity and cooperation that they have given me during the past six years in helping to carry forth our Brotherhood program. I am sure we will have greater years ahead in this work together under our new leader.

"Seek ye first the Kingdom of God and His righteousness and all these things shall be added unto you". Matthew 6:33.

Respectfully submitted,
GEORGE V. McCOTTER

Woman's Missionary Union Report

This past year Woman's Missionary Union has emphasized Aims for Advancement. World Awareness—Spiritual Life Development—Christian Witnessing—Sharing Possessions—Educating Youth in Missions—Enlistment for Missions—Leadership Training and Reporting Advancement.

What higher aims does any christian need, than these? On the other hand why have Aims unless we are continually striving to attain them, so improving the quality of our work. This means the effort of every member of Woman's Missionary Union. We have three additional full-graded unions this year. Making a total of eight. Three societies are Approved and four Advanced. A net gain of two Approved, and a net gain of two Advanced societies.

Our annual meeting was in the Spring Garden church, with good attendance. The encouraging thing about this meeting was the evidence of the presence of the Holy Spirit. I cannot help but feel that the prayer preparation for the Simultaneous Revival was responsible for this, we were most grateful. Let us pray that in all our work that His Spirit will ever be present. The lovely flowers came from the garden of Mrs. N. L. McLawhorn. Mrs. A. L. Parker our State Enlistment Vice-President was the State Office visitor. Her message on Enlistment was most inspiring, and so very challenging. Our enlistment has increased this year. Miss Theresa Anderson was the missionary guest, her message was clear and concise. Evidently we did not take it personally, because all our mission offerings are less than they were last year. Is this evidence that we care less for those millions who are lost? God forbid. Let's resolve here and now to change the complexion of our giving, not only our Money, but Time, Talent, and Personalities. We still have many opportunities right in the Association. Three churches without any missionary organization. Several with organizations that are inactive. As your superintendent I covet the prayers and cooperation of every pastor, W.M.U. president, every counselor, and member. Will every member of Woman's Missionary Union take as her motto for this year: "O, for a Thousand Tongues To Tell".

Report of Nominations Committee

PART 1.

In accordance with Article 10 of the Constitution, it is recommended that the member selected by each church, whether or not listed in the church letter, be elected to the General Executive Committee. Passed.

PART 2.

The persons listed in this report have been selected by the committee over a period of several months, and during several meetings. At no meeting was the entire committee of six present, but the list as presented was read at a meeting just yesterday, and discussion was harmonious, endorsing these as the choice of the committee. Further, with just a few exceptions, these nominees have been contacted in writing, and have indicated their willingness in writing to serve in the positions indicated if elected. The departmental workers under the direction of our Associational Sunday School Supt., Training Union Director, and Brotherhood President have been nominated to us by the elected heads of these departments, and also have indicated a willingness to serve.

One of the exceptions, but one who we believe will not only serve, but will do an exceptional job, is Miss Ruth Durham, our choice for chairman of Music. Correspondence has been exchanged, but since she has worked in our area just a few weeks, her decision had not reached the chairman of nominations before the preparation of this report. If elected, it is a part of this recommendation that she be given the same privilege of selecting her co-workers on the music committee, and that the cabinet be instructed to elect them when she is ready to submit her choices to them. A few workers need yet to be enlisted to assist our department leaders. This same plan is recommended in these cases; that is, that these department leaders seek out the workers that are qualified and will work harmoniously with the leaders, and that they be elected by the Cabinet. Passed.

NOTE: MISS DURHAM DECLINED TO SERVE

PART 3.

At the Annual meeting of the Association, in the afternoon session yesterday, our committee was instructed to nominate the following:

A pianist, and a song leader to function at the next annual association and at any special called sessions of the association. After consideration, it was our feeling that the association might reconsider this instruction and place the responsibility for this work under the supervision of the elected chairman of music. Passed.

PART 4.

Baptist Hospital Report

Our Baptist Hospital, located in Winston-Salem, is a medical center which provides a well-rounded program of medical care and training under Christian guidance and influence. It was planned and constructed under direction of a hospital commission authorized by the Baptist State Convention and was opened to patients May 28, 1923.

The hospital serves our people when they are sick and need specialized medical care which requires facilities beyond those available in their own communities. The Hospital works in full co-operation with our local physicians. It offers a wide range of specialized training in the different

fields of medicine and surgery, in nursing, in various other fields of medical care, and in pastoral care.

Last year the Hospital provided bed care for 16,000 patients. There were 120,000 visits to the clinics and offices of the medical staff and chaplains. Service patients came from 92 of the 100 counties of the state. The services of the medical staff were given free to all service patients, and the Hospital spent more than half a million dollars in providing free care for them beyond what they were able to pay.

A service patient pays what he can of the cost of this care. To help make up the difference between what he can pay and the cost, the Hospital has some assistance from welfare agencies and the Duke endowment for patients who can qualify, but it must depend primarily upon the Mother's Day offerings. This fund can be used only in cases of real need and after the patient's family has paid all it can and all other possible help has been secured. During a given period of time, patient income was $12,270,109.78 while Denominational income and designated gifts were $8,106,501.09.

If our Hospital is to be able to continue free service to our sick, Baptist must give more. There are two factors which are forcing our Hospital to seek a largely increased Mother's Day offering: First, hospital costs everywhere have increased more than 30 per cent in the last five years; Second, as the number of North Carolina Baptist increases, the demand for this service increases. Fortunately there has been an increase in the amount of Mother's Day offerings throughout the state. Unfortunately there has been a decrease in the amount of Mother's Day offerings to our Hospital from the Atlantic Association. In 1957 we gave $2,067.19; in 1958 we gave only $890.68 to our Hospital. Thirteen of our churches gave nothing in 1958. Yet, it is clear that only through greatly increased support by our churches can the Hospital hope to continue to give the large volume of free service it has been giving to our people.

I believe Baptist of the Atlantic Association will provide the necessary funds if they realize the need, for I have found that when churches acquaint their people with the need, the response is excellent. Once each year—on Mother's Day—we give a little to help provide care for the needy sick at our Hospital in Winston-Salem. But that is not enough. Our interest in North Carolina Baptist Hospital should be a year-round matter. for it is our Medical Center, ministering with skill and understanding to all who seek its services—whoever they may be and whatever their financial status may be. May we give so another may live.

I encourage you to show the Hospital movies—"The Ministry of Healing" and the filmstrip "Your Gift for Healing" and to present the Mother's Day program for 1959, so that your people will know and when they know, they will do.

Respectfully submitted,

JULIAN R. MORTON

Report On Christian Education

All seven of North Carolina's Baptist Colleges are fully accredited by our North Carolina College Conference and the Southern Assocation of Colleges. They are basically liberal arts colleges, preparing their graduates for entering certain general professional occupations or transferring to other colleges and universities for further study. The costs for the student are comparable to those in other colleges of like standing with generous provisions for various types of financial assistance in grants as well as work scholarships.

Our five two-year junior colleges and our two four-year senior colleges are not only good colleges from an academic standpoint but they are Christian in purpose and motivation. W e believe these colleges embody the "Seven Marks of a Christian College" as follows:

1. Christian Ownership—These seven colleges are owned by the 844,-689 Baptists of North Carolina who delegate their operation to trustees elected by the Baptist State Convention.

2. Christian Administration—The Christian men and women who are elected as trustees select others as administrators who are dedicated to the advance of the Kingdom through the training of young men and young women for Christian leadership. We believe our seven Baptist Colleges have Christian administrators.

3. A Christian Faculty—More than 400 competent Christian men and women are employed as teachers. They are chosen for their personal Christian dedication, their intellectual honesty, their educational preparation, and their ability to teach. The Christian faculty constitutes the first imperative in a Baptist College.

4. Christian Students—A Christian College campus provides the finest educational environment for young people coming from a Christian background. In such a climate young Christians develop more completely and non-Christians are more readily helped educationally and personally.

5. Christian Ideals—Christian education takes total knowledge and translates it into the practical, workable, durable pattern of personal living for a purpose: service to God and mankind. This is no small ideal, but it is the ideal to which Christian Colleges pay allegiance.

6. Christian Teachings—The basic interpretation that flows from Christian truth enhances every subject thought in our seven Baptist Colleges. The content of these academic subjects is alike in all good colleges. The basic differences lie in the application of the dynamic faith of the Christian religion; thereby, adding new light and new truth to the mind of the student.

7. Christian Service—The end product of a Christian College will be found in Christians at work for the Kingdom as teachers, preachers, missionaries, housewives, business and professional people, politics, etc. Completing their studies, these graduates of our Christian colleges go out with a fresh breadth and wholesome outlook of Christian faith in whatever they may do.

Believing that North Carolina Baptists have seven colleges working to make these seven marks of a Christian College effective in all respects, let's take a look at some interesting statistical materials as follows:

Six of our seven Baptist colleges are coeducational (for both men and women); Meredith is for women only.

All of our colleges major in the liberal arts and sciences. Liberal arts credits from the junior colleges are all acceptable at the senior colleges.

The junior colleges (and the senior colleges in selected fields only) provide terminal courses in vocational areas. Chowan also offers training in the graphic arts (printing).

Teachers in all the colleges meet frequently to discuss common problems and the improvement of their work in all subjects.

The Council on Christian Education of the Baptist State Convention of North Carolina is the correlating agency for all our seven Baptist Colleges.

All of our colleges are fully accredited by the Southern Association of Colleges and Secondary Schools, and are members of recognized educational associations.

One-eighth (7,634) of all students in North Carolina's 61 colleges and universities are enrolled in our seven Baptist colleges.

Beginning in 1957 Father's Day has been designated for our Christian Education Emphasis in North Carolina Baptist Colleges with a special offering for providing financial assistance for hundreds of fine students unable to attend college without such help. The Baptist Council on Christian Education expresses the hope that through increased financial assistance through the Cooperative Program and this special Father's Day offering it will be possible for these colleges to maintain their high standards of training without increased costs to students. The costs of college

education have doubled in recent years and will continue to rise; but Baptists must find some ways whereby these climbing costs can be met without becoming prohibitive for our fine Baptist young people who are not always among our higher income citizens.

Respectively submitted,
ANTHONY Z. GURGANUS

Report of Committee On Social Service-Temperance

In reviewing the many fine reports on this subject of years just gone by, one wonders if these reports are not just scholarly collections of platitudes and "musts" that are read by the chairman, then studied by the succeeding chairmen in order to fill the minute-book year after year. Such a conclusion is certainly defendable, because the picture painted in the reports grows blacker and blacker as the years go by. The definition of this subject grows broader and broader as life seems to take on a more complex nature with the progress of time. Therefore, it shall be the purpose of this report, and this writer to seek to see a reason from the standpoint of Baptists, and to pin the subject-matter down to a local level.

Beverage Alcohol: For some reason, this subject always has as its main sub-heading the evil of alcoholic drink. Last year we saw Jones County round out our association with ABC stores with so little opposition that one wonders if temperance is even in our vocabulary. Just a brief report on down-to-earth reasons why might be in order. First, Baptists are not against alcoholic beverages, if we are to term Baptist every minister, deacon and member of our churches in this association. It has become standard procedure for one of our most common occurences at minister's conferences, and at other smaller gatherings to hear silly remarks about corn-liquor made by an ordained minister, and then watch the equally silly giggling of others nearby as they strive to remain a member of the

popular circle. It is also reliably reported that after the opening of the ABC store in Jones County that a deacon in a Baptist church became active in its operation. It is only fair to report, however, that a God-fearing conscientious pastor did take some action about this particular case. Further, it is commonly reported that beer is consumed in many, many homes of our Baptist members. It is little wonder that liquor interest make such rapid progress, for a larger segment of our membership than ever are not only refusing to carry out the covenant, but openly defy the historical beliefs of Baptists, literally aligning themselves with those cursed creatures from the pit who manufacture and sell the poisonous drink to their victims, often wilful victims.

Home Life: Closely connected with the problem of alcohol is the decay of home life; this also is not best depicted in statistics, but perhaps is better shown by our evidences here near at home. The shame of even suggesting the lowering of moral standards at Baptist Colleges is not an indictment of our Colleges, but of the homes from whence the students come. It is well known that with the ushering in of the acceptance of the dance, there always follows the acceptance of drink, and the moral decay of our youth to the indulgence in illicit romance. Again, as we view our own homes and communities, it is little wonder that the divorce rate seems to decrease, because there seems to be no need for divorce, when so-called leaders of society and community respected people reportedly live audultrous and otherwise immoral lives, apparently winked upon by religious leaders, and continue to be active in the civic and church affairs of the community with no fruit mete for repentance.

Home has been defined by some one as the place where part of the family waits, while the rest of the family uses the car. In the words of a previous report on this subject, home has become a filling-station, a restaurant, and a waiting room. It seems strange that a Bible-centered denomination will allow its members to rapidly depart from the fact that God established and sanctified the home thousands of years before He established His church. We can construct buildings, evangelize, organize, harmonize, politicize, criticize, melodize, deputize, and simonize to our heart's content, all in the claim of serving Christ, but until there is spiritual and moral fibre to a home, the church will not effectively wage war against the devil. In some Baptist homes our pastors report that seldom are kind words spoken, never, or almost never, are the Holy Scriptures read, and in many homes where they are read, it has become discipline rather than devotional. Prayer is seldom heard except briefly in the public worship services, when in the infancy of Baptist work, the raised voices of men and women crying out to God in agony of soul for lost men and women, and for the missionary needs was commonly reported by passersby when they were yards distance from Baptist Homes. In reference to the care of children, we worry about how to leave them a fortune, but then do not take the time to mold the life of him to whom it shall be left. Or, in the words of a more profound writer, we are so busy making a living that we do not have time to make a life. Children hardly know the meaning of a play hour with parents, as satan has tricked us into a far-too-busy schedule.

Race Relations: The most popular, and yet unpopular remarks are made in this particular field of discussion. Almost hourly, we approach the decisions that are forced upon us of making a stand on this subject. We may think that we can continue to reply that "we must be Christian about this thing", but most likely before another association, we may be called upon to prove what this means. To be Christian will be demanding of us practical actions rather than platitudinous speeches. If we have no convictions, we had best get some, and then be prepared to stick by them. It may be that if we would "be Christian about this thing" and begin to pray as Christ prayed, and I don't mean "let this cup pass from me", but rather "Thy will not mine be done", God would give us wholesome, richly acceptable understanding of this subject, and guide us into wise

courses of actions without fear or disfavor with each other, other communities, and other races.

Conclusion: Is there such a thing as a conclusion to such a report on such a subject? I will venture one statistic. In the Atlantic Association, as Missionary Baptists we number about one-tenth the average strength of our great state. If we believe that our program is God-given, we have been idle too long as compared to our brethren to the west. Let us set our hearts in order, our homes in order, our churches in order, and seek to gain not a good report alone, but true converts for the Kingdom of God.

Report of the Cabinet

The first meeting of the new year was the busiest for the Cabinet so far as the number of decisions made. In addition to the appointment of committees, the following decisions were made in this meeting:

—To dedicate the 1958 Minutes to Dr. John H. Bunn.
—To write an appropriate resolution concerning the services of Dr. M. A. Huggins as General Secretary of the N. C. State Baptist Convention.
—To maintain possession of the New Bern-Havelock Mission lot on new Hwy. 70 rather than deed it to the mission or the Mission Council.
—To approve request for aid on pastor's salary from the State Mission Board for the Sealevel and Parkview Churches.
—To make request to the State Mission Board for aid on Missionary's salary.
—To accept the resignation of Carlton P. Rose as clerk of the Association.
—To instruct the Nominating Committee to select a Music Director for the Association.
—To ask each pastor for nominations for ones to serve as trustees of the Hospital in New Bern.

Some other matters discussed and acted upon by the Cabinet during the year were:

—To accept the plans for the Simultaneous Revival for the Spring of 1959 as presented by the Chairman of Evangelism.
—To permit the New Bern-Havelock Mission to sell or trade the lot given by the State Convention to the Association for a more suitable lot for a church. The Trustees of the Association were instructed to sign the necessary papers.
—To ask the other associations surrounding this association to nominate trustees to serve on the Board of Trustees of our hospital. To this request there has been no response from any association.

There were several other meetings of the Cabinet in which long discussions were held on several subjects, and in many instances no concrete decisions were made. One of these was the Harker's Island Mission. Another was the beginning of new missions within the association. A third subject of discussion was the hospital which we own and operate in New Bern. This has taken a considerable part of the time in every meeting of the Cabinet, with many ideas being discussed. The Cabinet has also met with the Trustees of the Hospital on several occasions. Though there have been many suggestions concerning what to do and when to do it, there has been an inability to get the hospital program on the solid footing on which it should be at this time. More will be said about this at a later time.

The Cabinet has had a little unusual problems this year with committees of the Association. In some instances persons leaving the Association have left a committee or two badly crippled; hence, the work of the committee has been handicapped to a great degree. In other instances, it has been difficult to find out whether or not a committee is taking its work seriously enough to even have a meeting.

A more distressing matter, though, has been the membership of the Cabinet itself. In most of its meetings, the Cabinet has hardly had enough members present to transact any business. Because of this, some changes need to be made in the official workings of the Association between its annual sessions. This is, I believe, the opinion of the majority of those who have been on the Cabinet this year. The chairman is of this mind and intends to present at a later date a proposed change in the Constitution to effect such.

Alec. F. Thompson
Chairman of the Cabinet.

Missionary Report

The year 1958-1959 has been one characterized by great needs, opportunities, and potentialities in Associational work. Sober and wise thinking, planning, and promoting is sorely needed in every department and phase of our work.

The rapid turnover of pastors (equal to about one third of the total number each year), the continued problem of lowly paid salaries for our pastors, the uncertainty of the Baptist Hospital in New Bern and the plague of constant resignations in Associational leadership are a few of the multiplicity of our problems.

The churches of the Association have won more people to Christ this year than in any other previous year. Missions giving appears to be at one of the peaks, but a shocking awakening is needed in this area.

There are several outstanding needs at this hour:

1. A new Associational Constitution at this session with provisions for a return to the General Executive Committee composed of one layman and the pastor of each cooperating church at the interim association. (Because of the urgency of this matter, it cannot wait for another year.)

2. Wise, Spirit led decisions need to be made relative to the Baptist Hospital in New Bern.

3. A spirit of "togetherness", fellowship, love and concern among our people and our churches as one great army moving against sin.

4. An enlarged vision of Missions, Christian Education, Evangelism, and Social Service. Our church budgets need a great transformation from "self" to "others".

5. Holy Spirit messengers during these sessions when officers are nominated and elected, and when all recommendations and matters of business are considered.

Brotherhood Report

The purpose of the Brotherhood is to discover men and their talents and to enlist them in every phase of the program of the church and denomination. The Brotherhood seeks to accomplish this purpose by offering programs and activities in an atmosphere of fellowship, study and action. Programs and activities are planned in four major areas: Evangelism, Stewardship, Cooperative Program or World Missions, and Royal Ambassadors.

Your associational brotherhood officers have tried to fulfill this purpose and follow the outlined program for the past year in the following manner:

Date	*Theme*	*Place*
October 1958	3 Brotherhood Clinics	Beaufort, Jacksonville and New Bern
November 1958	RA Conclave	Maysville Memorial
December 1958	Stewardship	Maysville Memorial
June 1959	Joint Brotherhood & RA	Swansboro
September 1959	World Missions	Morehead City

Even though the attendance at these meetings was not all that we would have desired it to be, the fellowship, spirit, information and inspiration received on each occasion was full to running over.

In the past year there was one new Brotherhood organized at Pollocksville and two new RA Chapters at Davis and Stella. May the Lord lead and bless these in their efforts for greater service in Jesus's name.

Did you know that seventy-five per cent of the men on our church rolls are still inactive? The greatest challenge we have as individuals, as churches, as an association is seeking to enlist these men into fruitful service for our Lord and Saviour Jesus Christ. Let our prayer be that through faith and work we may not fail Him, who gave His all for us, in meeting this challenge.

In His Service,

Paul Drake, *President*

Woman's Missionary Union Report

The Baptist Third Jubilee Advance is a five year program. This past year the emphasis was Evangelism through Cooperative Witness. Woman's Missionary Union has participated in this program. We have studied "Christian Witnessing" to help implement the goal of witnessing. This is not new, rather one of our Aims for Advancement. Yet many of our societies report no soul-winning visitation. This year we had Leadership Conferences in the three groups. The Conferences were led by Associational Officers and were well attended.

Our Annual Meeting was held in the Atlantic Church. Mrs. Leland Kitchin represented the State Office. She brought a message on "Ways of Witnessing". Some of these ways are through Mission Study, Prayer, Stewardship and Community Missions. Miss Lydia Green, our Missionary to Malaya, brought the closing message, "Show Forth His Salvation". Next year we will meet with the Richlands Church.

Our Special Offerings this year show some increase, but not the 5% that is a Jubilee Goal. I was encouraged with our State Mission Offering, however, we must take State Missions much more seriously in our Association. Many causes in our Association benefit directly from State Missions.

Our Youth work has had eighteen new organizations this year. Thank the Lord for these and for the many women who are leading our young people. We have two honor Y.W.A's—two honor Intermediate G.A.'s—four honor Junior G.A.'s.

Six Missionary Societies were advanced and one approved. Now there are eight cards of accreditation. Let all of us work toward attaining these recognitions—not for recognition, but to improve the quality of work done, for the ongoing of the Kingdom at home and to the far ends of the earth. Why not strive to give a better witness in the future, it is, "Not by might, nor by power, but by my spirit, saith the Lord God of Hosts."

Respectfully submitted,
Mrs. E. L. Davis

Cooperative Program Report

Some 3,300 Baptist Churches in North Carolina with 900,000 members working together for the evangelization of the world is the objective of the Cooperative Program.

As has been expressed in a generally accepted Covenant for Baptist Churches throughout the Southern Baptist Convention, we find a definition acceptable to all of us as a basis for our united effort in Kingdom building.

"Having been led, as we believe, by the Spirit of God, to receive the Lord Jesus Christ as our Saviour,

And on the profession of our faith, having been baptized in the name of the Father, and of the Son, and of the Holy Ghost,

We do now, in the presence of God, angels, and this assembly, most solemnly and joyfully enter into covenant with one another, as one body in Christ.

We engage, therefore, by the aid of the Holy Spirit, to walk together in Christian love; to strive for the advancement of this church, in knowledge, holiness, and comfort;

To promote its prosperity and spirituality; to sustain its worship, ordinances, discipline, and doctrines;

To contribute cheerfully and regularly to the support of the ministry, the expenses of the church, the relief of the poor, and the spread of the gospel through all nations."

The above is the spirit of cooperation, the following is the practice. The General Board of the Baptist State Convention has recommended to the Convention that we cooperate in 1960 in reaching $4,300,000.00 for the following objects: Convention Expenses, General Services, Administration, Foundation, Stewardship and Promotion, Woman's Missionary Union, General Missions, Church Programs, Baptist Building, Education, Hospital, Orphanages, and Southern Baptist Convention Causes. The Cooperative Program income of the Convention will be divided: Southern Baptist Convention causes one-third, State Convention causes two-thirds. This is up to $4,100,000.00. Any income beyond the $4,100,000.00 will be divided, Southern Baptist Convention fifty cents, State Convention fifty cents.

The Churches in the Atlantic Baptist Association are challenged by this cooperative effort to unite with the other churches in the state in reaching this goal. This can be done only in the spirit of our Covenant. We will keep before us at all times the goal to which the Apostle Paul referred and

"run the race with patience that is set before us, looking unto Jesus the author and finisher of our faith."

Annual Training Union Report

This has been a good year in Training Union work throughout our association. The theme, "Thou Art The Christ," has called our people back to the central figure in God's redemptive plan and purpose for the world. The aim in Training Union has been "to help us acknowledge more fully the lordship of Christ in every area of our lives." Our people can never go far afield, so long as they have such a theme and aim held constantly before them.

It has been a genuine joy to direct the work of Training Union, for I have been aware that we were thus implementing the second part of the Great Commission, which commands us "to teach them to observe whatsoever Christ has commanded us." It is my firm conviction that we have been zealous to preach, reach and baptize people, but lacking in our determination to teach and train those whom we have won to Christ. This is plainly shown by the fact that several of our churches still do not have a Training Union as a part of their program of work. It is earnestly hoped that this new church year will record the fact that each of our churches established a training program for its members before another annual meeting is convened.

One of the discouraging features of Training Union work within our fellowship is the fact that, though many of our churches are performing outstanding service through Training Union, the local Training Union Directors have not forwarded their quarterly reports to the Associational Training Union Director. Therefore, we could not measure the effectiveness of their work, nor could we offer guidance toward more proficient service in this field. Let me urge you to make your quarterly, written reports throughout this year. Mail them to your new director. This is of the utmost importance.

Our theme for 1960 is "Training In Church Membership." Our Scripture reference is a time-honored passage: "Study to shew thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth." II Timothy 2:15. Our aim: "Through an increased understanding of the true meaning and responsibilities of church membership, to help us to acquire knowledge and to develop certain attitudes, appreciations, and skills which will make us more effective church members."

The following goals have been proposed for Training Unions throughout the Southern Baptist Convention for fiscal year 1960:

1. 3,000 additional churches with Training Union work.
2. Enrollment goals
   A. 400,000 increase in Training Union enrollment.
   B. Enroll every new church member in Training Union.

3. All churches conducting a training class for new church members, using the book, "Your Life and Your Church," by Dr. James L. Sullivan.
4. A functional associational organization in every association.
5. Two million study course awards
   A. All associations reporting at least one study course.
   B. 20,000 churches requesting study course awards.
   C. 100 associations having 100% of their churches requesting awards.
   D. 300,000 awards on Training Union principles and methods books.
6. All associations observing "M" Night. Goal for "M" Night meetings on December 5, 1960, of 600,000, with 23,000 churches represented, and 16,000 pastors present.
7. 2,500 churches observing and reporting Youth Week.
8. 700 associations observing and reporting Baptist Youth Night, with 80,000 attendance goal and 7,000 churches represented.
9. 200 associations with Training Unions in all of their churches.
10. 600 associations conducting clinics to train church officers and committees.

The following activities are suggested for Training Unions in our local churches:

1. Using the "Themes For Emphases," set up a Calendar of Training Union Work, and follow it month by month.
2. Set a goal of 15% increase in enrolment.
3. Work by the Standards. Determine to do the work suggested in the Standards.
4. Conduct a Study Course in March. Observe "promoting Membership Training Week" March 21 through 21, 1960. Use the following books in this week of training:
   (1) Juniors: The Junior And His Church, by Geane A. Roop.
   (2) Intermediates: Now You Belong, by Josephine Pile.
   The Meaning of Church Membership, by Sadie Tiller Crawley.
   (3) Young People: The Challenge Of Church Membership, by Charles Wellborn.
   (4) Adults: Joy In Church Membership, by Donald F. Ackland.
   Working Together In A Spiritual Democracy, by Gaines S. Dobbins.
5. Promote the study of books on soul-winning preceding revivals, and on doctrine following revivals.
6. Conduct a Class For New Church Members.
   The Training Union should organize a class for new church members after each revival, using the book, Your Life And Your Church, by Dr. Sullivan.
7. Observe Youth Week in your church April 4-10, or at some other convenient time. See the Training Union Magazine and the Baptist Training Union Associational Bulletins for a suggested program.
8. Observe Christian Home Week the week of May 1-8, 1960. Co-operate with your Sunday School in promoting this.
9. Promote the study of Methods Books in the Fall.

Mobilization Night will be observed in our association on December 7, 1959. It will be held in First Baptist Church, Havelock, at 7:30 P. M. Dr. L. H. Hollingsworth, new Chaplain of Wake Forest College, will be the speaker. The attendance goal is 600. Special music will be performed by the choir from Kennedy Baptist Children's Home.

It has been a joy to serve you during the past year. May you go forward to greater heights in training for our Master during this new year.

Respectfully submitted,

Dr. James C. Buchanan, Jr.,
Associational Training Union Director

Report On North Carolina Baptist Program of Christian Education

In this report we are considering Christian Education in terms of our seven Baptist colleges in North Carolina. In its broader sense, the term includes many other educational and training activities in our local churches.

Chronologically we recognize our seven Baptist Colleges as follows:

Wake Forest College	1834
Chowan College	1848
Mars Hill College	1856
Campbell College	1887
Wingate College	1896
Meredith College	1899
Gardner-Webb College	1907

Progress in our North Carolina Baptist program of higher education has not been in the number of institutions, but rather in the changes made within the seven institutions which have been in operation more than a half century. The geographical distribution of these colleges throughout the state makes one of them fairly close to all our Baptist young people. Time does not permit a review of each of these seven colleges, but as a group they now constitute a program of higher education second only to Texas among all states in our Southern Baptist Convention territory. About 8,000 students are enrolled each year in these colleges—more than one-eighth of all college students in North Carolina. The annual operation budgets total more than $10,000,000, of which our Baptist people through church offerings provide approximately five per cent. Students, through tuition and fees, pay about 60 per cent and the remaining 35 per cent comes from endowment and gifts.

Perhaps the most significant development in the work of our colleges in this present year is the action of our Baptist people in adopting the report of the Convention Committee of 25 as it relates to our colleges. It does not recommend the addition of any new colleges at present, but it does recommend that consideration be given to the possibility of changing some of our two-year colleges to four-year colleges, and already progress is being made in this respect.

These Baptist Colleges will continue to be faced with the competition of all other colleges in both the quality of their work and the growing costs of operation and expansion. Our college young people must be convinced that academically they are as good as the best, and that these Baptist Colleges also provide for them what present-day young people need most in a college community. As Baptist church leaders and parents of these young people, we want our colleges to be Christian and present a positive Christian witness at all times and in all respects.

As Baptists, we must try to understand our colleges and their importance in all departments of our work. If we believe in them we will see that they have sufficient funds to become the kind of colleges that will meet the needs of our young people. We must encourage our young people to attend out Baptist Colleges. As a denomination, our future will depend largely upon the type of leadership we educate in our colleges.

For the third year our Christian Education emphasis was observed on Father's Day, Sunday, June 21. The response this year was most encouraging, both in the wide distribution of promotional materials and in the offerings made on Father's Day. We hope that the observance of this annual emphasis will result in a better understanding of these colleges and their importance in our work.

With all the progress we have made in enlarging the facilities of these seven colleges, we are providing for only one of every four Baptist youth going to college; and it is doubtful that we can maintain this ratio with the coming tidal wave of college students, nearly one-half of whom will be our Baptist young people.

Report On the American Bible Society to the Atlantic Baptist Association '59

The Bible speaks through the American Bible Society to all who have access to this Holy Book. The sad part is there are so many who do not own a Bible.

Nineteen centuries after Christ came people are still saying "Why have you not brought us the Book?" The people of India, the blind children of Korea, the dumb of all lands and the well of this, our great world, need God's Word of love and forgiveness.

Do you realize that only one person in ten owns a copy of the Scripture? The American Bible Society's feather-weight, plastic phonograph, that can be operated by one finger, has been hailed throughout the Christian world as a great new idea for advancing Bible teaching to millions who cannot read. It costs $10.00 to provide three machines and 18 records. One machine can reach as many as 500 souls.

Martin Luther said, "Would that this one Book were in every language, in every land, before the eyes, and in the ears and hearts of all men." The American Bible Society publishes the Bible in nearly every language known around the world. Through gifts from churches and individuals millions of copies and portions of the Bible are distributed free of charge. The prices of Bibles are kept to a minimum and copies are available in the Braille system for the blind. Surely this is a worthy interdenominational cause.

Therefore, put the American Bible Society in your Church budget and give individually to this great Kingdom enterprise.

History of Smyrna Baptist Church

In the early part of the eighteenth century, there was not a Missionary Baptist Church in Carteret County. However, there were two Primitive Baptist Churches; one at Newport, the other at Wards Creek, or Otway as it is known today.

In the early twenties, a preacher drifted into Smyrna by the name of James L. Warren, and for many years he lived and preached in different homes the redeeming love of Jesus Christ for all mankind. It was here that he organized and established the first Missionary Baptist Church in Carteret County. The record does not give the exact date of organization, but in October 1829 the Neuse Association convened at White Oak Meeting House in Jones County. Delegates from said church were Pastor James L. Warren, Wm. V. Harris, and Whithington Davis. Sixty members were reported from the Warren Meeting House, as the church was called at that time.

In 1830 this church reported 85 members. Alphus Willis, Wm. V. Harris, and John S. Davis were sent as messengers to the association. In 1832 the Baptist State Convention met at Rives Chapel in Chatham County. Warren Meeting House was represented by no less a messenger than Dr. Samuel Waite

of Raleigh. The following funds from said church were reported: State missions $4.00, Foreign mission $4.00, and Education $2.26½.

From 1832 the record does not give much that the old church did until 1840-1844 when the Rev. Geo. W. Wallace preached at Warren Meeting House.

From 1844 to 1848 no regular pastor is mentioned. However, there are such names as the Reverends Elwell, Askew, Montague, and Jacob Utley. These preachers would come and supply for a while. It must have been during this time that the Woodville Baptist Church was organized. Its charter members withdrew from Warren Meeting House in order that they might organize at North River. The church was called Woodville, and still holds that name. It is now doing a wonderful work for the Kingdom of God as a little country church.

In 1846 the following items appeared in the minutes of the Union Association held at Wilmington: A letter from the Warren Meeting House, Carteret County, was presented and read. On motion the church was cordially welcomed as a member of the Union Association. Seventy-six members, $2.00 for associational funds, but no pastor was reported. In 1849, C. C. Gordon was pastor, and C. C. Davis and Jacob Utley were sent as messengers to the association. Sixty-eight members were reported.

In 1853 Rev. Rayfield and other preachers such as A. Jones and Charlie Woodson came and preached at Warren Meeting House. In 1859 the Rev. W. B. Jones was called as pastor. It was at this year's association (the record does not give where it was held), that the name Warren Meeting House was changed to Smyrna Missionary Baptist Church. Our next record was taken from the minutes of 1863. This states that the churches at New Bern, Brices Creek, Ft. Barnwell, Beaufort, Woodville, and Smyrna are within the lines of our enemy. Therefore, there was no record for them, but during part of this time the pulpit was filled by Jacob Utley and T. J. Leary.

In 1867 Jacob Utley and Thomas J. Leary organized the Missionary Baptist Church at Davis Shore, as it was called at that time. About 15 members withdrew from Smyrna Church to organize it. They have a complete record of this great old church and it would be well for the association to hear it read.

For 25 years the churches at Smyrna, Woodville, and Davis were led by this great old soldier of the cross who preached the redeeming love of Jesus Christ and redemption of sin if we believe and accept Him. This was Uncle Tom Leary, as he was called by most all who knew him. In October 1891 these churches called to the pastorate a young preacher just out of Wake Forest College, whose zeal for outstanding service in the Kingdom of God has been unequaled in our church and the Baptist cause in North Carolina. I refer to Dr. Bernard W. Spillman.

The Rev. Blakely H. Mathews served 1893-94; Rev. E. C. Bobbitt during part of 1895, followed by the Rev. R. D. Carroll from January 1896 to October 1900; Rev. Norton for part of 1901; Rev. N. L. Gaskins in 1902, and Rev. John F. King in 1904. From February 1905 to February 1907, the Rev. W. G. Hall served with outstanding ability and success. Rev. W. L. Britt was pastor in 1907, followed in 1908 by Rev. Ira E. Wishart. In June 1909, Rev. E. A. Paul was called and served until 1920. He was one of the many pastors we loved and could not forget.

In 1921 Rev. I. E. Belch served as pastor, and Rev. R. E. Ingram served during 1922. From June 1923 Rev. A. E. C. Pitman served until 1925. At this time Rev. W. E. Holcomb was called as pastor, and served until March 20, 1928. Rev. E. G. Willis was called then, followed in 1930 by Rev. J. S. Stegall.

In 1931-1932 the church was supplied by Rev. A. P. Stephens, pastor of Morehead City Baptist Church. In June 1934 Rev. C. A. Linburger served until, due to illness, he resigned. In 1935 Rev. W. B. Sprinkle was called and served with great ability and love for all mankind until 1940 when Rev. Frank Israel was called. He served until 1942, after which the church was supplied by a Rev. Norwood and a Rev. Irvin, for a short while, from the Beaufort Baptist Church.

In October 1943, the church called as pastor the Rev. L. C. Chandler who served for almost 10 years. It was during this time that a storm destroyed

the church and he had to hold all services in the old school house; but not for long, with such a great leader leading, and such people following. The impossible soon became a reality and a new church was erected on part of the foundation of the old Warren Meeting House. Sunday School rooms, chimes, and beautiful stained windows were soon added.

The Rev. John W. Privott served during 1954, then resigned to accept full time at Atlantic Church. He is our Associational Missionary at the present time. Rev. C. W. Goodwin served during 1955 and part of 1956. Then the church was supplied for a while by Dr. Owens from Havelock, N. C. In February 1957 W. W. Rhymes was called, served one year, and resigned to accept the pastorate at Maysville First Baptist Church. While he was pastor, the Smyrna Baptist Church purchased a house and a lot for a parsonage. In June 1958, Rev. W. R. Branch was called and is our pastor at this time.

So ends, for the present, the history of the old Warren Meeting House or Smyrna Baptist Church.

1959 Report North Carolina Baptist Homes for Aging

By James M. Hayes, *General Superintendent*

"Cast me not off in the time of old age." Psalm 71:9.

The ninth year of operation of the Baptist Homes For Aging began March 16, 1959. All three of the Homes—Resthaven, Albemarle, and Headquarters—have had a good year, and have been filled to capacity—119, counting residents and helpers. When vacancies occur, there are always more applications on the waiting list than rooms to be occupied.

Since the average age of a resident is about 80 years, there were several deaths during the year. Among the deceased was the oldest resident, "Uncle" John T. Holt, formerly of Wilson's Mills, North Carolina. He died July 13, being 99 years of age. Had he lived until February 26, 1960, he would have been ONE HUNDRED YEARS of age. He was a resident of the Homes nearly eight years, and for the past two years was a patient in the infirmary of the Homes. He was a great soul, and will be keenly missed.

This has been another year of God's favor upon the Homes and one of encouraging progress. While the campaign to raise funds to build the fourth Home at Hamilton, in Eastern Carolina, has not been completed yet, there is good reason to believe that the money will be secured this year and construction will begin. Mr. Don G. Matthews, of Hamilton, has given the land for the site, and most of the $50,000.00 which he promised. He is ready to give the remainder when the extra $100,000.00 has been raised. With reorganization of plans, and persistent effort, the balance needed can, and will, be forthcoming.

The construction of the Infirmary Annex, which will give 28 additional bedrooms and some utility rooms, is getting underway. The contractor, R. K. Stewart & Son, of High Point, has been selected. Order for structural steel has been placed, and the work should progress as rapidly as possible. The estimated cost of the Infirmary Annex is $193,035.00.

The two most pressing needs of the Homes For The Aging now are (1) to finish raising the funds to begin construction of the Hamilton Home, and (2) to raise about $150,000.00 to cover the balance needed to pay for the additional facilities in the Infirmary expansion. When these two projects are completed, 60 more bedrooms will be added for anxious and needy residents, thus increasing the total capacity of all the Homes to 170 residents.

Would you like to have a generous part in making these plans become a reality at the earliest possible date? If so, please let us hear from you. Why not furnish, or endow, or construct a room with your gift? $600.00 will furnish, $1,000.00 will endow, and $4,000.00 will construct, a room. If you are not able to do as much, send the amount you can contribute to the North Carolina Homes For The Aging, Winston-Salem, North Carolina.

A Special Day Offering of $175,000.00 in February, 1960, will help to meet Infirmary cost, and continue to give financial help to residents who need it.

All those connected with the North Carolina Baptist Homes are most grateful to the churches, individuals, and corporations for the help given to make possible a program of security, comfort, congeniality, and a Christian ministry to our aging friends who live in the Homes.

Respectfully submitted,
Dr. J. C. Bell,
Associational Representative

Evangelism Report

Jesus' command to us is, "Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost: teaching them to observe all things whatsoever I have commanded you: and lo, I am with you alway, even unto the end of the world." Matthew 28:19-20. Here Jesus summed up God's purpose in the world and the objective toward which God's people must ever move in full dedication if they are to be in His will.

The purpose of God in which He uses His people (and the only purpose in which He uses them) is the evangelization of the world. Evangelization means "making disciples," "baptizing them," and "teaching them' to be obedient to Christ in "all things He has commanded. Thus a person is not evangelized until he becomes an evangelist. Therefore, evangelism is to make disciples and mature them. This is God's purpose and plan for His people in the world.

In the Great Commission Jesus said, "Go," "teach" with the purpose of making disciples, "baptize" and "teach" them to be obedient to Christ in all things. The only imperative in all these mighty words of action is "to make disciples" or to teach with the purpose of making disciples. Thus Jesus puts soul-winning first in His total program with a definite command. In every church or associational program, soul-winning must be in the forefront of its total program to be in the will of Christ. This order is the divine imperative. Any individual or church that changes this order is disobedient to Christ, and therefore cannot expect His empowering and blessing upon the efforts put forth.

During the years 1959-1964, in the Jubilee Advance, Baptists of North America are making an effort to be obedient to the Great Commission by putting soul-winning in the foreground of their respective programs. In 1959 it appears that real progress has been made in this direction. Reports received in the office of Evangelism in Raleigh indicate that the Simultaneous Evangelistic Crusades over the State were the most fruitful ever. With one exception, every association in the State participated. Most of them did more praying, planning, and working to win all the people to a full committal to Christ than ever before. Figures in the Raleigh office for the State show about 15,000 baptisms, 20,000 total additions, and that more than 2,000 young people offered their lives for full-time Christian vocations.

In the Atlantic Association reports on the 1959 Crusade reveal the following: In our united effort we reap a larger harvest, all are blessed through the efforts of others. Additions to the churches for the year in the association were: baptisms 716; other additions 710; total additions 1,426. This is an increase over 1958 of 113 in baptisms and 202 in total additions.

The ratio of baptisms to church members is 1:22 for Southern Baptists and 1:25 for North Carolina Baptists. Our association's ratio for 1957 was 1:22. It was 1:16 in 1958, and this year it is 1:12 resident members and 1:14 total members. The goal of Southern Baptists in ratio of baptisms to church members is 1:8. This constitutes our greatest challenge. Only as we get soul-winning in the forefront of our total program can we become obedient servants of Christ. In an effort to achieve this objective, therefore, be it resolved that the Atlantic Association adopt the following goals:

1. To conduct an annual clinic devoting two sessions exclusively to evangelism striving to have at least seventy-five per cent of the churches and pastors participating.

2. To conduct an annual Simultaneous Revival Crusade with at least eighty per cent of the churches participating.

3. To endeavor to have at least seventy-five per cent of the churches using the church council and sustaining perennial programs of evangelism with soul-winning in the forefront of the total program in every church.

Baptist Children's Homes of North Carolina, Inc. Associational Report 1959

North Carolina Baptists have shown remarkable interest in their Children's Homes during the past year. Numerous Church groups have visited the three campuses. Continued financial support has been encouraging. Awakened interest in your Child Care program has been evidenced in many respects.

PROGRAM STUDIED

During the past year members of the Children's Homes staff, under the best leadership available, have engaged themselves in a conscientious study

of the entire Child Care program sponsored by North Carolina Baptists. Findings have been gratifying. The program has a commendable history and is one of the best in the nation. Every effort is being made by the present administration to continue the best care possible for dependent children.

CHILDREN SERVED

More than 1,000 boys and girls were served by the Children's Homes during the past year. Mills Home, Kennedy Home, and Odum Home provided care for 547 children while 197 lived in Foster Homes. Through financial assistance of the Mothers Aid program 40 children were able to live with their mothers. Supervision and financial help were afforded 30 college students. Resourceful case workers assisted 214 additional children to find homes with relatives and other social service agencies.

COTTAGE CONSTRUCTION

Three cottages are currently under construction—one at each of the three Homes. The Roy Culler family of High Point is providing funds for a boys cottage at Mills Home. The H. C. Ferebee family of Camden is making possible a cottage for girls at Kennedy Home. The new cottage at Pembroke will provide administrative offices, living accommodations as well as kitchen and dining facilities for the Indian boys and girls.

ADMINISTRATIVE CHANGE

Mr. Vernon S. Sparrow became Superintendent at Mills Home, Thomasville, July 1, 1959. He comes to this post with an excellent background of training and experience. Prior to Mr. Sparrow's going to Mills Home he served as Associate Pastor and Minister of Education in the First Baptist Church of Lenoir.

SIGNIFICANT CONVENTION ACTION

Significant recommendations relative to the Children's Homes were adopted by the Baptist State Convention in May following a two and a half year study by the Committee of Twenty-Five. They are as follows:

1. That the number of children in foster home care be increased to approximate the number in institutional care.
2. That the Children's Homes begin to develop new types of programs to help children who are not being adequately cared for in other ways.
3. That increased attention be given to families throughout the state by well-trained, mature case work consultants to help avoid family breakdowns.

MORE ADEQUATE FINANCIAL SUPPORT

The Convention has voted to bring the Children's Homes into the Cooperative Program on the same basis as all other institutions and objects. Churches may continue to send Once-A-Month offerings and special gifts. Designated gifts from Churches to the Children's Homes will be administered by the Convention in the same manner as designated gfits from Churches to other institutions. The Homes are encouraged with this improved financial relationship with the Convention. For lack of sufficient income the Homes operated on a $22,000 deficit in 1958. The deficit for 1959 will be approximately $65,000. The only way the Homes have of meeting the $65,000 deficit this year is through a substantial increase in the Thanksgiving Offering.

WHAT OF THE FUTURE?

With the increase in population, the development of industry, the growth of cities and the mounting tensions in present day society, there is an increasing demand for services to dependent children. Your Children's Homes are being asked by the Convention to expand their services. With your prayers, loyal and generous support, your leadership will continue to move forward as resources are made available.

Mrs. George H. McNeill

Moderator's and Executive Committee's Report

It is with a deep sense of humility and apology that I make this report in behalf of myself and the Executive Committee—with humility in that I have been entrusted with the leadership of this association for the past year, and with apology in that we have been able to accomplish so little. Perhaps, no association, within a given year, has been faced with so many difficult problems as this Association. In the light of these circumstances, we should be thankful that we have been able to accomplish what we have.

At the directive of the Association, we had to reorganize completely. This was done at a called meeting of the executive committee on November 16, 1959, at the First Church, Havelock. The following committees were constituted: evangelism, promotion, missionary, budget and finance, ordination, pastorless churches and new missions and stewardship.

At the first regular meeting on December 14, 1959, membership of the above committees was named and duly commissioned for service.

Some highlights of the year were:

(1) The Associational Brotherhood meeting on January 25, at the First Church, Beaufort, with the Reverend W. B. Robertson as principal speaker.

(2) A school of deacons on March 14 and 15.

(3) An Evangelistic Rally on March 11, with a simultaneous youth meeting and an adult meeting at the Tabernacle Church, New Bern.

(4) A clinic on Evangelism January 19, 1960.

(5) A very successful simultaneous revival in March.

(6) The resignation of our associational missionary, Rev. John Privott.

(7) The appointment of a committee of 5 to make a comprehensive study of the association, relative to missionary or promotional

ministry, and to make appropriate recommendations to the association.

(8) The closing of the Eastern N. C. Baptist Hospital, and the successful dissolution of that institution.

(9) The request of some 12 of our churches for dismissal from our association that they might affiliate with a new association in and around Jacksonville.

Please permit the moderator to make these observations and suggestions, as he personally views the work of the association:

(1) There is great need to stabilize and solidify the ministry of our pastors. During the past year we had a turnover of some 25 pastors, or more than half. This has been a common experience of this association. It stands to reason that something is vitally wrong, and that our churches and association will never be able to demand proper respect from the public at large, and to do any real, constructive service, and to make this area truly Christian, until the ministry of our pastors can be secured.

(2) There should be a more wholesome and happy relationship among our pastors. Personally, I do not believe that we pastors are altogether to be blamed. The rapid turnover of us ministers, the distances involved, the difficulties of assembling together, and the wide divergences of views and policies and practices among our churches, all contribute to a luke-warmness among us. No association, regardless of its promotional set-up, will do very much unless the pastors can be led to cooperate. The pastor is the key to the success and cooperation of his church.

(3) It is my hope and prayer that out of the study of our special committee of 5 we may discover some of our major problems and make a sincere effort to correct these problems.

Respectfully submitted,
L. D. Munn, Moderator

Report of Missions Committee on Churches Requesting Letters of Dismissal

Letters of dismissal have been requested by the following churches:

1—Bear Creek
2—Bethlehem
3—Bethel Chapel
4—Enon Chapel
5—Grants Creek
6—Kellum
7—Maysville Memorial
8—Midville
9—Piney Grove—Onslow
10—Richlands
11—Tar Landing
12—Calvary

After examination of these letters, it is the judgment of your Missions Committee that all these letters are in order; that they rep-

resent official action taken in church conference; that they have been duly signed by the clerk and/or pastor of such requesting church; and that in all cases such request for letters were solely for the purpose of joining a new association in the Jacksonville area.

Therefore, your Missions Committee makes the following recommendations:

(1) That the Atlantic Association grant the request for letters of dismissal included in this report.

(2) That our clerk write such letters of dismissal to the requesting churches and mail same on or before Nov. 8, 1960.

(3) That our clerk express in each letter the continued prayers and best wishes of our brethren for the churches leaving our Association, and also for the blessings of our Lord upon the work of the proposed new association—or express any other appropriate sentiment in behalf of the brethren of the Atlantic Association.

Report of the Trustees of the Eastern North Carolina Baptist Hospital to the Seventy-Seventh Annual Session

At the 76th or 1959 annual session of the Atlantic Baptist Association the association directed the trustees of the Eastern North Carolina Baptist Hospital to immediately discontinue the operation of said hospital in New Bern, and, that the present trustees remain in office to complete the closing of said hospital.

As of November, 1959, there was $28,797.42 unpaid hospital accounts due from patients which in reality reflects unvoluntary charity work. Also, there was an indebtedness of Hospital 'bills" in the amount of $39,880.92 and additional expenses growing steadily each week.

We are happy to report to you that by the Grace of God and the unselfish labor of a few men, that:

1—The present indebtedness of the hospital is $935.97.

2—There is at this time a bank balance of $2,679.45 to pay off this indebtedness and any other bills that may appear in the final transactions.

3—There are about twenty pieces of odds and ends of equipment yet to be disposed of and should bring in a small amount of money.

4—The equipment and records are stored at 1018 Pollock Street, New Bern, N. C., where there is a rental fee of $25.00 per month.

In conclusion: On June 24, 1960, the Articles of Dissolution of the Eastern North Carolina Baptist Hospital were filed in the office of the Secretary of State—Raleigh, N. C. Therefore the Eastern North Carolina Baptist Hospital has legally and officially closed as recommended and directed by the Atlantic Baptist Association.

This also concludes the responsibilities of the hospital trustees to the association.

Respectfully submitted,
E. W. Howard, Chairman

THEREFORE: I move,

1—the adoption of the above report—

2—that all trustees be officially released of all duties and responsibilities pertaining to the hospital upon adoption of the report, and

3—that the association assume any further responsibilities and actions pertaining to the hospital of any nature from this date.

Report on Evangelism

Evangelism is the process of presenting the good news of Jesus Christ that men may believe in him as Saviour and serve him as Lord in the fellowship of the church. The most solemn obligation and joyful privilege of Christians is to "Seek the salvation of our kindred and acquaintances." In recognition of this responsibility all Southern Baptists are asked to participate in a great Baptist Jubilee Advance effort (1961-1964) with each association having at least one BAPTIST JUBILEE REVIVAL during each of these years.

Last year the Atlantic Association rose to the top with a baptism to church membership ratio of 1:12. This year shows a marked decline. Only 19 churches cooperated in the Spring Crusade as against 30 in 1959. There were 550 baptisms and 674 other additions, as against 716 baptisms and 710 other additions during 1959. Believing that there is real strength in "togetherness," and feeling that all of us are concerned for the lost in the Atlantic Association, we make the following recommendations:

1. That our Association cooperate with the Baptist Jubilee Revival Plan, and that each church schedule a Jubilee Revival March 13-26, 1961.
2. That we ask Dr. Julian S. Hopkins, Sec. Division of Evangelism, to be our Jubilee Revival Director.
3. That we ask our Associational officers to serve as a Baptist Jubilee Revival Committee, and that we have a Revival Clinic at the Swansboro Baptist Church on Junary 6, 1961.
4. That we include in our Associational Budget the necessary funds to finance the Jubilee Revival.

Respectfully submitted,
M. O. Sears, Chairman

Report on North Carolina Baptist Hospital

The Ministry of our Baptist Hospital touches every area of our state. Last year it served more than 17,000 bed patients, with 150,000 visits being made to the clinics and offices. Many of our homes, most of our churches, and almost all of our communities have been served by this ministry of healing. It touches the family life of about a quarter of a million of our people each year.

The cost of care of service patients in 1959 was $780,435.40, with no charges made for professional services of physicians, beyond insurance payments. To pay this cost, the Hospital had $449,606.58 from the following sources, welfare funds, $186,613.13—gifts, mostly from individuals, $23,645.06, Duke Endowment, $24,942.00 and the Mother's Day offering, $214,406.39. Money spent above the funds available was $195,593.61. Although room rates for private patients were increased and employees continued to work for less than they could earn in comparable institutions, there was not enough money to pay the $195,593.61. The operating loss for the year was $17,144.05, with no allowance for depreciation. This year the Hospital Trustees

felt compelled to establish the 40-hour work week, and the 75-cent minimum wage, a change which affected 900 employees and resulted in increased costs. The Mother's Day offering in 1959 was $1,438.08, in 1960 it was $1,657.17 from the Atlantic Association.

The Baptists of our state established the Hospital because they wanted a place where our people could get care when they needed the facilities of a modern hospital. Christian charity is its heart, and the bigness of this heart is shown in the fact that 40% of its work is for service patients. There is no reason to expect this service to decrease, instead, it is bound to continue to grow. The only way we can support this work is to plan for it, to make somebody in each church responsible for it, to let our people know about the need, and to challenge them to give of their means. We ask you to do this in your church, not for the hospital, but for the sick people who are in need.

Report on Children's Homes

November 11, 1960, marks the seventy-fifth anniversary of our Children's Homes. The first child admitted was Mary Presson, from Hertford County, Nov. 11, 1885. Plans are now underway for appropriate observance of this important date.

The Baptist Children's Homes of North Carolina, Inc., is a multiple service agency providing Christian love and nurture for deserving boys and girls. On the campuses, in the cottages and through the churches opportunity is afforded for Christian commitment and spiritual growth. The children in the homes attend public schools and participate in all school activities.

Currently we are caring for 311 children at Mills Home, 165 at Kennedy Home and 24 at Odum Home, the latter being our home for Indian children at Pembroke. There are 160 children in Foster Homes and 40 others who are assisted by Mother's Aid.

The Baptist Child Care Program is supported by sharing in the Cooperative Program fund, the Thanksgiving Offerings, the Once-a-Month Offerings and Special Gifts and Endowments. For the past three years the income has not been sufficient to meet the needs, therefore, it is imperative that we increase our offerings. If the current needs are to be met without further deficit, we need a great Thanksgiving Offering. We hope to receive $350,000.00 which is an increase over last year of 22 per cent. It should be remembered that the Child Care Program is a service ministry. The children served cannot pay their own way. Social Security benefits and monthly payments made by relatives amount to less than 3 per cent of the total needed for operation.

An ever increasing number of Foster Homes are being opened to homeless children. In keeping with the recommendations of the Committee of Twenty-Five it is hoped that the population of the Foster

Homes can be increased by about twenty-five children each year until the children in this program equal the number of those in group care. For each increase of twenty-five children in Foster Care Homes, the cost of board, medical and clothing expenses plus the salaries and travel expenses of Case-workers will be about $20,000.00 annually.

North Carolina Baptists have never failed their children—we shall not fail them now!

Report on North Carolina Baptist Homes for the Aging

During the past nine years Mr. James M. Hayes, Sr., served as general superintendent of our Homes for the Aging. This dedicated man worked hard and accomplished much. We owe him a great debt of gratitude. He retired July 1, and Mr. William A. Poole was chosen to succeed him. Mr. Poole is working diligently to expand our ministry to the aging.

The new Infirmary Annex, of 28 rooms, was opened September 1. It cost $193,000. In addition, there is a nurse's station, lounge and rest room, solarium, laundry room, utility room, three baths, and a room for sterilization of instruments. The proposed Hamilton Home will provide for 30 additional residents.

There are 60 applicants on the waiting list and inquiries and applications arrive daily. There are 106 residents in our three Homes. We could fill 500 rooms in the next two years if we had them. The ever-increasing number of the aging need the loving care of North Carolina Baptists.

The life line of this work is the churches and pastors in our Convention. We are increasingly dependent upon the prayers and financial gifts of the churches. We could not operate without these. During fiscal year October 1, 1959, to August 1, 1960, we received $82,521.20 from the churches. $76,352.70 of this came through the Special Offering in February. Our annual support from the Cooperative Program is $50,000. We are profoundly grateful to God, and to you, for these gifts.

We constantly experience mixed emotions in the Homes. In July we rejoiced with Aunt Fannie Drumwright on her 99th birthday, and were saddened by the deaths of Mrs. Mary Holder in April, Mr. T. J. Castevens in June, Mrs. Annie Smith in July, and Miss Lillie Herring in October.

We urge you to visit the Homes any time you can.

The only thing which hinders any needy aging person from coming to North Carolina Baptist Homes for the Aging is lack of space. Therefore, let us dedicate ourselves to the service of building more rooms at the earliest possible moment.

Respectfully submitted,
Dr. J. C. Bell

Report on the Biblical Recorder and Other Baptist Literature

This has been a year of change and transition for the *Biblical Recorder,* your Baptist state paper since 1833.

On January 1, J. Marse Grant became editor, succeeding Dr. L. L. Carpenter, who retired after 17 years in the editor's chair. Editor Grant came to the *Recorder,* after 10 years as editor of *Charity and Children.*

Since the first of the year, a number of changes have been made in the *Recorder,* including larger type and full-page pictures on the cover. In a study made by a nationally-known professor of journalism, the *Recorder* was rated among the top three state papers in the Southern Baptist Convention. The *Recorder* staff will not be satisfied until it rates No. 1 among the 17 state papers.

With the many crucial issues coming up in the world almost daily, it is imperative that Baptists be informed about them. The best source is your Baptist state paper.

Make no mistake about it. The printed page is going to win the battle for men's minds and hearts. The great movements of this world depend heavily on printer's ink to get their messages across. Baptists can do no less if we are to stay in this battle to win the loyalties of men and women, boys and girls.

In this crucial year in American history, the following quotation is so pertinent as we think of the importance of the *Biblical Recorder* and other Baptist publications: "If religious literature is not widely circulated among the masses in this country, I do not know what is to become of us as a nation. If truth be not diffused, error will be; if God and His Word are not received, the devil and his works will gain the ascendancy; if the evangelical volume does not reach every hamlet, the pages of a corrupt and licentious literature will; if the power of the Gospel is not felt through the length and breadth of our land, anarchy and misrule, degradation and misery, corruption and darkness will reign."

Resolutions of Appreciation

To the membership of the Tabernacle Baptist Church and the Pastor and members of the Midville Baptist Church Greetings:

Whereas we have come together in the capacity of the Atlantic Baptist Association, be it resolved, that we are profoundly grateful for the facilities which made it possible for these days' services and fellowship. We want to express to you our sincere gratitude for the delightful luncheons provided and served by the ladies of these churches. We are also mindful of the gracious spirit of hospitality that prevailed throughout these days.

As we adjourn for another twelve months, we pray that each of us shall be able to render service in the Master's name, and may the

Grace of God give us sufficient faith to meet and match the opportunities that shall be ours through the coming years. May God be with us till we meet again.

American Bible Society Report

The Bible is the essential tool of missions and evangelism. The missionary uses it in all his work. The Bible itself is a missionary. It can go where the human missionary cannot go. It can stay on after he must leave—and keep on speaking to a person's heart.

The American Bible Society is an active partner of Southern Baptists. It serves every form of Southern Baptist mission work at home and abroad. It helps missionaries to translate the Bible. It publishes

without note or comment and distributes without profit, usually below cost.

During 1959, the American Bible Society donated more than a million Scripture volumes to our Armed Forces and to patients in Veteran's Hospitals, approached its 125th anniversary of supplying Scriptures for the Blind, far below cost, in Braille and other raised-letter systems and on Talking Book records; rejoiced that some part of the Bible has been published in 1151 languages; continued to supply Scriptures in such strategic areas as West Germany and other lands along the Iron Curtain; distributed a total of more than 17½ million Scripture volumes.

Yet, many people around the world still await the coming of the Bible, and the majority of them cannot afford the cost of printing the Scriptures. They wait for gifts to the Bible Society to make it possible for them to have the Bible for their own. How long will they have to wait?

In 1958 Southern Baptists led all denominations in gifts to the American Bible Society. The help of every Southern Baptist Church is needed this year. Will you help your church to give to this great work in the Kingdom. Send your gifts to our state office marked "for the American Bible Society."

Sunday School Report

The Associational Sunday School work in 1959-1960 aimed its program chiefly toward training and inspiring the Sunday School leadership in the churches.

Sensing the need of enlargement, a trained leadership, and a more meaningful Bible teaching in all the Sunday Schools, the Association planned for Age Group Leadership Clinics directed toward meeting these and other needs. This program was pursued in four meetings held in four different areas as follows:

Date	Place	Theme
Oct. 13, 1959	Morehead City	Training
Feb. 9, 1960	Cherry Point	What is Teaching
May 3, 1960	Swansboro	Evaluating Results
Aug. 30, 1960	New Bern (Tabernacle)	The 1960-1961 Sunday School Program

The Age Group Conferences were emphasized during these clinics with most of the time allotted to this type of individual training. Although the attendance was not always all that would have been desired, it is felt that some progress was realized.

A harvest was reaped by ten cooperatiing churches during an Associational Sunday School Enlargement Campaign Oct. 31-Nov. 6, 1959, at which time 16 State Sunday School Workers labored within the participating churches.

High goals were set for the Associational Sunday School work

for the year 1959-1960. It is felt that the achievement of these goals was handicapped in no small way by the absence of an Associational Missionary during the latter part of the year.

The churches in the Atlantic Baptist Association are challenged by Jesus' commission to teach all people all things that He has commanded us. May this challenge be of deep concern to each of us and compel us into a greater service in His name.

Respectfully submitted,
Frank Moran

Training Union Report

As we come to the close of another year I feel that many goals have been reached by our churches as we have worked under our theme for 1960, "Training in Church Membership." There have been some new training unions organized and several other churches have had demonstration meetings put on for them to see how to conduct a Training Union. We encourage more of the churches to organize unions this year. Call on your associational director if you would like a demonstration program presented in your church.

More of the directors have forwarded their quarterly reports to the Associational Training Union Director this past year and we ask that all directors will strive to make a special effort to get them in this year. These reports are the best instruments we have to know what the churches in our association are doing training wise.

This coming year, in keeping with the Jubilee Advance, our emphasis is on stewardship and enlistment with a general theme of "I will be Faithful." The purpose is to "seek to lead every Baptist to a new and deeper understanding of Christian stewardship, which is the management of the total resources, personal and material, entrusted to us by God, and a commitment of his life to the teachings of the New Testament." I know of no better way to fulfill this goal than through the teachings we will receive in our Training Union this year. Will you strive with me now to be found this time next year "a faithful servant" that we too may hear our Master say "Well done."

H. B. Gray, Jr., Director

Brotherhood Report

The purpose of the Brotherhood is to discover men, their talents, and enlist them in the total program of the church and denomination. The Brotherhood seeks to accomplish its purpose by offering programs through its four Program Leaders: Royal Ambassador Leader, Christian Witness Leader, Personal Stewardship Leader, and World Missions Leader.

It has been a hard task to enlist men for these jobs of leadership during this Associational year. As our boys well know we have not had a Royal Ambassador Leader this year.

Your few Associational Brotherhood Officers have tried to fulfill the Brotherhood purpose by following this outlined program:

January 25, 1960—7:30 p.m.—Brotherhood meeting at the First Baptist Church, Beaufort, N. C.

April 18, 1960—7:30 p.m.—Brotherhood meeting at Piney Grove (O), Swansboro, N. C.

July 11, 1960—7:30 p.m.—Brotherhood meeting at First Baptist Church, Maysville, N. C.

August 29, 1960—6:30—Annual Ladies' Night at White Oak School, Onslow County.

We are sorry that we fell down on the Royal Ambassador program and pray that this will not happen again. I do pray that each church in the Association with a Brotherhood will prepare men or a man to accept offices in the Associational Brotherhood work.

Woman's Missionary Union Report

Our Leadership Conference this past year was held in New Bern, with the First Church as our hostesses. It was led by Mrs. A. L. Parker, State First Vice-President. It was well attended with 168 present. Our annual meeting was in Richlands, the spirit of this meeting was excellent, 135 present even though it rained. We have one New Society, Battleground Park. One of the outstanding accomplishments was a Leadership Course given by the First Church, New Bern. They invited the entire Association to participate. As a result we have 53 women with cards of accreditation. Some area's work show slight increase, while others show decreases. Our Lord is able, with his help let's do our best.

Stewardship Report

Our 44 churches and 3 missions have a membership of more than 10,588. During the past year we contributed $53,517.78 to world causes through the Cooperative Program. This is approximately $5.00 per member. This sounds impressive until you realize that it takes 7,000 Southern Baptists to support one missionary on the foreign field. We are losing our missions race against the world birth rate because we give only 3.3 cents of our church budget dollar to missions!

The 1961 emphasis of the Southern Baptist Convention Jubilee Advance is "Stewardship and Enlistment." Theme: "I Will Be Faithful." Scripture: I Corinthians 4:2. Purpose: "To seek to lead every Baptist to a new and deeper understanding of and commitment to Christian Stewardship."

Ten specific goals for 1961 have been established:

1. 5,000 young people making first-time commitments to church-related vocations.
2. 1,200 new Christian wills written, which will include some missionary, educational or benevolent cause sponsored by Southern Baptists, either State or Convention-Wide.
3. 750,000 persons transferring membership by letter to Southern Baptist churches, and 600,000 received by baptism.
4. 3,300,000 persons making pledges to the 1962 budgets of their churches.
5. 1,650,000 persons signing a pledge card agreeing to tithe in 1962.
6. Four hundred million dollars pledged by Southern Baptists to be given through our church budgets in 1962.
7. Fifty-five million dollars pledged by our churches to be given through the Cooperative Program in 1962.
8. 3,000 Southern Baptist churches voting to increase their Cooperative Program gifts by at least 2 per cent of their total budgets during 1962.
9. There are three parts to this goal:
   (1) 24,000 Southern Baptist churches adopting a budget for fiscal year 1962.
   (2) 10,000 churches asking their members to pledge to their 1962 budget.
   (3) 5,000 churches using the Forward Program of Church Finance to promote their 1962 budget.
10. 500,000 study course awards in Stewardship Books in the Church Study Course for Teaching and Training. The WMU will also promote study of their Stewardship Books.

If we fail to win just one generation to Christ, the next generation will be completely pagan! Let's increase our prayer, witness and stewardship! To do anything less can spell disaster! "For it is required of stewards that a man be found faithful."

A. E. Thompson

Report on Christian Education

Through a Division of Christian Education in the Baptist State Convention of North Carolina the work of seven colleges is promoted. These are Wake Forest, Meredith, Mars Hill, Gardner-Webb, Wingate, Chowan, and Campbell. In the last year there were enrolled in these seven colleges some 8,100 students. Their annual operating costs were above $10,000,000, with approximately $500,000 of this coming through the Cooperative Program plan of giving. An additional $600,000 was provided for capital outlay or plant improvement and expansion. Without the addition of new buildings it is not possible for these colleges to enroll many more students than the number taken last year.

For fifteen years the work of these colleges has been coordinated and studied through the Council on Christian Education, with Claude F. Gaddy as the executive secretary of the Council. This Council now has its offices in the Baptist Building in Raleigh, N. C.

In the past three years three major Convention Committees have prepared and presented reports on the work of these colleges to the Convention, and a fourth committee was appointed in 1959 to report in 1960. A committee of 25 was appointed in 1956 "to study the needs and possibilities of our existing institutions and such new institutions as may be needed." The report of this committee was presented to a special session of the Convention in May, 1959. We shall be hearing today and in the future more about the recommendations of this committee. A committee of 9 was appointed in 1957 to recommend relationship of trustees to their various institutions, and a committee of 17 was appointed also in 1957 to make a study of the spiritual life on the campuses of our colleges and to make appropriate suggestions as to how the spiritual life might be deepened. In the Advance for the Colleges we shall learn how we plan to put into practice some of the recommendations of these committees.

Cooperative Program Report

The life line of the Baptist work is the Cooperative Program. Through the Cooperative Program all of our organizations receive amounts that they can depend on. This amount comes in regularly. This life line feeds the program of the Southern Baptist in all their work. The Cooperative Program income will be divided: State causes, two-thirds; World-wide causes, one-third.

The state work includes evangelism, Sunday School, Training Union, W. M. U., Brotherhood, and other promotional work; seven colleges, Children's Homes, Homes for Aging, hospital, help with Associational Missions, buying of church lots, and other general mission work.

The Southern Baptist Convention depends on the Cooperative Program for Seminaries, Home Missions, Foreign Missions, Hospitals,

and Brotherhood.

It is interesting to note that the over-all giving is $3,000.00 less this year in our Association, but that the total giving of the Association to the Cooperative Program increased from $46,842.58 to $47,-491.63. This is a small increase, but let us move on forward striving to make our percentage increase each year to the life line of our work.

History of Midville Baptist Church

In January of 1953, a group of eight families were requested by Rev. Maurice Norman of Piney Grove Baptist Church to assist in organizing a mission, to be known as Midville Baptist Mission, which was being sponsored by the Piney Grove Baptist Church. This they gladly did and took turns preaching and leading in the singing. At first there existed a small BTU and two Sunday School classes. Rev. Norman occasionally preached, and members from that church supported the meetings by attending many times in large numbers. Through the valiant efforts of these few families the attendance and membership gradually increased. In the spring of 1953, a revival was held for the mission in a vacant lot behind the mission. The evangelist was Mr. Don Howard from Bob Jones University. Several were added to the mission at this time by profession of faith. Rev. Norman from the Piney Grove Church baptized them in a river near Swansboro.

Growth was slow for the remainder of this year, but in November of 1953, a part-time minister, Rev. Jackson L. Falls, came to the church and early in the following year began serving on a full time basis and moved his family to Jacksonville. Gradually the membership increased, primarily from the surrounding housing areas consisting of service personnel. A store building in Midville was obtained as a meeting place, and the rental of $180 per month was quite a handicap for the membership which was trying to establish a Building Fund for a much needed place to worship. The membership had increased to 101 by the time the church was constituted an organized church in March, 1955, and there was a desperate need for additional space for Sunday School classes and regular worship services.

Several merchants in Midville Center donated the use of their store space for Sunday School Classes, but by the time the new church was ready for occupancy, even the additional space was becoming cramped.

Vacation Bible School was held in the two summers, 1954 and 1955, thus bringing more children and adults into the church. Midville Baptist Church had gradually become practically a "service" church and of the 101 charter members, all but four were service families. The church can indeed be called a mission point as the service families who are and have been members of the church are already spread to all parts of the United States and several points

outside the continental limits of USA.

With the several "cruises" leaving this base periodically for Puerto Rico and the European ports, men in the Armed Forces have had a wonderful opportunity to witness and tell of our "unique" Middville Baptist Church throughout a major portion of the world.

Our Building Fund was growing and Rev. Falls had secured a loan from the Home Mission Board for the building of our new church, plus two gifts from the HECK-JONES MEMORIAL OFFERING, concrete plans were laid for the first building to be erected. In the fall of 1955, Rev. Falls left to return to school for further study and our present minister, Rev. Dave Morris, come to Jacksonville to serve in the Midville Baptist Church. Under his leadership, work went forward rapidly despite the winter weather and with great thanksgiving our church was readied for Sunday services on the first Sunday in March, 1956. Practically every church member and many friends of the members worshipped with us on that Sunday, and the growth since has been steady. With the usual situation of the rapid transfers of personnel in service, many members are now living at other stations and bases but still continue their membership and contribute to our financial need.

A WMU was organized shortly after the church became active and has contributed greatly to the spiritual and material need of the community. Through their community missions work they have reached many families in the area as well as other projects regularly assisted by WMU organizations throughout the world. There are also two active Sunbeam Bands, two GA groups and a RA group. A Brotherhood was organized in August of this year. There has been an organized visitation program underway for some time by both WMU and the Brotherhood which has helped tremendously to the growth of the church.

It is indeed impossible to imagine the need for service of the type rendered here by Midville Baptist Church. The members are from almost every state in the Union and many of them have felt the need to serve the Lord for the first time in their lives since attending church. To the large number of members transferred and now worship with Baptist Churches at their new Bases, no words can express enough thanks for the countless hours of "labor of love" they spent in the work of the Lord while living at Camp Lejeune. Those of us who are still with the church give thanks every day for the opportunity offered us here to share in the most satisfying work of all—that of serving others in the work of our Lord Jesus Christ.

MEMORIALS

Today we inscribe a memorial to those of our Association's fellowship who have left us here. An intangible memorial, so sacred that we keep it covered from profane eyes of the world. Intangible but actual, priceless but not in the coffers of commerce; hung not as banners to mortal fame; not as statues to human glory; not as palaces of transient pleasure or revellers mirth; not as cathedral domes to crown some prideful place. Not splashing fountains nor templed hill-tops nor way-side shrines. Not anything which can crumble into ruins on earth or fade from a loved one's memory or be ignored in the annals of Eternity.

A memorial within our soul, that shall glow in its purity, burn with its intensity of devotion to each whose names we herewith inscribe.

This is the homage we do them today as they await our coming over there in that land of eternal sun-rise.

By Lelia M. Hodges (Mrs. J. L.)

It isn't 'death' when we see no more our loved one's form and face;
It is only an interval between the now and here
To the then and there of eternity's space.
It's a short 'Goodbye' for a few short waiting days
Till a happy greeting of a perfect meeting;
A no-more partings forever and always.
There our grandest hopes are more than fulfilled
When God's great love and glory are everywhere o'er spilled.
There our permanent home is;
There our soul's abiding clime,
And God's everlastingness swallows up man's calendar of time.
So say not our loved ones are dead, for they are living still
In perfect fulfilment of our Lord and Saviour's perfect will.
